(2) A person who has a partnership pension account in relation to service in a scheme employment is not prevented from opting into this scheme in relation to service in that employment (see regulation 21 for when the option in takes effect).

(3) The option under this regulation may only be exercised by notice to the scheme manager in a form required by the scheme manager (“opt-in notice”).

(4) A person who exercises the option under this regulation in relation to service in a scheme employment opts into this scheme in relation to service in that employment with effect from the date on which the opt-in notice is received by the scheme manager.

(5) The option under this regulation is taken to be exercised on that date.

(6) If P opts out of this scheme within 12 months after opting in, P may not opt in again until after the end of that period of 12 months.

When does an option in take effect

21.—(1) If P opts into this scheme in relation to service in a scheme employment for which P has a partnership pension account—

- (a) P becomes an active member of this scheme in relation to that service on the first date that is 1st April or 1st October—

 - (ii) after any shorter period the scheme manager considers appropriate; and
- (b) immediately before that date, P's partnership pension account is closed.

(2) If P opts into this scheme in relation to service for which P does not have a partnership pension account, P becomes an active member of this scheme in relation to that service—

- (a) at the beginning of the first pay period beginning on or after the date on which the option is exercised; or
- (b) if the scheme manager considers that pay period inappropriate, at any other time the scheme manager considers appropriate.

Automatic re-enrolment

22.—(1) This regulation applies if, on the automatic re-enrolment date, an eligible person in relation to service in a scheme employment is not in pensionable service under this scheme in relation to service in that employment.

(2) On the automatic re-enrolment date, the scheme manager must enrol P in this scheme in relation to service in that employment if the employer is required under section 5 (automatic re-enrolment) of the Pensions Act 2008(a) to make arrangements for P to be an active member of a pension scheme.

(3) For the purpose of paragraph (2), the employer is required to make arrangements under that section even if—

- (b) P has reached normal pension age; or
- (c) the earnings requirements under that section are not met.

(3) The option is taken to be exercised on the date on which the opt-out notice is received by the scheme manager.

(4) If P is subject to a transfer in relation to that service as a result of which P would be eligible to be (or continue to be eligible to be) a member of the scheme as a Fair Deal eligible person, the option ceases to have effect on the Fair Deal transfer date.

Opting out before the end of one month

24.—(1) This regulation applies if a person (P) opts out of this scheme in relation to a continuous period of service in scheme employment—

- (b) before the end of one month after the automatic re-enrolment date (or within any longer period the scheme manager considers appropriate).

(2) If paragraph (1)(a) applies, P is taken never to have been in pensionable service under this scheme in relation to that continuous period of service in scheme employment.

(3) If paragraph (1)(b) applies, P is taken not to have been in pensionable service under this scheme in relation to that period of service during the period referred to in paragraph (1)(b).

(4) This regulation does not require the scheme manager to pay P any additional amount which becomes payable by P in respect of national insurance contributions because P has not after all been an active member of this scheme during any period.

Opting out after one month

25.—(1) This regulation applies if a person (P) opts out of this scheme in relation to a continuous period of service in scheme employment—

- (a) one month or more after P’s first day of a continuous period of service in scheme employment; or

- (a) after the period of one month beginning with the date on which that account is opened; or
 - (b) after any shorter period the scheme manager considers appropriate.

CHAPTER 3

Pensionable earnings

Pensionable earnings

26.—(1) For the purpose of calculating a member’s pension or other benefits under this scheme, the member’s pensionable earnings for any period are the sum of—

- (a) the member’s permanent pensionable earnings in respect of that period; and
- (b) the member’s fluctuating pensionable earnings in respect of that period.

(2) The money value of any benefit in kind forms part of a member’s pensionable earnings if—

- (a) the benefit is expressly provided on a pensionable basis; or
- (b) the scheme manager determines the benefit forms part of the member’s permanent pensionable earnings or fluctuating pensionable earnings.

(3) If a benefit in kind is expressly provided on a pensionable basis, the scheme manager must determine whether the benefit forms part of the member’s permanent pensionable earnings or fluctuating pensionable earnings.

(4) In this regulation—

“benefit in kind” means anything other than money provided to a member of this scheme in connection with the member’s pensionable service;

“money value”, in relation to a benefit in kind, means—

- (a) an amount determined by the employer in accordance with the arrangement under which the benefit is provided; or
- (b) otherwise, an amount determined by the scheme manager;

“permanent pensionable earnings”, in respect of any period, means—

- (c) basic pay in respect of that period;
- (d) any allowance granted on a permanent basis that the scheme manager determines to be permanent pensionable earnings in respect of that period; and
- (e) the money value of any benefit in kind that the scheme manager determines to be permanent pensionable earnings in respect of that period;

“fluctuating pensionable earnings”, in respect of any period, means any of the following that the scheme manager determines to be fluctuating pensionable earnings in respect of that period—

- (f) any non-consolidated performance-related pay not forming part of basic pay;
- (g) any allowance not granted on a permanent basis; and
- (h) the money value of any benefit in kind.

Meaning of “assumed pay”

27.—(1) For the purpose of these Regulations, an active member of this scheme (P) receives assumed pay in respect of any period in which the circumstances in paragraph (3) apply (“period of assumed pay”).

- (2) For the purpose of paragraph (1), “assumed pay” means the sum of—
- (a) an amount equal to the pensionable earnings that P would have received in respect of that period if those circumstances had not applied; and
 - (b) any increase the scheme manager considers appropriate.
- (3) The circumstances are—
- (a) P is on sick leave on reduced pay;
 - (b) P is on adoption leave, maternity leave, parental leave, paternity leave or additional paternity leave;
 - (c) P is receiving statutory pay;
 - (d) P is on secondment to a different employer under an arrangement providing for P to continue to be an active member of this scheme in relation to P’s service although P is paid for it by that employer;
 - (e) P is on unpaid leave in circumstances that the scheme manager has agreed can count for the purpose of this paragraph;
 - (f) P is absent from duty because of being called out, or recalled, for permanent service in Her Majesty’s armed forces in pursuance of a call-out notice served, or a call-out or recall order made, under the Reserve Forces Act 1996(a);
 - (g) P is receiving pensionable earnings at a reduced rate in accordance with arrangements for members required by the scheme manager which apply where the members are entitled to—
 - (i) pension benefits under another occupational pension scheme; or
 - (ii) a payment under a compensation scheme; or
 - (h) P voluntarily surrenders pensionable earnings in whole or in part.
- (4) For the purpose of paragraph (3)(a), a period of sick leave on reduced pay does not include a period of leave in respect of which P is paid at a rate determined by P’s employer to be appropriate because it is equivalent to the annual rate of an ill-health pension.
- (5) Paragraph (3)(f) does not apply to any period of permanent service during which P is in pensionable service in—
- (a) an existing scheme that relates to the armed forces or another scheme under section 1 of the Act that relates to the armed forces; or
 - (b) any other occupational pension scheme.

CHAPTER 4

Deferred membership

Meaning of “deferred member”

28. A person (P) becomes a deferred member of this scheme in relation to a continuous period of pensionable service under this scheme if—

- (a) P ceases to be an active member of this scheme in relation to that period of service before P reaches normal pension age under this scheme;
- (b) P does not become a pensioner member of this scheme in relation to that period of service; and
- (c) P has at least 2 years’ qualifying service or a transfer payment otherwise than from another occupational pension scheme has been received by this scheme in relation to P.

CHAPTER 2

Calculation of adjustments

Calculation of “retirement index adjustment”

- 32.—**(1) The retirement index adjustment for an amount of accrued pension is—
amount of accrued pension × retirement index percentage
where—

“amount of accrued pension” means an amount of any description of accrued pension; and

“retirement index percentage” means the retirement index percentage calculated under paragraph (2) for that description of accrued pension.

- (2) The retirement index percentage is—

$$A \times \frac{B}{12}$$

where—

A means—

- (a) for accrued club transfer earned pension, the in-service revaluation index that applies in relation to the sending scheme for the leaving year; and
- (b) for any other description of accrued pension, the in-service revaluation index that applies in relation to this scheme for the leaving year;

B is the number of complete months in the period between the beginning of the leaving year and the end of the relevant last day; and

“complete month” includes an incomplete month that consists of at least 16 days.

Determination of “the age addition”

33.—(1) This regulation applies in relation to every scheme year in which an active member’s account is open that is subsequent to the scheme year in which the member reaches normal pension age under this scheme, other than—

- (a) the scheme year in which the account is required to be established under this Part; and
- (b) the scheme year immediately following that.

(2) If the member has exercised an effective pension age option or an enhanced effective pension age option then, for the years for which that option has effect, this regulation applies in relation to every scheme year in which an active member’s account is open that is subsequent to the scheme year in which the member reaches the member’s effective pension age or enhanced effective pension age, other than—

- (a) the scheme year in which the account is established under this Part; and
- (b) the scheme year immediately following that.

(3) At the beginning of the scheme year, for each description of pension, the scheme manager having regard to actuarial guidance must determine the age addition to be awarded for that scheme year by reference to the opening balance of that description of pension for the previous scheme year.

(4) In these Regulations, “the age addition” means an additional amount of pension determined by reference to the proportion of the previous scheme year for which a member had reached—

- (a) normal pension age under this scheme; or
- (b) where applicable, the member’s effective pension age or enhanced effective pension age.

Determination of “the assumed age addition”

34.—(1) This regulation applies if a deferred member’s account, full retirement account or partial retirement account is established under this Part for a member who reaches normal pension age under this scheme at least one month before the relevant last day.

(2) For each description of accrued pension specified in the account, the scheme manager having regard to actuarial guidance must determine the assumed age addition to be awarded.

(3) In these Regulations “the assumed age addition” means—

- (a) for an amount of accrued standard earned pension not attributable to a transferred pension, the age addition that would have been awarded for standard earned pension had the member not left pensionable service or not partially retired in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme;
- (b) for an amount of accrued standard earned pension attributable to a transferred pension or for an amount of club transfer earned pension, the age addition that would have been

awarded for transferred pension or club transfer earned pension had the member not left pensionable service or not partially retired in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme;

- (c) for an amount of accrued earned pension attributable to an effective pension age option or an enhanced effective pension age option, the age addition that would have been awarded for earned pension attributable to that option had the member not left pensionable service or not partially retired in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached the effective normal pension age or enhanced effective pension age stated in that option;
- (d) for an amount of any description of accrued added pension, the age addition that would have been awarded for added pension of that description had the member not left pensionable service or not partially retired in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme.

CHAPTER 3

- (b) the provisions of sections 29 (creation of pension credits and debits) and 31 (reduction of benefit) WRPA 1999.

Other pension accounts

57. If a pension credit member of this scheme is also an active member, deferred member or pensioner member of this scheme, the scheme manager must establish a pension credit member's account in addition to any other account established for the member under this Part.

PART 6

Retirement benefits

CHAPTER 1

General

Application of Part

58. This Part applies in relation to retirement benefits payable in respect of a continuous period of pensionable service under this scheme.

Qualifying service

- 59.—**(1) In these Regulations, “qualifying service” means the total of—
- (a) any continuous period of pensionable service under this scheme;
 - (b) if a transfer payment has been received by this scheme in respect of a member's accrued rights under another occupational pension scheme, the member's pensionable service under that scheme; and
 - (c) for a transition member with continuity of service, the member's pensionable service under the PCSPS before the closing date for that member.
- (2) None of the following counts as qualifying service—
- (a) any pensionable service under this scheme in respect of which a person's rights under this scheme are extinguished^(a);
 - (b) any pensionable service under the PCSPS in respect of which a person's rights under that scheme are extinguished;
 - (c) any unauthorised absence from scheme employment.

CHAPTER 2

Full retirement benefits

Entitlement to full retirement pension

60.—(1) A member of this scheme (P) is entitled to the immediate payment for life of a full retirement earned pension if—

- (a) P has reached normal minimum pension age;
- (b) P has ceased to be in pensionable service under this scheme; and

(a) Regulation 139 provides for extinguishment of rights following the refund of all members' contributions and payments for extra pension made by the member. Regulation 147 provides for extinguishment of rights following the making of a transfer value payment.

- (c) P has claimed payment of a full retirement pension.
- (2) But if P has not reached normal pension age under this scheme, P is not so entitled unless—
- (a) P has at least 2 years' qualifying service;
 - (b) a transfer payment otherwise than from another occupational pension scheme has been received by this scheme in relation to P; or
 - (c) the employment of the member was transferred without the member's consent to a new employer and on that transfer the member ceased to be eligible to be an active member of this scheme.
- (3) On becoming entitled to the immediate payment for life of a full retirement earned pension, P is entitled to the immediate payment for life of a full retirement added pension of any description as follows—
- (a) for an active member who becomes a pensioner member, if the full retirement account specifies an amount of full retirement added pension of that description;
 - (b) for a deferred member who becomes a pensioner member, if the deferred member's account specifies a provisional amount of the relevant deferred added pension.
- (4) The claim for payment of a full retirement pension may only be made by notice to the scheme manager in a form required by the scheme manager.
- (5) A claim for a full retirement pension to be paid before P reaches normal pension age under this scheme must state if any of the following applies—
- (a) P has opted to buy out the early payment reduction;
 - (b) P has exercised an effective pension age option;
 - (c) P has exercised an enhanced effective pension age option.
- (6) In this regulation, "relevant deferred added pension" means—
- (a) for a full retirement added (self only) pension, a deferred added (self only) pension;
 - (b) for a full retirement added (all beneficiaries) pension, a deferred added (all beneficiaries) pension.

Annual rate of full retirement pension (active members)

61.—(1) This regulation applies when an active member of this scheme becomes entitled to the immediate payment of a full retirement pension.

(2) The annual rate of any description of a full retirement pension payable to the member is calculated by—

- (a) taking the amount of that description of full retirement pension specified in the full retirement account;
- (b) subtracting the early payment reduction (if any) specified in that account in relation to that amount;
- (c) subtracting the commutation amount (if any) specified in that account in relation to that amount; and
- (d) subtracting the total allocation amount (if any) specified in that account in relation to that amount.

(3) The annual rate of any description of full retirement pension is calculated without subtracting the early payment reduction if the member buys out the early payment reduction in relation to that description of full retirement pension.

Annual rate of full retirement pension (deferred members)

62.—(1) This regulation applies when a deferred member of this scheme becomes entitled to the immediate payment of a full retirement pension.

(2) The annual rate of any description of full retirement pension payable to the member is calculated by—

- (a) taking the provisional amount of the relevant description of deferred pension specified in the deferred member's account;
- (b) adding the late payment supplement (if any) specified in that account in relation to that provisional amount;
- (c) subtracting the early payment reduction (if any) specified in that account in relation to that amount;
- (d) subtracting the commutation amount (if any) specified in that account in relation to that amount; and
- (e) subtracting the total allocation amount (if any) specified in that account in relation to that amount.

(3) The annual rate of any description of full retirement pension is calculated without subtracting the early payment reduction if the member buys out the early payment reduction in relation to that description of full retirement pension.

(4) In this regulation, "the relevant description of deferred pension" means—

- (a) for a full retirement standard earned pension, deferred standard earned pension;
- (b) for a full retirement earned pension attributable to an effective pension age option or an enhanced effective pension age option, deferred earned pension attributable to that option;
- (c) for a full retirement club transfer earned pension, deferred club transfer earned pension;
- (d) for a full retirement added (self only) pension, deferred added (self only) pension; and
- (e) for a full retirement added (all beneficiaries) pension, deferred added (all beneficiaries) pension.

Full retirement pension ceases to be payable

63.—(1) A full retirement pension ceases to be payable to a member who re-enters pensionable service under this scheme within 28 days after the last day of the service in relation to which the pension was payable.

(2) If paragraph (1) applies in relation to a member—

- (a) the scheme manager must—
 - (i) cease to pay the pension; and
 - (ii) recover any payment of pension or lump sum made;
- (b) the full retirement account must be closed; and
- (c) the active member's account must be re-established under Part 5 (pension accounts) and treated as if it had never been closed.

CHAPTER 3

Partial retirement benefits

Exercise of partial retirement option

64.—(1) This regulation applies if—

- (a) a person (P) is an active member of this scheme in relation to a continuous period of pensionable service;
- (b) P has reached normal minimum pension age;
- (c) the terms on which P is employed have changed and as a result of that change the annual rate of P's permanent pensionable earnings is reduced to 80% of their amount before the change or less; and

(d) P would be entitled to the immediate payment of a full retirement pension in relation to that period of service if P left pensionable service and claimed payment of the pension.

(2) P may opt to continue in pensionable service but claim payment of the whole or part only of P's accrued pensions for the continuous period of pensionable service before P's pensionable earnings were reduced ("partial retirement option").

(3) P may not exercise a partial retirement option more than once in relation to a description of accrued pension.

Partial retirement option notice

65.—(1) A partial retirement option may only be exercised—

- (a) by notice to the scheme manager in a form required by the scheme manager ("option notice"); and
- (b) in the 3 months after P's pensionable earnings are reduced, on a date agreed by the member and the scheme manager.

(2) An option notice must specify—

- (a) whether P claims payment of—
 - (i) the whole of P's accrued pensions; or
 - (ii) part only of P's accrued pensions; and
- (b) if P claims payment of part only—
 - (i) the descriptions of accrued pension for which payment is claimed; and
 - (ii) the proportion of each description of accrued pension for which payment is claimed ("option proportion"), which must comply with regulation 66.

Option proportion

66.—(1) A partial retirement option which relates to a description of accrued added pension must relate to all of the descriptions of P's accrued added pension.

(2) If P claims payment of accrued standard earned pension P must also claim payment of any of P's accrued added pension.

(3) If P claims payment of P's accrued added pension P must also claim payment of any accrued standard earned pension.

(4) If P claims payment of part only of P's accrued pensions, the following are the option proportions of each description of accrued pension which can be claimed—

- (a) 100% of each of the descriptions of P's accrued pensions for which payment is claimed;
- (b) an option proportion lower than 100% for one description of accrued pension claimed and 100% for each of the other descriptions of P's accrued pension claimed.

(5) For the purposes of paragraph (4)(b), any accrued standard earned pension and accrued added pension claimed is treated together as if it were one description of accrued pension.

Entitlement to partial retirement pension or full retirement pension

67. An active member of this scheme (P) who exercises the partial retirement option is entitled to the immediate payment for life of—

- (a) if P claims payment of part only of P's accrued pensions, a partial retirement pension calculated in accordance with regulation 55; or
- (b) if P claims payment of the whole of P's accrued pensions, a full retirement pension calculated in accordance with regulation 52.

Annual rate of partial retirement pension

68.—(1) This regulation applies if an active member of this scheme (P) exercises the partial retirement option in respect of part only of P’s accrued pensions.

(2) The annual rate of each description of partial retirement pension is calculated under regulation 61 by reference to the amount of each description of full retirement pension specified in the full retirement account.

(3) Regulation 61 applies as if—

- (a) the reference to a full retirement pension were a reference to a partial retirement pension; and
- (b) the reference to the full retirement account were a reference to the partial retirement account.

Annual rate of full retirement pension

69.—(1) This regulation applies if an active member of this scheme (P) exercises the partial retirement option in respect of the whole of P’s accrued pensions.

(2) The annual rate of each description of full retirement pension is calculated under regulation 61 by reference to the amount of that description of full retirement pension specified in the full retirement account.

(3) Regulation 61 applies as if the last day of pensionable service were the day before the day on which the member exercised the partial retirement option.

CHAPTER 4

Ill-health benefits

Meaning of “permanent breakdown in health”

70. For the purpose of these Regulations, a member’s breakdown in health is “permanent” if the scheme medical adviser is of the opinion that the breakdown will continue until the member reaches prospective normal pension age.

Meaning of “incapacity for employment” and “total incapacity for employment”

71. For the purpose of these Regulations—

- (a) a member’s breakdown in health involves “incapacity for employment” if the scheme medical adviser is of the opinion that, as a result of the breakdown, the member is incapable of doing the member’s own or a comparable job; and
- (b) a member’s breakdown in health involves “total incapacity for employment” if the scheme medical adviser is of the opinion that, as a result of the breakdown—
 - (i) the member is incapable of doing the member’s own or a comparable job; and
 - (ii) the member is incapable of gainful employment.

Meaning of “lower tier payment threshold”

72. An active member of this scheme meets the lower tier threshold for payment of an ill-health pension (“lower tier payment threshold”) if—

- (a) the member’s breakdown in health involves incapacity for employment; or
- (b) the member is partially retired, the member’s breakdown in health involves total incapacity for employment.

Meaning of “upper tier payment threshold”

73. An active member of this scheme meets the upper tier threshold for payment of an ill-health pension (“upper tier payment threshold”) if—

- (a) the member is not partially retired; and
- (b) the member’s breakdown in health involves total incapacity for employment.

Entitlement to ill-health pension

74.—(1) An active member of this scheme who has not reached normal pension age under this scheme is entitled to the immediate payment of an ill-health pension under this scheme, in accordance with the provisions of this Chapter, if the conditions in paragraph (2) are met.

(2) The conditions are—

- (a) the member or the member’s employer has claimed payment of an ill-health pension;
- (b) the scheme medical adviser—
 - (i) is of the opinion that the member has suffered a permanent breakdown in health involving incapacity for employment or total incapacity for employment; and
 - (ii) gives the scheme manager and the employer a certificate stating that opinion (“ill-health retirement certificate”);
- (c) the member has at least 2 years’ qualifying service; and
- (d) the employer agrees that the member is entitled to retire on ill-health grounds.

(3) If the member meets the lower tier payment threshold, a lower tier earned pension is payable in respect of the member’s continuous period of pensionable service.

(4) If the member meets the upper tier payment threshold—

- (a) a lower tier earned pension is payable in respect of the member’s continuous period of pensionable service; and
- (b) an upper tier top up earned pension is payable in respect of the period that begins when the member becomes entitled to the immediate payment of an ill-health pension and ends when the member reaches prospective normal pension age.

(5) A full retirement added pension of any description is payable with a lower tier earned pension if the full retirement account specifies an amount of full retirement added pension of that description.

Provisional award of ill-health pension

75.—(1) This regulation applies if the scheme medical adviser is unable to form an opinion on the following matters—

- (a) whether a member (P) has suffered a permanent breakdown in health involving incapacity for employment or total incapacity for employment;
- (b) whether P’s breakdown in health involves—
 - (i) incapacity for employment; or
 - (ii) total incapacity for employment.

(2) The scheme medical adviser may recommend that—

- (a) for a period specified in the recommendation (being a period of not more than 5 years), P is taken to have suffered a permanent breakdown in health involving whichever of the following is specified in the recommendation—
 - (i) incapacity for employment; or
 - (ii) total incapacity for employment; and
- (b) P’s case should be reviewed by the scheme medical adviser at the end of the period specified in the recommendation.

- (3) If the scheme manager agrees to the recommendation—
- (a) the scheme manager must determine if P meets the lower tier payment threshold or the upper tier payment threshold; and
 - (b) P is entitled to the immediate payment of—
 - (i) an ill-health pension in accordance with regulation 74; and
 - (ii) any full retirement added pension payable with it.
- (4) At the end of the period specified in the recommendation—
- (a) the scheme medical adviser must give the scheme manager an opinion on the matter to which the recommendation related; and
 - (b) regulation 74 applies to P accordingly, subject to paragraph (5).
- (5) If as a result of the opinion P ceases to be entitled to payment of a lower tier earned pension, an upper tier top up earned pension or a full retirement added pension, that pension continues to be payable for a period of 3 months beginning with the date of the opinion.

Annual rate of ill-health pension

- 76.**—(1) The annual rate of ill-health pension is calculated as follows—
- (a) the annual rate of lower tier earned pension is calculated in the same way as the annual rate of full retirement earned pension^(a) is calculated under regulation 61, but without subtracting the early payment reduction;
 - (b) the annual rate of upper tier top up earned pension is calculated in the same way as the annual rate of full retirement earned pension is calculated under regulation 61, but—
 - (i) the references to the member’s full retirement earned pension are taken to be references to the enhancement fraction of the earnings-related part of that pension; and
 - (ii) the early payment reduction is not subtracted.
- (2) The annual rate of any full retirement added pension payable with a lower tier earned pension is calculated in the same way as it is calculated under regulation 61, but without subtracting the early payment reduction.

(3) In this regulation—

“the earnings-related part”, in relation to the member’s full retirement earned pension, means the proportion of that pension not attributable to an amount of transferred pension;

“the enhancement fraction” is—

$$\frac{A}{B}$$

where—

A is the member’s assumed period of pensionable service (expressed in years); and

B is the shorter of—

- (a) the member’s period of service (expressed in years); and
- (b) the number of scheme years in relation to which an amount of earned pension was specified in the active member’s account;

“the member’s assumed period of pensionable service” means the period (expressed in years)—

- (c) beginning with the day after the member’s period of service ceased; and

(a) Regulation 35 provides for the calculation of an amount of accrued earned pension. This amount forms the basis for determining the amount of full retirement earned pension under regulation 52. The annual rate of full retirement earned pension in relation to active members is calculated under regulation 61.

- (d) ending with—
 - (i) for a member employed for a fixed term, the day with which that term ends; or
 - (ii) for a member otherwise employed, the day before the day on which the member will reach prospective normal pension age (assuming that the member lives until that age); and

“period of service” means a continuous period of pensionable service under this scheme.

Periodical review of entitlement to upper tier top up earned pension

77.—(1) This regulation applies in relation to a member of this scheme (P) who meets the upper tier payment threshold.

- (2) The scheme medical adviser—
 - (a) must periodically review whether, as a result of P’s breakdown in health, P remains incapable of gainful employment; and
 - (b) after carrying out a review, must give an opinion on that matter to the scheme manager.
- (3) A review must be carried out—
 - (a) at any time the scheme manager directs; and
 - (b) in any event—
 - (i) before the fifth anniversary of the day on which P became entitled to the pension; and
 - (ii) subsequently at intervals not exceeding 5 years.
- (4) A review is not required after the member reaches normal pension age under this scheme.
- (5) P ceases to be entitled to an upper tier top up earned pension—
 - (a) at the end of the period of 3 months beginning with the date on which the scheme medical adviser, after carrying out a review, gives an opinion that P is no longer incapable of gainful employment; or
 - (b) if earlier, the day on which P returns to service in a scheme employment.

Deferment of accrued earned pension attributable to a transfer payment

- 78.**—(1) This regulation applies in relation to a member of this scheme—
- (a) who is entitled to an ill-health pension; and
 - (b) whose active member’s account as at the end of the last day of pensionable service specifies an amount of accrued earned pension attributable in whole or in part to a transfer payment received by this scheme in relation to the member in the 24 months before that last day.
- (2) If the scheme manager so directs, the member becomes a deferred member of this scheme in respect of that amount of accrued earned pension and accordingly—
- (a) a deferred member’s account must be established under Part 5 (pension accounts);
 - (b) that amount of accrued earned pension must be specified in the deferred member’s account as the provisional amount of deferred earned pension; and
 - (c) that amount of accrued earned pension is not included in the calculation of the annual rate of full retirement earned pension.

Deferment of added pension attributable to recent payments

- 79.**—(1) This regulation applies in relation to a member of this scheme—
- (a) who is entitled to payment of an ill-health pension; and
 - (b) whose active member’s account as at the end of the last day of pensionable service specifies an amount of accrued added pension that is attributable in whole or in part to a

lump sum payment for added pension made under Schedule 1 within the 12 months before the relevant day.

(2) The member becomes a deferred member of this scheme in respect of that amount of accrued added pension and accordingly—

- (a) a deferred member's account must be established under Part 5 (pension accounts);
- (b) that amount of accrued added pension must be specified in the deferred member's account as the provisional amount of the relevant description of deferred added pension; and
- (c) that amount of accrued added pension is not included in the calculation of the annual rate of full retirement added pension payable with the lower tier earned pension.

(3) In paragraph (1), “the relevant day” means—

- (a) the day on which the member's employer first asked the scheme medical adviser for the opinion mentioned in regulation 74(2)(b) by virtue of which the member is entitled to payment of the ill-health pension; or
- (b) if the member was on sick leave on that day and did not return to service from that leave, the day on which that leave began.

CHAPTER 5

Payment options

Options under this Chapter

80. The options under this Chapter are—

- (a) the option under regulation 82 to buy out the early payment reduction;
- (b) the option under regulation 83 to defer payment of a full retirement added pension;
- (c) the option under regulation 84 (option to commute part of pension) to exchange part of a retirement pension for a lump sum;
- (d) the option under regulation 85 to exchange the whole of the member's accrued pensions for a lump sum.

Exercising an option under this Chapter

81.—(1) A member may exercise an option under this Chapter by notice to the scheme manager in any form the scheme manager requires.

(2) In this Chapter, “option notice” means a notice by which a member exercises an option under this Chapter.

Option to buy out early payment reduction

82.—(1) This regulation applies if—

- (a) a member of this scheme becomes entitled under Chapter 2 or 3 to the immediate payment of a full retirement pension or a partial retirement pension; and
- (b) the member has not reached—
 - (i) normal pension age under this scheme; or
 - (ii) if applicable, the member's effective pension age or enhanced effective pension age.

(2) The member may opt under this regulation to buy out the early payment reduction that would otherwise apply to the calculation of the annual rate of retirement pension.

(3) The cost must be met by way of a special payment to this scheme made by—

- (a) the member;
- (b) the member's employer (“the employer”); or

- (c) both the member and the employer.
- (4) The employer may make a special payment using a lump sum payable to the member under a compensation scheme.
- (5) Any special payment by the employer must be made—
 - (a) in accordance with the compensation scheme; or
 - (b) with the consent of the Minister.
- (6) If the employer makes a special payment under paragraph (5)(a)—
 - (a) the lump sum payable to the member under the compensation scheme is reduced by the amount of the special payment; and
 - (b) if the amount of the special payment is more than the whole of the lump sum payable to the member under the compensation scheme, any difference is not chargeable to the member.
- (7) The cost of buying out the early payment reduction is an amount determined by the scheme manager after consulting the scheme actuary.

Option to defer payment of added pension

- 83.**—(1) This regulation applies if a member of this scheme—
- (a) becomes entitled to the immediate payment of a full retirement added pension of any description; and
 - (b) has not reached normal pension age under this scheme.
- (2) The member may opt under this regulation to defer payment of the full retirement added pension of that description.
- (3) A member who exercises the option under this regulation becomes a deferred member of this scheme in respect of the full retirement added pension of that description and accordingly—
- (a) a deferred member’s account must be established under Part 5 (pension accounts); and
 - (b) the amount of full retirement added pension of that description must be specified in the deferred member’s account as the provisional amount of deferred added pension of that description.
- (4) The member is entitled to payment of the full retirement added pension of that description when the member gives notice to the scheme manager, in any form the scheme manager requires, that the member wishes to take that full retirement added pension.
- (5) The annual rate of full retirement added pension is calculated in accordance with regulation 62.

Option to commute part of pension

- 84.**—(1) A member who becomes entitled to the immediate payment of a retirement pension under this scheme may opt under this regulation to exchange part of the pension for a lump sum.
- (2) An option under this regulation may only be exercised before the first payment of the pension is made.
- (3) If a member exercises the option, for every £1 by which the amount of the member’s annual rate of pension is reduced, the member must be paid a lump sum of £12.
- (4) A member may not exchange pension for lump sum under this regulation to the extent that it would result in a scheme chargeable payment for the purposes of Part 4 (pension schemes etc.) of FA 2004 (see section 241 of that Act(a)).

(a) Section 241 was amended by the Finance Act 2006 (c.25) Schedule 21 paragraphs 2 and 9, the Finance Act 2007 (c.11) Schedule 19 paragraphs 1 and 15 and the Finance Act 2011 (c.11) Schedule 16 paragraphs 62 and 74.

(5) If paragraph (6) applies, the member may opt to exchange only so much of the pension (after subtracting the allocation amount, if any) that exceeds the guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the scheme actuary.

(6) This paragraph applies if the member has a guaranteed minimum under section 14 (earner's guaranteed minimum) of PSA 1993(a) in relation to the whole or part of a pension as a result of the receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum.

Option to commute whole of member's accrued pensions (serious ill-health)

85.—(1) This regulation applies in relation to an active member or deferred member of this scheme whom the scheme medical adviser certifies has a life-expectancy of less than 12 months.

(2) The member may opt under this regulation to exchange the whole of the member's accrued pensions for a lump sum.

(3) An option under this regulation ("this option") may only be exercised before the first payment of the pension is made.

(4) The lump sum payable to the member is an amount equal to—

$$(A + B + C) \times 5$$

where—

A means the total annual amount of full retirement pension;

B means the total annual amount of partial retirement pension; and

C means the total annual amount of ill-health pension.

(5) For the purpose of paragraph (4), "total annual amount" means—

(a) in relation to a full retirement pension or partial retirement pension to which the member would be entitled apart from this option, the sum of—

(i) the annual rate of pension to which the member would be entitled apart from this option, calculated as at the date the option is exercised, but without subtracting the early payment reduction (if any); and

(ii) the amount of increase (if any) in the annual rate of that pension under PIA 1971 calculated as at that date; and

(b) in relation to an ill-health pension, the sum of—

(i) the annual rate of pension to which the member would be entitled apart from this option, calculated as at the date when payment would first be due, but without subtracting the early payment reduction (if any); and

(ii) the amount of increase (if any) in the annual rate of that pension under PIA 1971 calculated as at that date.

(6) The lump sum must be paid to the member as soon as is reasonably practicable after this option is exercised.

(a) Section 14 was amended by the Pensions Act 1995 (c. 26) Schedule 5 paragraph 27 and Schedule 7 Part 3, the Social Security Contributions (Transfer of Functions etc.) Act 1999 (c. 2) Schedule 1 paragraph 38 and the Proceeds of Crime Act 2002 (c. 29) Schedule 11 paragraphs 1 and 22.

CHAPTER 6

Allocation of part of pension

Allocation election

86.—(1) This regulation applies in relation to a full retirement earned pension or a partial retirement earned pension payable in respect of a member's pensionable service under this scheme.

(2) The member may elect to allocate part of the retirement pension to a beneficiary ("allocation election").

(3) The beneficiary of an allocation election must be a person who, when the allocation election is made, is—

- (a) the member's spouse or civil partner;
- (b) financially wholly or mainly dependent on the member; or
- (c) financially interdependent with the member.

(4) If the member wishes to allocate pension to more than one beneficiary, the member must make a separate allocation election in respect of each beneficiary.

(5) If paragraph (6) applies, the member may elect to allocate only so much of the pension (after subtracting the commutation amount, if any) that exceeds the guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the scheme actuary.

(6) This paragraph applies if the member has a guaranteed minimum under section 14 (earner's guaranteed minimum) of PSA 1993 in relation to the whole or part of a pension as a result of receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum.

Restriction on total amount of pension that may be allocated

87.—(1) The sum of the following must not exceed an amount equal to the annual rate of retirement pension that would be payable to the member (P)—

- (a) the total amount of retirement pension allocated under this regulation ("total allocation amount"); and
- (b) the annual rate of surviving adult's pension that would be payable on P's death.

(2) In determining whether the restriction in paragraph (1) is met, it is assumed that—

- (a) P will have become a pensioner member before P's death;
- (b) P will exercise the commutation option so as to exchange for a lump sum the maximum amount possible of the whole of P's accrued pensions;
- (c) P's spouse or civil partner status will not change before P dies;
- (d) all of P's beneficiaries will survive P; and
- (e) any beneficiary who would have been P's dependant for the purposes of paragraph 15(2) or (3) of Schedule 28 (registered pension schemes: authorised pensions – supplementary) to FA 2004^(a) will be such a dependant when P dies.

(3) If at the time an allocation election is made it would result in the restriction in paragraph (1) not being met, the scheme manager may treat the election (or each of the elections) as allocating a smaller amount that would result in the election (or the elections taken together) complying.

(a) Paragraph 15(3) was amended by S.I. 2005/3229.

Making an allocation election

88.—(1) If requested by a member (P), the scheme manager must advise P of the last day on which P may make an allocation election.

(2) An allocation election may only be made—

- (a) by notice to the scheme manager in a form required by the scheme manager; and
- (b) before the election closing date.

(3) An allocation election must—

- (a) specify the amount of retirement pension to be allocated;
- (b) name the beneficiary;
- (c) be accompanied by a declaration in a form required by the scheme manager stating that—
 - (i) P is in good health; and
 - (ii) the beneficiary is a person who meets the conditions set out in regulation 86(3); and
- (d) be accompanied by a certificate from the scheme medical adviser giving the opinion that P is in good health.

(4) Before the election closing date, the member may, by notice to the scheme manager in a form required by the scheme manager—

- (a) revoke the election; or
- (b) amend the election by altering the amount of retirement pension to be allocated.

(5) Unless paragraph (6) or (7) applies, the election takes effect on the election closing date.

(6) An allocation election has no effect unless the scheme manager is satisfied that when P made the election the matters stated in the declaration were true.

(7) An allocation election has no effect if P or the beneficiary dies before the election closing date.

(8) In this regulation, “election closing date” means the earlier of—

- (a) the date advised by the scheme manager under paragraph (1); or
- (b) the day before the pension becomes payable.

Effect of allocation election

89.—(1) If an allocation election takes effect—

- (a) the member’s pension is reduced accordingly (and this reduction applies even if the beneficiary predeceases the member); and
- (b) if the beneficiary survives the member, on the member’s death the beneficiary becomes entitled to the payment of a pension for life (“allocated pension”) of an amount determined by the scheme manager, after consultation with the scheme actuary, having regard to—
 - (i) the amount of retirement pension allocated under the election, and
 - (ii) the beneficiary’s age and gender.

(2) The scheme manager may withhold payment from the beneficiary if—

- (a) the member dies before the end of the period of 2 years beginning with the date on which the election takes effect; and
- (b) the scheme manager is satisfied that the member made a false declaration about the member’s state of health when making the election.

(3) An allocation election in relation to a retirement pension has no effect if it would result in an allocated pension being paid—

- (a) on the member becoming entitled to the retirement pension, to a person who is not—
 - (i) the member’s spouse or civil partner;

- (ii) financially wholly or mainly dependent on P; or
- (iii) financially interdependent with P;
- (b) on the death of the member, to a person who is not—
 - (i) the member’s surviving adult; or
 - (ii) a dependant of the member for the purposes of paragraph 15(2) or (3) of Schedule 28 (registered pension schemes: authorised pensions – supplementary) to FA 2004.

Adjustment of allocated benefit (members who have reached the age of 75)

90. The amount of allocated pension payable to the beneficiary of an allocation election may be adjusted in a manner determined by the scheme manager if—

- (a) the member who made the allocation dies after reaching the age of 75; and
- (b) on the death of the member, the amount of allocated pension payable to the beneficiary does not qualify as a dependants’ scheme pension under section 167 (the pension death benefit rules) of FA 2004(a).

(2) In this regulation, “allocated pension” has the meaning given in regulation 89(1)(b).

PART 7

Benefits for pension credit members

Entitlement to pension credit member’s pension

91. A pension credit member (P) of this scheme is entitled to the immediate payment for life of a pension credit member’s pension under this scheme if—

- (a) P has reached normal pension age under this scheme;
- (b) the pension sharing order under which P is entitled to the pension credit has taken effect; and
- (c) P has claimed payment of the pension.

Claim for early payment

92.—(1) This regulation applies in relation to a pension credit member (P) who—

- (a) has reached normal minimum pension age; and
- (b) has not reached normal pension age under this scheme.

(2) P may claim early payment of a pension credit member’s pension by notice to the scheme manager in a form required by the scheme manager.

(3) A claim for early payment—

- (a) must state whether P has opted to buy out the early payment reduction under regulation 94; and
- (b) must specify the date on which payment of the pension is claimed (“the claim date”).

(4) P is entitled to the immediate payment for life of a pension credit member’s pension on the claim date if the scheme manager is satisfied that on that date the requirements of regulation 7(5) of the Pension Sharing (Pension Credit Benefit) Regulations 2000(b) are met.

(a) Section 167 was amended by the Finance Act 2007 (c. 11) Schedule 20 paragraph 22 and the Finance Act 2011 (c. 11) Schedule 16 paragraph 11. See also Part 2 of Schedule 28 to that Act for the meaning of expressions used in section 167.
 (b) S.I. 2000/1054.

Annual rate of pension credit member's pension

93.—(1) The annual rate of a pension credit member's pension is calculated by—

- (a) taking the amount of credited pension specified in the pension credit member's account;
- (b) subtracting the early payment reduction (if any) specified in that account in relation to that amount; and
- (c) subtracting the commutation amount (if any) specified in that account in relation to that amount.

(2) If a member buys out the early payment reduction^(a), the annual rate of pension is calculated without subtracting the early payment reduction.

Option to buy out early payment reduction

94.—(1) A pension credit member who claims early payment of a pension credit member's pension may opt to buy out the early payment reduction.

(2) The option may only be exercised by notice to the scheme manager in a form required by the scheme manager.

(3) The scheme manager must prepare tables setting out the cost of buying out the early payment reduction, after consulting the scheme actuary.

(4) The member must meet the cost by making a payment to this scheme calculated in accordance with the tables prepared in accordance with paragraph (3).

Reduction in pension debit member's benefits

95. The benefits to which a pension debit member is entitled under this Part are subject to the reduction to be made under section 31 (reduction of benefit) of WRPA 1999.

Pension credit member's rights

96.—(1) If regulation 7(5) of the Pension Sharing (Pension Credit Benefit) Regulations 2000 applies, the scheme manager must be reasonably satisfied that the requirements of that regulation have been met.

(2) Benefits that are attributable (directly or indirectly) to a pension credit may not be aggregated with any other benefit to which a pension credit member is entitled under this scheme.

(3) If a pension credit member is a dual capacity member, the benefits that are payable to or in respect of the member in each of the member's capacities are treated separately for the purposes of these regulations.

Option for pension credit member to commute part of pension

97.—(1) A pension credit member who becomes entitled to payment of a pension credit member's pension under this scheme may opt to exchange part of the pension for a lump sum.

(2) The option under this regulation may only be exercised—

- (a) by notice to the scheme manager in a form required by the scheme manager; and
- (b) before the first payment of the pension is made.

(3) If a pension credit member exercises the option under this regulation, for every £1 by which the amount of the member's annual rate of pension is reduced, the member must be paid a lump sum of £12.

(a) Regulation 94 provides for the option to buy out early payment reduction.

(4) A pension credit member may not exchange pension for lump sum under this regulation to the extent that it would result in a scheme chargeable payment for the purposes of Part 4 (pension schemes etc.) of FA 2004 (see section 241 of that Act).

(5) This regulation does not apply if the pension debit member from whose rights the pension is derived received a lump sum under Part 6 (retirement benefits) before the date on which the pension sharing order takes effect.

Option for pension credit member to commute whole pension (serious ill-health)

98.—(1) This regulation applies in relation to a pension credit member whom the scheme medical adviser certifies has a life-expectancy of less than 12 months.

(2) The pension credit member may opt to exchange the whole of the pension credit member’s pension under this scheme for a lump sum.

(3) The option under this regulation (“this option”) may only be exercised—

- (a) by notice to the scheme manager in a form required by the scheme manager; and
- (b) before the first payment of the pension is made.

(4) The lump sum—

- (a) is an amount equal to the total annual amount of the pension credit member’s pension, multiplied by 5; and
- (b) must be paid to the pension credit member as soon as is reasonably practicable after this option is exercised.

(5) In this regulation, “total annual amount” in relation to a pension credit member’s pension means the total of—

- (a) the annual rate of pension to which the member would be entitled apart from this option, calculated as at the date this option is exercised, but without subtracting the early payment reduction (if any); and
- (b) the amount of increase (if any) in the annual rate of that pension under PIA 1971 calculated as at that date.

Application of Part to pension adjustment orders

99.—(1) Where a pension adjustment order is made in respect of benefits under this scheme, this Part applies with any modifications the scheme manager considers necessary to give effect to that order.

(2) In this regulation, a “pension adjustment order” means an order made under section 12 of the Irish Family Law Act 1995(a).

- (a) for a pension that would otherwise be payable to the surviving spouse, the member and the surviving spouse were married less than 6 months before the member's death;
- (b) for a pension that would otherwise be payable to a surviving civil partner, the civil partnership was formed less than 6 months before the member's death.

(5) Paragraph (4) is subject to regulation 120 (guaranteed minimum pensions for surviving spouses and civil partners).

Annual rate of surviving adult's pensions payable on death of pensioner member

108.—(1) This regulation applies on the death of a pensioner member of this scheme (P).

(2) The annual rate of a dependant's earned pension is an amount equal to 37.5% of the sum of—

(4) The annual rate of a dependant's upper tier top up earned pension is an amount equal to 37.5% of the amount of the notional annual rate of P's upper tier top up earned pension, calculated without subtracting the commutation amount (if any) and the total allocation amount (if any).

- (b) 10;

Y is the lower of—

- (c) the number of years for which the member has been an active member of this scheme; and

“the member's assumed period of pensionable service” means the period (expressed in years)—

- (e) beginning with the day after the member's last day of pensionable service; and
- (f) ending with—
 - (i) for a member employed for a fixed term, the day with which that term would have ended; and

“notional annual rate”, in relation to P's upper tier top up earned pension, is the lesser of the following amounts—

- (g) the amount of the annual rate of P's upper tier top up earned pension; and
- (h) the amount of P's full retirement earned pension or partial retirement earned pension.

(7) In working out the amount of full retirement earned pension or partial retirement earned pension for the purpose of the definition in paragraph (6) of “notional annual rate” —

(a) An active member's account is closed under regulation 45 when a full retirement pension becomes payable.

Annual rate of surviving adult's pensions payable on death of deferred member

109.—(1) This regulation applies on the death of a deferred member of this scheme.

(2) The annual rate of a dependant's earned pension is an amount equal to 37.5% of the sum of the provisional amount of deferred earned pension specified in the deferred member's account.

(3) The annual rate of a dependant's added pension is an amount equal to 37.5% of the provisional amount of deferred added (all beneficiaries) pension specified in the deferred member's account.

Annual rate of surviving adult's pensions payable on death of active member (death in service)

110.—(1) This regulation applies on the death of an active member of this scheme, in relation to a continuous period of pensionable service of at least 12 months.

(2) If the member was a transition member with continuity of service, the continuous period of pensionable service mentioned in paragraph (1) includes the member's period of pensionable service under the PCSPS before the closing date.

(3) The annual rate of a dependant's earned pension is an amount equal to 37.5% of the amount of full retirement earned pension that would have been specified in the member's full retirement account under regulation 52(2) had P become entitled to the immediate payment of a full retirement pension on the date of P's death.

(4) The annual rate of a dependant's added pension is an amount equal to 37.5% of the amount of full retirement added (all beneficiaries) pension that would have been specified in the member's full retirement account under regulation 52(2) had P become entitled to the immediate payment of a full retirement pension on the date of P's death.

(5) When calculating the amount of a member's full retirement earned pension (except in relation to a member who at the date of the member's death was entitled under regulation 67(a) to the immediate payment of a partial retirement pension)—

 - (ii) for a member otherwise employed, the day before the day on which the member would have reached prospective normal pension age if the member had lived until that age.

Reduction in pensions in cases of wide age disparity

111.—(1) This regulation applies if, on the death of a member of this scheme, a surviving adult's pension is payable to a person (“the dependant”) who is more than 12 years younger than the member.

(2) The annual rate of the surviving adult's pension is reduced by the lower of—

- (a) 50% of the amount of the annual rate of the pension calculated under regulation 108, 109 or 110, as applicable; and
- (b) $2.5 \times (N - 12)\%$ of the amount of the annual rate of the pension so calculated,

where N is the number of whole years by which the dependant is younger than the member.

CHAPTER 2

Pensions for eligible children

Meaning of “eligible child's pension”

112. In these Regulations, “eligible child's pension” means any of the following pensions payable under this Part—

- (a) a child's earned pension;
- (b) a child's lower tier earned pension;
- (c) a child's upper tier top up earned pension;
- (d) a child's added pension.

Meaning of “eligible child”

113.—(1) In these Regulations, “eligible child”, in relation to a deceased member of this scheme, means—

- (a) a natural child of the member where—
 - (i) the child meets any of conditions A to C; and
 - (ii) at the date of the members' death the child was born or the child's mother was pregnant with the child;
- (b) an adopted child of the member who meets any of conditions A to C; or
- (c) any other child or young person who—
 - (i) meets any of conditions A to C; and
 - (ii) in the opinion of the scheme manager, was financially dependent on the member as at the date of the member's death.

(2) Condition A is that the person is under the age of 18.

(3) Condition B is that the person is in full-time education or vocational training and is under the age of 23.

(4) Condition C is that in the opinion of the scheme manager the person is unable to engage in gainful employment because of physical or mental impairment and either—

- (a) the person is under the age of 23; or
- (b) that impairment is in the opinion of the scheme medical adviser likely to be permanent and the person is dependent on the member as at the date of the member's death because of physical or mental impairment.

(5) For the purpose of Condition B, a person who is under the age of 19 on the date on which the person stops full-time education or vocational training is taken to be in full-time education until the first of the following dates after the person stops full-time education or vocational training—

- (a) the second Monday in January;
- (b) the second Monday after Easter Monday;
- (c) the second Monday in September;
- (d) the date on which the person becomes engaged full-time in gainful employment;
- (e) the person's 19th birthday.

(6) For the purpose of Condition B, a person who is under the age of 22 at the date of the member's death is taken to be in full-time education or vocational training if the person has temporarily stopped full-time education or vocational training for a period of up to 15 months ("gap period").

(7) An eligible child's pension is not payable to a person during a gap period.

Eligible child's pension

114.—(1) This regulation applies if a member of this scheme dies leaving an eligible child.

(2) An eligible child's pension is only payable in respect of such period or periods during which a child or young person is an eligible child.

(3) An eligible child's pension is not payable in respect of any period before a child's birth.

(4) An eligible child's pension is payable in respect of an eligible child as follows—

- (a) a child's earned pension is payable if the member was entitled to the immediate payment of a full retirement pension as at the date of the member's death or the member would have become entitled to such a pension had the member not died;
- (b) a child's lower tier earned pension is payable if a lower tier earned pension was payable to the member as at the date of the member's death;
- (c) a child's upper tier top up earned pension is payable if an upper tier top up earned pension was payable to the member as at the date of the member's death;
- (d) a child's added pension is payable if the member was entitled to the immediate payment of an added (all beneficiaries) pension as at the date of the member's death or would have become entitled to such a pension had the member not died.

Annual rate of eligible child's pension

115.—(1) The annual rate of an eligible child's pension is determined by reference to the annual rate of the corresponding surviving adult's pension (disregarding any reduction falling to be made under regulation 111) whether or not a surviving adult's pension is payable on the death of the member.

(2) For the purposes of this regulation, the corresponding surviving adult's pensions are—

- (a) for a child's earned pension, a dependant's earned pension;
- (b) for a child's lower tier earned pension, a dependant's lower tier earned pension;

- (c) for a child's upper tier top up earned pension, a dependant's upper tier top up earned pension; and
 - (d) for a child's added pension, a dependant's added pension.
- (3) If a surviving adult's pension is payable on the death of the member—
- (a) if an eligible child's pension is payable in respect of only one eligible child, the annual rate of eligible child's pension is equal to 80% of the annual rate of the corresponding surviving adult's pension; and
 - (b) if an eligible child's pension is payable in respect of 2 or more eligible children, the annual rate of eligible child's pension payable to each eligible child is equal to the appropriate fraction of 80% of the annual rate of the corresponding surviving adult's pension.
- (4) If a surviving adult's pension is not payable on the death of the member—
- (a) if an eligible child's pension is payable in respect of only one eligible child, the annual rate of eligible child's pension is equal to the annual rate of the corresponding surviving adult's pension multiplied by 4 and divided by 3; and
 - (b) if an eligible child's pension is payable in respect of 2 or more eligible children, the annual rate of eligible child's pension payable to each eligible child is equal to the appropriate fraction of the annual rate of the corresponding surviving adult's pension multiplied by 4 and divided by 3.
- (5) In this regulation, "the appropriate fraction" means $\frac{2}{Y}$ where—

Y is the number of eligible children in respect of whom an eligible child's pension is payable immediately after the date of the member's death.

CHAPTER 3

Payment of pensions for surviving adults and eligible children

Payment of pensions under this Part

116.—(1) A surviving adult's pension or eligible child's pension is payable from the day after the date of the member's death.

(2) Unless the scheme manager directs otherwise, an eligible child's pension payable in respect of an eligible child aged under 18 must be paid—

- (a) if the child is in the care of the member's surviving adult, to the surviving adult; and
- (b) in any other case, to the child's guardian.

Suspension and recovery of pensions paid under this Part

117.—(1) This regulation applies if—

- (a) on a member's death a pension has been awarded and paid under this Part; and
- (b) it later appears to the scheme manager that the member or the person to whom the pension has been paid made a false declaration or deliberately suppressed a material fact in connection with the award.

(2) The scheme manager may—

- (a) cease paying the pension; and
- (b) recover any payment made under the award.

(3) Paragraph (2) does not affect any right the scheme manager has to recover a payment or an overpayment.

Provisional awards of eligible child's pensions: later adjustments

118.—(1) This regulation applies where—

- (a) an active member, deferred member or pensioner member of this scheme has died;
- (b) a pension is paid in respect of one or more persons under this Part on the basis that they were eligible children as at the date of the member's death and that there were then no other eligible children; and
- (c) it later appears that—
 - (i) a person in respect of whom such a pension has been paid was not an eligible child on the date of death;
 - (ii) on that date a further person was an eligible child; or
 - (iii) a child who was born after the member's death is an eligible child.

(2) The scheme manager may adjust the amount of pension payable in respect of each eligible child to take account of the matters referred to in paragraph 1(c), as applicable.

(3) Paragraph (2) does not affect any right the scheme manager has to recover a payment or an overpayment.

Adjustment of benefits to comply with FA 2004 where members die over 75

119.—(1) This regulation applies if—

- (a) a member of this scheme dies after reaching the age of 75; and
- (b) apart from this regulation, any part of a pension to which any person becomes entitled under this Part on the death would not qualify as a dependants' scheme pension for the purposes of section 167 (the pension death benefit rules) of FA 2004.

(2) The benefit payable to the person may be adjusted in any way as determined by the scheme manager so that it qualifies as a dependants' scheme pension for the purposes of section 167 of FA 2004.

Guaranteed minimum pensions for surviving spouses and civil partners

120.—(1) If a person who is the surviving spouse or civil partner of a deceased active, deferred or pensioner member has a guaranteed minimum under section 17(a) of PSA 1993 in relation to benefits in respect of the deceased member under this scheme—

- (a) nothing in these regulations permits or requires anything that would cause requirements made by or under that Act in relation to such a person and such a person's rights under a scheme not to be met in the case of the person;
- (b) nothing in these regulations prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of the person.

(2) Paragraphs (3) and (4) are without prejudice to the generality of paragraph (1).

(3) This paragraph applies if apart from this regulation—

- (a) no pension would be payable to the surviving spouse or civil partner under this Part; or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum.

(4) If paragraph (3) applies—

- (a) a pension the weekly rate of which is equal to the guaranteed minimum is payable to the surviving spouse or civil partner for life or, as the case may be, pensions the aggregate weekly rate of which is equal to the guaranteed minimum are so payable; or

(a) Section 17 was amended by the Social Security Contributions (Transfer of Functions, etc.) Act 1999 (c. 2) Schedule 1 paragraph 39; the Child Support, Pensions and Social Security Act 2000 (c. 19) Schedule 5 paragraph 1 and Schedule 9 Part 3; the Pensions Act 2004 (c. 35) section 284(2); the Pensions Act 2007 (c. 22) section 14(2); the Marriage (Same Sex Couples) Act 2013 (c. 30) Schedule 4 paragraphs 18 and 20; and S.I. 2005/2050 and 2014/560.

- (b) if paragraph (3)(b) applies, the pensions payable are increased to the amount specified in sub-paragraph (a).
- (5) Paragraph (4) does not apply to a pension that is forfeited—
 - (a) as a result of a conviction for treason; or
 - (b) under regulation 165, in a case where the relevant offence within the meaning of regulation 165 is an offence under the Official Secrets Acts 1911 to 1989(a).

CHAPTER 4

Payment of lump sum death benefits

Payment of lump sum death benefit

- 121.**—(1) A lump sum death benefit is payable where—
- (a) an active, deferred or pensioner member of this scheme dies; or
 - (b) a pension credit member of this scheme dies before any benefits attributable (directly or indirectly) to a pension credit become payable.
- (2) But a lump sum death benefit is not payable where—
- (a) a pensioner member who is not also an active member dies more than 5 years after the member’s full retirement pension or ill-health pension becomes payable; or
 - (b) a member who dies had reached the age of 75.
- (3) The lump sum death benefit must be paid within the period of 2 years beginning with the earlier of—
- (a) the day on which the scheme manager first knew of the member’s death; and
 - (b) the day on which the scheme manager could reasonably be expected to have known of the member’s death.
- (4) The scheme manager may decide not to pay a lump sum death benefit if it is impracticable to pay it.

Nominations for lump sum death benefits

- 122.**—(1) A member of this scheme may nominate a person or persons to receive a lump sum death benefit.
- (2) The member may nominate—
- (a) one or more individuals;
 - (b) one incorporated or unincorporated body; or
 - (c) one or more individuals and one incorporated or unincorporated body.
- (3) A nomination may specify how payments are to be apportioned between—
- (a) 2 or more individuals; or
 - (b) one or more individuals and one incorporated or unincorporated body.
- (4) A nomination may only be made by signed notice to the scheme manager in a form the scheme manager requires or is willing to accept.
- (5) A member may revoke or alter a nomination by a further signed notice to the scheme manager in a form the scheme manager requires or is willing to accept.

(a) 1989 c.6; see section 16(2) for the meaning of “Official Secrets Acts 1911 to 1989”.

Invalid nominations of individuals

123.—(1) If the nomination of an individual is invalid, any lump sum death benefit that would have been payable to the individual is payable to the member’s personal representatives.

(2) A nomination of an individual is invalid if—

- (a) the individual nominated is the member’s spouse or civil partner and the individual is not the member’s spouse or civil partner when the member dies;
- (b) the individual predeceases the member; or
- (c) the individual is convicted of the offence of murder of the member.

(3) The scheme manager may determine that the nomination of an individual is invalid if the individual is convicted of manslaughter of the member or any other offence (apart from murder) of which the unlawful killing or wounding of the member is an element.

Payment of lump sum death benefit to nominees or personal representatives

124.—(1) The scheme manager may pay a lump sum death benefit to—

- (a) the person or persons nominated by the member under regulation 122 (“the nominees”);
- (b) the member’s personal representatives; or
- (c) both the nominees and the member’s personal representatives.

(2) If the scheme manager decides to pay all or part of the lump sum death benefit to the nominees and more than one individual has been nominated, the payment is to be made to them—

- (a) in the proportions specified by the member in the nomination; or
- (b) if the member has not specified proportions, in the proportions the scheme manager considers appropriate.

(3) If the scheme manager decides to pay the lump sum death benefit to both the nominees and the personal representatives, the payment is to be made to them in the proportions the scheme manager considers appropriate.

Pension protection lump sum death benefit

125.—(1) A lump sum death benefit is treated for the purposes of FA 2004 as a pension protection lump sum death benefit if and to the extent that—

- (a) the member has given written notice to the scheme manager that the lump sum death benefit is to be so treated; and
- (b) the lump sum death benefit meets all of the conditions required by FA 2004 for it to be treated as a pension protection lump sum death benefit (see paragraph 14 of Part 2 (lump sum death benefit rule) of Schedule 29 to FA 2004(a)).

(2) Tax may be deducted from the lump sum death benefit if the scheme manager is liable for tax under section 206 (special lump sum death benefits charge) of FA 2004(b) in respect of a pension protection lump sum death benefit.

Recovery of payments

126.—(1) The scheme manager may recover a lump sum death benefit paid to any person if the person’s nomination is subsequently found to be invalid.

(2) Paragraph (1) does not affect any other right the scheme manager has to recover a payment or an overpayment.

(a) Paragraph 14 was amended by the Finance Act 2011 (c. 11) Schedule 16 paragraphs 32 and 34.

(b) Section 206 was amended by the Finance Act 2011 (c. 11) Schedule 16 paragraph 41 and the Finance Act 2013 (c. 29) Schedule 46 paragraphs 119 and 123.

Payment of pension instead of lump sum for members who have reached 75

127.—(1) This regulation applies if a member dies—

- (a) after reaching the age of 75, and
- (b) before the fifth anniversary of the date on which a pension became payable to the member.

(2) The scheme manager may pay the pension to—

- (a) the person or persons nominated by the member under regulation 122 (“the nominees”);
- (b) the member’s personal representatives; or
- (c) both the nominees and the member’s personal representatives.

(3) The scheme manager is to pay the pension in the proportions the scheme manager considers appropriate if—

- (a) the scheme manager decides to pay all or part of the pension to the nominees and more than one individual has been nominated; or
- (b) the scheme manager decides to pay the pension to both the nominees and the personal representatives.

(4) A pension payable under this regulation—

- (a) is payable for the pension protection period; and
- (b) must be equal to the sum of—
 - (i) the pension that would have been payable to the member had the member lived until the end of the pension protection period; and
 - (ii) any increases in the annual rate of that pension under PIA 1971 during that period.

(5) In this regulation “the pension protection period” means the period beginning with the day of the member’s death and ending with the day before the fifth anniversary of the date on which the member’s pension became payable.

CHAPTER 5

Amount of lump sum death benefits

Meaning of “final pay”

128.—(1) In this Chapter, “final pay” in relation to a continuous period of pensionable service means the greater of the following amounts—

- (a) the amount of a member’s permanent pensionable earnings payable in respect of the 12 months ending with the last day of pensionable service;
- (b) the amount of a member’s pensionable earnings payable in respect of any scheme year in the 10 scheme years immediately before the last active scheme year (“the earnings year”).

(2) For the purpose of determining which of the amounts mentioned in paragraph (1) is the greater—

- (a) if the member’s continuous period of pensionable service was less than 12 months, the amount in paragraph (1)(a) is an amount equal to the member’s annualised final pay; and
- (b) the amount in paragraph (1)(b) is adjusted for inflation in accordance with paragraph (3).

(3) The amount of pensionable earnings payable in respect of the earnings year is adjusted for inflation by increasing it by the same amount as that by which the annual rate of a pension of an amount equal to the amount of pensionable earnings would have been increased under PIA 1971 by the day following the last day of pensionable service if—

- (a) that pension was eligible to be so increased; and
- (b) the beginning date for that pension was the first day of the next scheme year after the earnings year.

(4) In this regulation, if the member is a transition member with continuity of service, “pensionable earnings” in respect of any period includes the member’s pensionable earnings under the PCSPS before the closing date.

Meaning of “annualised final pay”

129.—(1) For the purposes of this Chapter, for a continuous period of pensionable service that is less than 12 months, a member’s annualised final pay is—

$$FP \times \frac{365}{N}$$

where—

FP is the amount of the member’s permanent pensionable earnings payable in respect of that period of service; and

N is the number of days in that period.

(2) But if the continuous period of pensionable service includes 29th February, paragraph (1) has effect with the substitution for “365” of “366”.

(3) In this regulation, if the member is a transition member with continuity of service, “pensionable earnings” in respect of any period includes the member’s pensionable earnings under the PCSPS before the closing date.

Amount payable on death of active member (death in service)

130.—(1) This regulation applies in relation to a continuous period of pensionable service under this scheme (“period of service”).

(2) If the member is a transition member with continuity of service, the period of service includes the member’s period of pensionable service under the PCSPS before the closing date.

(3) For the purpose of this regulation, a person dies in service if the person dies while an active member of this scheme in relation to a period of service.

(4) The amount of the lump sum death benefit payable in respect of a person who dies in service (P) is the amount in paragraph (5) or (6), whichever is the greater.

(5) The amount in this paragraph is an amount equal to $X - Y$ where—

(a) *X* is—

- (i) if P’s period of service was at least 12 months, twice the amount that would have been P’s final pay if P had ceased to be in pensionable service at the time of death; or
- (ii) if P’s period of service was less than 12 months, twice P’s annualised final pay; and

(b) *Y* is the total of—

- (i) any lump sum paid under this scheme to P before P’s death; and
- (ii) any lump sum death benefit payable under this scheme or under a partnership pension account death benefits scheme in respect of P after P’s death.

(6) The amount in this paragraph is an amount equal to $X - Y$ where—

X is the total annual amount of P’s full retirement pensions in relation to that period of service, multiplied by 5;

Y is the total amount of any payments of retirement pension made to P under this scheme; and “total annual amount” in relation to P’s full retirement pensions means the total of—

- (a) the annual rate of each description of full retirement pension calculated as if the beginning date for that pension were the date of P’s death, but without subtracting any the early payment reduction; and
- (b) the amount of any increase in the annual rate of that pension under PIA 1971 payable as at the date of P’s death.

(7) For the purpose of this regulation, any amounts paid or payable to or in respect of P in the capacity of a pension credit member are disregarded.

Amount payable on death of deferred member or pensioner member (death out of service)

131.—(1) This regulation applies in relation to a continuous period of pensionable service under this scheme (“period of service”).

(2) If the member is a transition member with continuity of service, the period of service includes the member’s period of pensionable service under the PCSPS before the closing date.

(3) For the purpose of this regulation, a person dies out of service if the person—

- (a) dies while a deferred member or pensioner member of this scheme in relation to that period of service; and
- (b) is not an active member of the scheme when the person dies^(a).

(4) The amount of the lump sum death benefit payable in respect of a person who dies out of service is equal to—

- (a) the total annual amount of P’s full retirement pensions in relation to that period of service, multiplied by 5; less
- (b) the total amount of any payments of retirement pension made to P under this scheme.

(5) In paragraph (4)(a), “total annual amount” in relation to P’s full retirement pensions means the total of—

- (a) the annual rate of each description of full retirement pension calculated as if the beginning date for that pension were—
 - (i) if P died while a deferred member of the scheme, the date of P’s death; or
 - (ii) if P died while a pensioner member of the scheme, the day P’s pension was deemed to begin for the purposes of section 8(2) (meaning of “pension” and other supplementary provisions) of the PIA 1971^(b); and
- (b) the amount of any increase in the annual rate of that pension under PIA 1971 payable as at the date of P’s death.

(6) The calculation in paragraph (5)(a) is carried out without subtracting any early payment reduction.

(7) For the purpose of this regulation any amounts paid or payable to or in respect of the member in the capacity of a pension credit member are disregarded.

Amount payable on death of pension credit member

132.—(1) Paragraph (2) applies if a pension credit member of this scheme dies before any benefits derived from a pension credit have become payable to the member.

(2) The amount of the lump sum death benefit is equal to 25% of the cash equivalent that would have been payable under Chapter 2 of Part 4A (requirements relating to pension credit benefit: transfer values) of PSA 1993^(c) in respect of the member’s right to benefits under this scheme attributable (directly or indirectly) to a pension credit if—

- (a) the member had been entitled to require the payment of that amount; and
- (b) the amount had been payable as at the date of the member’s death.

(3) Paragraph (4) applies if a pension credit member dies after the pension credit member’s pension becomes payable.

(a) Note: if P is a partial retiree, a lump sum death benefit is payable only under regulation 130 (death in service).
(b) Section 8(2) was amended by the Pensions (Miscellaneous Provisions) Act 1990 (c.7) section 1(5) and the Welfare Reform and Pensions Act 1999 (c.30) section 39(1) and (4). Section 8(2) of the PIA may be applied subject to such modifications, adaptations and exceptions as may be specified in regulations under section 5(3) of that Act.
(c) Part 4A was inserted by the Welfare Reform and Pensions Act 1999 (c. 30) section 37.

(4) The amount of the lump sum death benefit is equal to the amount of pension credit member's pension that would have been payable to the member during so much of the period of 5 years beginning with the date on which the pension became payable as falls after the date of the member's death.

(5) In paragraph (4), "amount of pension credit member's pension" means the total of—

- (a) the amount of the annual rate of that pension as at the date the pension was deemed to begin for the purposes of section 8(2A) (meaning of "pension" and other supplementary provisions) of PIA 1971(a); and
- (b) the amount of any increase in the annual rate of that pension under that Act payable as at the date of the member's death.

Amount payable under court order to former spouse or civil partner

133.—(1) This regulation applies if on the death of a member of this scheme the scheme manager is required under a court order to pay any part of a lump sum death benefit to the member's former spouse or civil partner.

(2) The amount of the lump sum death benefit is first determined as if no such order had been made, and then this Part applies as if the amount of the lump sum death benefit were reduced by the amount payable under the court order.

PART 9

Contributions

Rate of member contributions

134.—(1) An active member of this scheme must pay contributions to this scheme ("member contributions") on the member's pensionable earnings for each pay period at a rate determined under this regulation ("member contributions rate").

(2) The member contributions rate which applies to a member's pensionable earnings is the rate which applies when the member's pensionable earnings are paid.

(3) For the purposes of paragraph (2),

- (i) assumed pay for any pay period is treated as having been paid when pensionable earnings for that period would have been paid had the circumstances in regulation 27(3) which apply to the member not applied; and
- (ii) payment of the money value of any benefit in kind which forms part of a member's pensionable earnings is treated as having been made at a time or apportioned across a period of time as determined by the scheme manager.

(4) The member contributions rate during a scheme year to which a table set out in this regulation applies is the percentage, set out in the table, which applies to a member's annualised rate of pensionable earnings calculated in relation to each payment of a member's pensionable earnings.

(5) Where the member's pensionable earnings for a scheme year are payable to the member in 12 instalments, the member's annualised rate of pensionable earnings is calculated as follows, rounded down to the nearest whole pound—

$$12P$$

where P is the amount of a payment of the member's pensionable earnings.

(a) Subsection (2A) was inserted by the Welfare Reform and Pensions Act 1999 (c. 30) section 39(1) and (4).

(6) Where the member's pensionable earnings for a scheme year are payable otherwise than in 12 instalments, the member's annualised rate of pensionable earnings is calculated as follows, rounded down to the nearest whole pound—

$$P \times \frac{365}{N}$$

where—

P is the amount of a payment of the member's pensionable earnings; and

N is the number of days in the applicable payment period.

(7) For the purposes of paragraph (6) the applicable payment period is—

- (a) if it is the member's first payment of pensionable earnings in relation to a continuous period of pensionable service in a scheme employment, the number of days in the period beginning on the day the member commenced the period of pensionable service in the scheme employment and ending on the day before the day that this payment was made; or
- (b) in any other case, the period beginning on the day the previous payment of the member's pensionable earnings was made and ending on the day before the day that this payment was made.

(8) If the scheme year in which the payment of pensionable earnings is made includes 29th February, paragraph (6) has effect with the substitution for "365" of "366".

Amount of pensionable earnings

135.—(1) For the purpose of regulation 134, the amount of a member's pensionable earnings for any pay period is determined in accordance with this regulation.

(2) Unless paragraph (3) or (4) applies, the amount of the member's pensionable earnings during any period of assumed pay is equal to the member's assumed pay.

(3) For any period of assumed pay under regulation 27(3)(a), the amount of the member's pensionable earnings is equal to the member's reduced pay while on sick leave.

(4) For any period of assumed pay under regulation 27(3)(b) or (c), the amount of the member's pensionable earnings is the amount of contractual remuneration or statutory pay actually paid to or for the member in respect of the period of adoption leave, maternity leave, parental leave, paternity leave or additional paternity leave.

Payment of member contributions

136.—(1) Member contributions are to be deducted by the member's employer from the member's pensionable earnings for each pay period.

(2) A member's employer—

- (a) may make contributions on the member's behalf in circumstances determined by the scheme manager; and
 - (b) unless paragraph (3)(b) applies, must do so for any period of assumed pay under regulation 27(3)(e) (unpaid leave).
- (3) A member is not required to pay member contributions—
- (a) while the member is on unpaid adoption leave, maternity leave, parental leave, paternity leave or additional paternity leave; or
 - (b) with the employer's approval, while the member is on unpaid leave.

Employers' contributions

137.—(1) Each employer of an active member of this scheme must pay contributions to this scheme in respect of the member at the rate and at the intervals the scheme manager may for the time being determine after consultation with the scheme actuary ("employers' contributions").

- (2) Each employer of an active member of this scheme must in addition pay to this scheme—
- (a) annual administration charges; and
 - (b) any other administrative charges,

at such intervals and at such rates as the scheme manager may from time to time determine which must, where the employer is the employer of a Fair Deal eligible person, be as provided for in the Admission Agreement.

(3) Where the Admission Agreement provides for an employer of a Fair Deal eligible person to pay additional payments or charges to this scheme, that employer must make such additional payments or charges as required by the Admission Agreement.

Deduction of payments for extra pension under Schedule 1

- 138.** Schedule 1 has effect for the purpose of enabling deductions of payments for—
- (a) added pension;
 - (b) an effective pension age; and
 - (c) an enhanced effective pension age.

Refund of all member contributions and payments for extra pension made by the member

139.—(1) This regulation applies in relation to a continuous period of pensionable service under the scheme.

(2) All member contributions and payments resulting from the exercise of an option under Schedule 1 ("payments for extra pension") made by the member in relation to the period of pensionable service are only refundable if—

- (a) regulation 24 (opting out before the end of one month) applies; or
- (b) the member's pensionable service ceases and—
 - (i) the member has less than 2 years' qualifying service;
 - (ii) if a transfer payment has been received by this scheme in relation to the member, it was from another occupational pension scheme; and
 - (iii) the member has not reached normal pension age under this scheme.

(3) If paragraph (2)(b) applies, the member is entitled to be paid an amount equal to the sum of all member contributions and payments for extra pension made by the member, less an amount equal to the income tax payable under section 205 (short service refund lump sum charge) of FA 2004(a) as a result of a refund of those contributions and payments.

(a) Section 205 was amended by Finance Act 2013 (c. 29) Schedule 46 paragraphs 119 and 121 and S.I. 2010/536.

(4) If all member contributions and payments for extra pension made by the member are refunded under this regulation, the member's rights under this scheme in relation to the period of pensionable service are extinguished.

Transfer payments made to other schemes or pension arrangements

142.—(1) A transfer payment may only be made in respect of the accrued rights to benefits of an active or deferred member of this scheme.

(2) A transfer payment may only be made to—

- (a) a registered pension scheme that is not a connected scheme; or

Statement of entitlement

144.—(1) The scheme manager must specify in the statement of entitlement the date by reference to which the cash equivalent or club transfer value is calculated (“guarantee date”).

(a) Section 169(2) was amended by Finance Act 2013 (c. 29) section 53(2) and (3).

(b) Subsection (2) was amended by S.I. 2001/3649.

(c) Section 96(2) was amended by the Pensions Act 1995 (c. 26) Schedule 5 paragraph 63; the Welfare Reform and Pensions Act 1999 (c.30) Schedule 2 paragraph 3 and Schedule 13 Part 1; the Pensions Act 2007 (c. 22) Schedule 4 paragraphs 1 and 29 and Schedule 7 Part 6; and S.I. 2011/1730.

(d) Regulation 6(3) of SI 1996/1847 provides that a member may not make a second application within this period unless the rules of the scheme provide otherwise.

(2) Unless paragraph (4) applies, the guarantee date must fall within both the following periods—

- (a) the 3 months beginning with the date of the member's application for the statement of entitlement ("the 3 month period"); and
- (b) the 10 days ending with the date on which the member is provided with that statement ("the 10 day period").

(3) In counting the 10 day period, Saturdays, Sundays, Christmas Day, New Year's Day and Good Friday are excluded.

(4) The scheme manager may specify in the statement of entitlement a guarantee date that falls within the 6 months beginning with the date of the member's application for the statement of entitlement if, for reasons beyond the control of the scheme manager, the information needed to calculate the amount of the cash equivalent or club transfer value cannot be obtained before the end of the 3 month period.

Request for transfer payment to be made

145.—(1) An active or deferred member of this scheme who is provided with a statement of entitlement may request a transfer payment to be made in respect of the member's accrued rights to benefits under this scheme.

(2) The request for the transfer payment must—

- (a) be made by notice to the scheme manager;
- (b) specify the pension scheme or other pension arrangement to which the transfer payment is to be made; and
- (c) meet any other conditions the scheme manager requires.

(3) The member may, by notice to the scheme manager, withdraw the request at any time before the transfer payment is made.

(4) The member may not withdraw the request if an agreement for the use of the whole or part of the transfer payment has already been entered into with a third party.

Calculating the amount of a transfer value or club transfer value

146.—(1) If a transfer value is paid later than 6 months after the guarantee date, the amount of the guaranteed cash equivalent must be increased in accordance with regulations made under section 97 (calculation of cash equivalents) of PSA 1993.

(2) If a club transfer value is paid later than 6 months after the guarantee date, the amount of the club transfer value as specified in the statement of entitlement must be increased if necessary so that it is equal to the amount it would have been if the guarantee date had been the date on which the payment is made.

(3) If the transfer value or club transfer value is less than the minimum transfer value, the amount of the transfer value or club transfer value must be increased so that it is equal to the amount of the minimum transfer value.

(4) In this regulation—

"minimum transfer value" means the total of—

- (a) the sum of all member contributions and payments for extra pension made by the member; and
- (b) the sum of all transfer payments received by this scheme in relation to the member;

"member contributions" has the meaning given in regulation 134; and

"payments for extra pension" has the meaning given in regulation 139.

Effect of a transfer out

147. If a transfer payment is made under this Chapter in respect of a member's accrued rights to benefits under this scheme, those rights are extinguished.

- (b) the scheme manager has agreed special terms for the making of transfer payments to the new scheme in respect of the rights of the transferred members, after consultation with the scheme actuary.

(3) The transfer payment to be made in respect of the rights of the transferring employees or the transferred members is an amount that the scheme manager determines to be appropriate under the special terms, after consulting the scheme actuary.

(4) This Part has effect with any modifications the scheme manager considers necessary to give effect to those terms.

(5) If a Minister of the Crown gives an undertaking concerning the pension rights of the transferring employees or the transferred members, this Part has effect with any modifications the scheme manager considers necessary to reflect the terms of the undertaking.

(6) If the transfer is directly or indirectly attributable to an enactment, this Part has effect with any modifications the scheme manager considers necessary in consequence of the transfer.

Bulk transfers in

156.—(1) This regulation applies if—

- (a) the employment of one or more persons (“the transferred employees”) is transferred without their consent to a new employer;

CHAPTER 5

Miscellaneous transfers

EU and overseas transfers

157.—(1) This regulation applies in the case of a member whose transfer is subject to transfer arrangements concluded with—

- (b) any applicable provision contained in or made under any enactment; and
- (c) the requirements to be met by a registered pension scheme.

PART 11

Actuarial valuations and employer cost cap

Appointment of scheme actuary and actuarial valuations

158.—(1) The Minister must appoint an individual (the “scheme actuary”) to provide a consulting service on actuarial matters in relation to this scheme and any connected scheme.

(2) The scheme actuary is responsible for—

- (a) carrying out valuations of this scheme and any connected scheme; and
- (b) preparing reports on the valuations.

(3) Before appointing an individual as scheme actuary the Minister must be satisfied that the individual is appropriately qualified to carry out valuations of this scheme and any connected scheme in accordance with Treasury directions under section 11 of the Act (the “Treasury directions”).

(4) The scheme administrator is responsible for providing the scheme actuary with any data that the scheme actuary requires in order to carry out a valuation and prepare a report on the valuation.

(5) A valuation of the scheme and any connected scheme and the preparation of a report on the valuation must be carried out in accordance with the Treasury directions.

(6) Valuations of the scheme must be carried out within a time-frame which enables requirements in the Treasury directions regarding dates which are applicable to the valuation to be met.

Employer cost cap

159.—(1) The employer cost cap for this scheme is 18.5% of pensionable earnings of members of this scheme.

(2) In the circumstances specified in paragraph (4), the Minister must consult such persons (or those appearing to the Minister to represent such persons) as appear to the Minister likely to be affected by any steps that will be taken, with a view to reaching agreement on the steps required to achieve the target cost for this scheme.

(3) If, following such consultation, agreement is not reached the percentage of the member’s pensionable earnings specified in regulation 43(4) as the amount of earned pension for a scheme year must be adjusted for pensionable earnings after the date of the adjustment, so that the target cost for this scheme is achieved.

(4) The circumstances are that the cost of this scheme goes beyond the margin either side of the employer cost cap for this scheme specified in regulations under section 12(5)(a) of the Act.

(5) In this regulation—

- (a) “cost of this scheme” means the cost of this scheme calculated following a valuation in accordance with regulation 158; and
- (b) “target cost for this scheme” means the target cost for this scheme specified in regulations under section 12(5)(b) of the Act.

PART 12
Supplementary
CHAPTER 1
Dual capacity members

Meaning of “dual capacity member”

- 160.**—(1) A person (P) is a dual capacity member of this scheme if—
- (a) P is a member of this scheme in 2 or more of the following capacities—
 - (i) an active member;

 - (iii) a pensioner member;
 - (c) P is a member of this scheme in relation to 2 or more continuous periods of pensionable service; or
 - (d) P is a pension credit member of this scheme entitled to 2 or more pension credits.
- (2) For the purpose of paragraph (1)(a) or (b)—
- (a) in determining whether a person who is an active member is also a pensioner member, the fact that the person is an active member and the person’s rights in that capacity are to be disregarded^(a); and
 - (b) in determining whether a person who is an active member or pensioner member is also a deferred member, the fact that the person is an active member or pensioner member and the person’s rights in that capacity are to be disregarded.

Payment of benefits to or in respect of a dual capacity member

- 161.**—(1) If a person is a dual capacity member of this scheme—
- (a) the benefits that are payable to or in respect of the member in each of the member’s capacities are treated separately for the purposes of these regulations; and
 - (b) the amounts payable to or in respect of the member in each of the member’s capacities are determined accordingly.
- (2) In relation to payment of retirement benefits, paragraph (1) does not affect the interpretation of regulation 64 (exercise of partial retirement option) if a member is both an active member and a pensioner member by virtue of that regulation.
- (3) In relation to payment of death benefits, paragraph (1) does not prevent—
- (a) the calculation under regulation 130 of a lump sum payable on the death of an active member of this scheme being made by reference to amounts that are relevant to the member in another capacity;
 - (b) the calculation under regulation 131 of a lump sum payable on the death of a pensioner member or deferred member of this scheme being made by reference to amounts that are relevant to the member in both of those capacities; or

 - (i) a deferred member of this scheme in relation to 2 or more continuous periods of pensionable service; or
 - (ii) a pensioner member of this scheme in relation to 2 or more continuous periods of pensionable service.

CHAPTER 2

Payment of benefits: general

Late payment of retirement index adjustment

162. Nothing in these Regulations requires any part of a pension attributable to a retirement index adjustment to be paid before the end of the last active scheme year.

Commutation of small pensions

163.—(1) This regulation applies if—

- (a) the pension entitlement of a single capacity member or the pension entitlement of a single capacity member’s beneficiary does not exceed the small pensions commutation maximum; or
- (b) the total pension entitlement of a dual capacity member or the total pension entitlement of a dual capacity member’s beneficiary does not exceed the small pensions commutation maximum.

(2) Unless the member has reached state pension age, this regulation does not apply if—

- (a) the pension entitlement of the member or the member’s beneficiary under paragraph (1)(a) is equal to or exceeds the member’s guaranteed minimum; or
- (b) the total pension entitlement of the member or the member’s beneficiary under paragraph (1)(b) is equal to or exceeds the member’s guaranteed minimum.

(3) The scheme manager may pay the member or the member’s beneficiary a lump sum of an amount advised by the scheme actuary as representing the cash value of the pension if—

- (a) the member or the member’s beneficiary consents to receipt of a lump sum in place of the pension; and
- (b) the requirements of the commutation provisions that apply in the circumstances are met.

(4) The payment of a lump sum under this regulation in place of a pension discharges all liabilities under this scheme in respect of that pension.

(5) In this regulation—

“the commutation provisions” means the provisions permitting the commutation of pensions set out in—

- (a) regulation 2 of the Occupational Pension Schemes (Assignment, Forfeiture, Bankruptcy etc.) Regulations 1997(a);
- (b) paragraph 7 of Schedule 29 (authorised lump sums – supplementary) to FA 2004 (which defines trivial commutation lump sums for the purposes of Part 4 of that Act)(b) and, in relation to a pension payable under Part 8 (death benefits), paragraph 20 of that Schedule (which defines trivial commutation lump sum death benefit for the purposes of Part 4 of that Act)(c); and

(a) S.I. 1997/785. Regulation 2 was amended by S.I. 2002/681, 2005/706, 2006/744, 2006/778 and 2009/2930.
 (b) Paragraph 7 was amended by Finance Act 2011 (c.11) Schedule 16 paragraphs 23 and 29 and Schedule 18 paragraphs 1, 3 and 4 and S.I. 2006/572.
 (c) Paragraph 20 was amended by Finance Act 2011 (c. 11) Schedule 16 paragraphs 32 and 39 and Schedule 18 paragraphs 1, 3 and 6.

- (c) regulation 3 of the Pension Sharing (Pension Credit Benefit) Regulations 2000(a);
“single capacity member” means a member of this scheme who is not a dual capacity member;
and
“the small pensions commutation maximum” means the amount that is permitted to be commuted having regard to the commutation provisions that apply in the circumstances.

Guaranteed minimum pensions

164.—(1) If a member has a guaranteed minimum under section 14 (earner’s guaranteed minimum) of PSA 1993(b) in relation to benefits under this scheme—

- (a) nothing in these Regulations permits or requires anything that would cause requirements made by or under that Act in relation to such a member and such a member’s rights under this scheme not to be met in the case of the member;
- (b) nothing in these Regulations prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of the member; and
- (c) the following provisions are without prejudice to the generality of this paragraph.

(2) If apart from this regulation—

- (a) no pension would be payable to the member under this scheme; or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum,

a pension at a weekly rate equal to the guaranteed minimum is payable to the member for life from the date on which the member reaches state pension age or, as the case may be, pensions the aggregate weekly rate of which is equal to the guaranteed minimum are so payable.

(3) If—

- (a) on reaching state pension age the member is still in employment (whether or not it is scheme employment); and
- (b) if it is not scheme employment, the member consents to a postponement of the member’s entitlement under paragraph (2),

paragraph (2) does not apply until the member leaves employment.

This is subject to paragraph (4).

(4) If the member continues in employment for a further 5 years after reaching state pension age and does not then leave employment, the member is entitled from the end of that period to so much of the member’s pension under Parts 6 and 7 as equals the member’s guaranteed minimum (or, as the case may be, to so much of the member’s pensions under Parts 6 and 7 as together have a weekly rate equal to the member’s guaranteed minimum), unless the member consents to a further postponement of the entitlement.

(5) In the circumstances provided for in paragraph (3) or (4), the amount of the guaranteed minimum to which the member is entitled under this regulation is increased in accordance with section 15 (increase of guaranteed minimum where commencement of guaranteed minimum pension postponed) of PSA 1993.

(6) If—

- (a) before state pension age the member becomes entitled to the immediate payment of a pension; and
- (b) the member has a guaranteed minimum under section 14 of PSA 1993 in relation to the whole or part of a pension as a result of receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum,

(a) S.I. 2000/1054. Regulation 3 was amended by S.I. 2009/2930.

(b) Section 14 was amended by the Pensions Act 1995 (c. 26) Schedule 5 paragraph 27 and Schedule 7 Part 3, the Social Security Contributions (Transfer of Functions, etc.) Act 1999 (c. 2) Schedule 1 paragraph 38 and the Proceeds of Crime Act 2002 (c. 29) Schedule 11 paragraphs 1 and 22.

the weekly rate of the pension, so far as attributable to that service, must not be less than the guaranteed minimum, multiplied by such factor as is indicated in actuarial tables for a person of the member's age and sex at the date on which the pension becomes payable.

(7) This paragraph applies if a person has ceased to be in employment that is contracted-out employment, within the meaning of Part 3 of PSA 1993 (certification of pension schemes and effects on members' state scheme rights and duties), by reference to this scheme and either—

- (a) a transfer payment in respect of all the person's rights to benefits under this scheme, except the person's rights in respect of the person's guaranteed minimum or rights under section 9(2B) (requirements for certification of schemes: general) of PSA 1993(a) ("the person's contracting-out rights") has been made; or
- (b) the person has no rights to benefits under this scheme apart from the person's contracting-out rights.

(8) If paragraph (7) applies—

- (a) from the date on which the person reaches state pension age the person is entitled to a pension payable for life at a weekly rate equal to the person's guaranteed minimum, if any; and
- (b) from the date on which the person reaches normal pension age under this scheme the person is entitled to a lump sum and pension in respect of the person's rights under section 9(2B) of PSA 1993,

but a person falling within paragraph (7) is not to be regarded as a pensioner for the purposes of Part 8 (death benefits).

(9) Paragraphs (2) to (8) do not apply to—

- (a) a pension that is forfeited—
 - (i) as a result of a conviction for treason; or
 - (ii) under regulation 165, in a case where the relevant offence within the meaning of regulation 165 is an offence under the Official Secrets Acts 1911 to 1989(b);
- (b) a pension that is commuted under regulation 85 or 98 (serious ill-health: commutation of whole pension); or
- (c) a pension that is commuted under regulation 163 where the conditions in regulation 60 (payment of a guaranteed minimum pension as a lump sum) of the Occupational Pension Schemes (Contracting-out) Regulations 1996(c) are met,

but if any other provision of this scheme is inconsistent with this regulation, this regulation prevails.

(10) In this regulation, references to the amount of a pension are to its amount after the subtraction of the commutation amount, if any (but before the subtraction of the allocation amount, if any (see regulation 86(5))).

CHAPTER 3

Forfeiture and set-off

Forfeiture: offences committed by members

165.—(1) If a member is convicted of a relevant offence, the scheme manager may to the extent the scheme manager considers appropriate withhold benefits payable under this scheme to or in respect of the member.

(2) Paragraph (3) applies if benefits are to be withheld as a result of an offence falling within paragraph (b) of the definition of "relevant offence".

(a) Subsection (2B) was inserted by the Pensions Act 1995 (c. 26) section 136(3) and amended by the Social Security Contributions (Transfer of Functions, etc.) Act 1999 Schedule 1 paragraph 35.
(b) 1989 c.6; see section 16(2) for the meaning of "Official Secrets Acts 1911 to 1989".
(c) S.I. 1996/1172. Regulation 162 was substituted by S.I. 2006/744 and amended by S.I. 2006/1337, 2009/2930 and 2010/499.

(3) The scheme manager may only withhold that part of a person's pension that exceeds any guaranteed minimum to which the person is entitled under—

- (a) section 14 of PSA 1993 (earner's guaranteed minimum); or
- (b) section 17(a) of that Act (minimum pension for surviving spouses and civil partners).

(4) In this regulation—

“forfeiture certificate” means a certificate stating that the Minister of the Crown issuing the certificate considers that the offence—

- (a) has been gravely injurious to the interests of the State; or
- (b) is liable to lead to serious loss of confidence in the public service; and

“relevant offence” means—

- (c) one or more offences under the Official Secrets Acts 1911 to 1989(b) for which the member has been sentenced on the same occasion to—
 - (i) a term of imprisonment of at least 10 years; or
 - (ii) 2 or more consecutive terms of imprisonment which add up to at least 10 years;
- (d) an offence committed in connection with service as a public servant and in respect of which a Minister of the Crown has issued a forfeiture certificate.

Forfeiture: offences committed by a member's beneficiary

166.—(1) If the beneficiary of a deceased member of this scheme (D) is convicted of a relevant criminal offence, the scheme manager may withhold benefits payable to the beneficiary in respect of D.

(2) The scheme manager may withhold benefits to the extent the scheme manager considers appropriate but may only withhold that part of a pension that exceeds any guaranteed minimum to which the beneficiary is entitled under section 17 of PSA 1993.

(3) If the scheme manager withholds all of the benefits payable to a beneficiary, Part 8 (death benefits) applies as if the beneficiary had died before D.

(4) In this regulation, “relevant criminal offence” means—

- (a) the murder of D;
- (b) the manslaughter of D; or
- (c) any other offence of which the unlawful killing of D is an element.

Forfeiture: relevant monetary obligations and relevant monetary losses

167.—(1) If a member (P) owes a relevant monetary obligation or has caused a relevant monetary loss, the scheme manager may withhold benefits payable to P under this scheme.

(2) The scheme manager may withhold benefits to the extent the scheme manager considers appropriate but may only withhold that part of P's pension that exceeds any guaranteed minimum to which P is entitled under section 14 of PSA 1993.

(3) The scheme manager may not withhold more than the lesser of—

- (a) the amount of the relevant monetary obligation or relevant monetary loss; and
- (b) the value of P's entitlement to benefits.

(4) The scheme manager may only withhold benefits if—

(6) Paragraph (7) applies if a set-off is to be applied as a result of P owing a relevant monetary obligation which satisfies the conditions in paragraph (3).

(7) Where this paragraph applies, the scheme manager may not apply a set-off against that part of P’s entitlement to benefits that represents transfer credits within the meaning of section 124(1) (interpretation of Part 1) of PA 1995(a) (other than prescribed transfer credits for the purposes of section 91(5)(d) (exceptions from the inalienability of occupational pensions) of PA 1995(b)).

(9) The value of the set-off applied must not exceed the lesser of—

- (a) the amount of the relevant monetary obligation; and

CHAPTER 4

Payment and deduction of tax

Scheme manager to be scheme administrator for purposes of Part 4 of Finance Act 2004

170.—(1) The scheme manager is appointed to be responsible for all functions that are functions conferred or imposed on the scheme administrator by or under Part 4 of FA 2004 (pension schemes etc).

Payment on behalf of members of lifetime allowance charge

171.—(1) A member of this scheme may request the scheme manager to pay on the member's behalf any amount that is payable by way of the lifetime allowance charge under section 214 of FA 2004 ("the amount") if—

- (a) an event that is a benefit crystallisation event ("the event") listed in the table in section 216(1) of FA 2004(a) occurs in relation to the member; and

(a) Section 216(1) was amended by the Finance Act 2005 (c.7) Schedule 10 paragraphs 1, 31 and 42; the Finance Act 2006 (c.25) Schedule 23 paragraphs 1 and 30; the Finance Act 2008 (c.9) Schedule 29 paragraphs 1, 4 and 5; and the Finance Act 2011(c.11) Schedule 16 paragraphs 43, 62, 73 and 104.

- (b) the member and the scheme manager are jointly and severally liable in relation to the event.
- (2) A request may only be made by notice given to the scheme manager before the event occurs.
- (3) The scheme manager may only comply with a request if the member pays the amount to the scheme manager on or before the date on which the event occurs.

Reduction of benefits where lifetime allowance charge payable

172.—(1) This regulation applies if—

- (a) an event that is a benefit crystallisation event (“the event”) listed in the table in section 216(1) of FA 2004 (“the table”) occurs in relation to a member;
- (b) the member and the scheme manager are jointly and severally liable in relation to the event; and
- (c) no request has been duly made under regulation 171 in relation to the event or, if such a request has been made, the scheme manager is prevented from complying with it by paragraph (3) of that regulation.

(2) If this regulation applies—

- (a) the scheme manager must pay the tax payable on the event;
- (b) if the event is benefit crystallisation event 8 in the table (transfer to qualifying recognised overseas pension scheme), the amount or value of the sums or assets transferred must be reduced; and
- (c) in the case of any other event in the table, the amount or value of the benefits payable to or in respect of the member must be reduced.

(3) The amount or value of the reduction—

- (a) must fully reflect the amount of the tax so paid;
- (b) must be determined in accordance with guidance provided by the scheme manager; and
- (c) in the case of any reduction to pension benefits, must be consistent with normal actuarial practice.

Information about payment of annual allowance charge

173.—(1) If a member’s pension scheme input amount for this scheme for a tax year exceeds the amount of the annual allowance for that tax year, paragraph (2) applies in respect of the member for that tax year.

(2) The scheme manager must, no later than 31st July after the end of the tax year, provide the member with any information the scheme manager considers appropriate to assist the member to arrange payment of the annual allowance charge for that tax year.

(3) In this regulation, “pension scheme input amount” has the same meaning as in section 237B(2) (liability of scheme administrator) of FA 2004(a).

Reduction of benefits where annual allowance charge paid by scheme manager

174.—(1) This regulation applies where—

- (a) a member gives valid notice to the scheme manager of joint and several liability for an annual allowance charge under section 237B(3) of FA 2004; and
- (b) the scheme manager satisfies the liability specified in the notice.

(a) 2004 c. 12; section 237B was inserted by the Finance Act 2011 (c. 11), Schedule 17, paragraph 15 and was amended by the Finance Act 2013 (c. 29), Schedule 46, paragraphs 119 and 129.

(2) The amount or value of the benefits payable to or in respect of the member for the tax year to which the notice relates must be reduced by the scheme manager in accordance with paragraph (3).

(3) Subject to paragraph (4), the amount or value of the reduction of benefits—

- (a) must fully reflect the amount paid by the scheme manager; and
- (b) must be consistent with normal actuarial practice.

(4) Benefits may only be reduced under this regulation to the extent that the reduction would not result in the loss of any part of a guaranteed minimum pension to which a person is entitled under sections 14 (earner's guaranteed minimum) or 17 (minimum pension for surviving spouses and civil partners) of PSA 1993.

CHAPTER 5

General

General prohibition on unauthorised payments

175. Nothing in these Regulations requires or authorises the making of any payment, which, if made, would be an unauthorised payment for the purposes of Part 4 of FA 2004 (pension schemes etc.) (see section 160(5) of that Act).

Calculation of periods of membership and service

176.—(1) For the purposes of this scheme, periods of membership and service are to be expressed in the first instance in whole years, and days and fractions of a day, and the initial aggregation of periods that require to be aggregated is done in the first instance by reference to periods so expressed.

This is subject to paragraph (3).

(2) If, when all periods of membership or service that require to be aggregated have been aggregated, there is any excess part day over the number of whole days, that excess is rounded up to a full day.

This is subject to paragraph (3).

(3) If membership or service is referred to in these Regulations as membership or service in years—

- (a) the days referred to in paragraph (1); and
- (b) the full days referred to in paragraph (2),

are converted into years by dividing the number of days in excess of the period of whole years by 365, and using the result to 4 decimal places.

(4) If a period of membership or service is less than one year, this regulation applies as if the words “whole years, and” were omitted from paragraph (1) and the words “in excess of the period of whole years” were omitted from paragraph (3).

Determination of questions

177. Except as otherwise provided by these Regulations, any question arising under this scheme is to be determined by the scheme manager, whose decision on it is final.

Evidence of entitlement

178.—(1) The scheme manager may require any person who is receiving a pension under this scheme to provide evidence to establish—

- (a) the person's identity; and
- (b) the person's continuing entitlement to payment of any amount.

(2) If the person does not provide the required evidence, the scheme manager may withhold the whole or any part of any benefits payable under this scheme in respect of the person.

Provision of benefit information statements to members

179.—(1) The scheme manager must provide benefit information statements to each active member of this scheme in accordance with—

- (a) section 14 of the Act (information about benefits); and
- (b) directions made under that section (“Treasury directions”).

Information to be provided by employers

180.—(1) An employer of a member of this scheme must, by such date as the scheme manager may specify, provide the scheme manager with such information as the scheme manager may request—

- (a) in connection with the scheme manager’s or scheme administrator’s functions in relation to this scheme; or
- (b) to enable the scheme manager or Minister to fulfil any obligations on the scheme manager or Minister set out in or under legislation.

(2) An employer of a Fair Deal eligible person must provide to the scheme manager within 30 days after the end of each complete scheme year during which the employer is an employer of a Fair Deal eligible person—

- (a) a list of the Fair Deal eligible persons employed by the employer, stating whether they are active members of this scheme or have opted-out of active scheme membership; and
- (b) a statement confirming that the persons listed are eligible to be active members of this scheme.

(3) An employer of a Fair Deal eligible person (P) must inform the scheme manager promptly and in any event within 28 days—

- (a) if P opts out of this scheme; or
- (b) of any changes to P’s eligibility to be an active member of this scheme including where P ceases to be eligible to be an active member of this scheme.

(4) (a) An employer of a Fair Deal eligible person who is an active member of this scheme (M) must inform the scheme manager promptly and in any event within 28 days of any change in the matters set out in sub-paragraph (b) where the change affects M’s entitlement to benefits under or membership of this scheme.

- (b) The matters are—
 - (i) M’s terms and conditions of employment including terms and conditions relating to any work done by M on functions or services other than the transferred services;
 - (ii) M’s working pattern or hours; and
 - (iii) M’s attendance at work, including any long term sick leave or other absences.

(5) An employer of a Fair Deal eligible person must inform the scheme manager immediately the employer becomes aware of any circumstance (including any actual or proposed change in the employer’s status) which is one which may give rise to the termination of the Admission Agreement.

Protections for the scheme in relation to employers of Fair Deal eligible persons

181.—(1) Where an employer of a Fair Deal eligible person increases the pensionable earnings of a member of this scheme employed by the employer in a way which the scheme manager has determined is one where the resulting costs to this scheme or any connected scheme are costs which should be paid by the employer, the employer must pay to this scheme on demand the

amount of the increase in this or the connected scheme's costs or liabilities resulting from the increase.

(2) Where a Fair Deal eligible person exercises a choice available to the person under this scheme which leads to an increase in the contributions that the person's employer is required to pay under this scheme, the employer must pay to this scheme the amount of the increase in contributions.

(3) Where an employer of a Fair Deal eligible person has breached any of the provisions of this scheme or any provision of the Admission Agreement the employer must pay to this scheme on demand the sum, as determined by the scheme manager, which is required to compensate this scheme for—

- (a) any increase in this scheme's costs or liabilities resulting from the breach; and
- (b) any resulting additional administration expenses incurred by or on behalf of this scheme.

(4) Where an employer of a Fair Deal eligible person has entered into a contractual agreement (whether in the Admission Agreement or otherwise) with the scheme manager or the Minister to lodge a bond with the scheme, the scheme manager or Minister may call on the bond in the circumstances provided for in the contractual agreement.

(5) Where a person has entered into an agreement (whether in the Admission Agreement or otherwise) to indemnify this scheme in respect of contributions and other payments due to this scheme from an employer of a Fair Deal eligible person, that person must pay to this scheme on demand by the scheme manager or the Minister the sums due under the indemnity, in accordance with the provisions of the agreement.
