EXPLANATORY NOTE

(This note is not part of the Order)

This Order is the first commencement order made under the Water Act 2014 (c.21) (“the Act”).

Article 2 of the Order brings into force on 14th July 2014 section 40(1) of the Act which inserts a new section 86ZA into the Water Industry Act 1991 (c.56). Article 2 also brings into force on the same date Schedule 9 to the Act which amends the Land Drainage Act 1991 (c.59) to remove certain restrictions on the way in which public notices relating to internal drainage boards in England are published.

Article 3 brings into force on 1st October 2014 section 59 of the Act which inserts new provisions about the main river maps for England and Wales into the Water Resources Act 1991 (c.57).
