

## SCHEDULE 13

Deemed licence under Marine and Coastal Access Act 2009 – array

### PART 2

#### Conditions

##### **Aids to navigation**

**8.**—(1) The undertaker shall colour all structures yellow from at least highest astronomical tide to a height directed by Trinity House, or shall colour the structure as directed by Trinity House from time to time.

(2) Subject to paragraph (1) above, unless the Secretary of State otherwise directs, the undertaker shall ensure that the wind turbine generators shall be painted light grey (colour code RAL 7035).
