#### CHAPTER 1

##### Eligibility for active membership

###### **Scheme employment**

6.—(1) For the purposes of these Regulations, a person is in scheme employment if that person is employed as a firefighter by an authority and satisfies the requirement in paragraph (2) or paragraph (3).

(2) A person who took up employment on or after 1st April 2015 satisfies the requirement in this paragraph where that person's role on taking up employment includes—

- (a) resolving operational incidents; or
- (b) leading and supporting others in the resolution of operational incidents.

(3) A person who is a transition member satisfies the requirement in this paragraph.

(4) The employer of a person in scheme employment is referred to in these Regulations as the “scheme employer”.

###### **Eligible persons**

7.—(1) For the purpose of this Part, an eligible person is a person who is eligible to be an active member of this scheme.

(2) A person who is in service in a scheme employment (P) is an eligible person in relation to that employment unless in relation to service in that employment—

- (a) P is a protected member of the 1992 Scheme or the NFPS; or
- (b) P is a member of any other pension scheme and the authority employing P pays contributions to that scheme in respect of P.

(3) P is an eligible person whilst on reserve forces leave.

###### **Service in two or more scheme employments**

8. If a person is in service in two or more scheme employments, regulation 7 (eligible persons) applies separately in relation to each employment.

#### CHAPTER 2

##### Pensionable service

###### **Application of Chapter**

9.—(1) This Chapter applies in relation to a continuous period of service in a scheme employment.

(2) If a person is in service in two or more scheme employments at the same time, this Chapter applies separately in relation to each of the employments (whether or not the employment is with the same authority).

###### **Interpretation of Chapter**

10. In this Chapter—

“automatic re-enrolment date”, in relation to a person in service in a scheme employment, means a date determined under regulation 12 of the Occupational and Personal Pension Schemes (Automatic Enrolment) Regulations 2010(a);

“continuous period of service”, in relation to scheme employment, means a period of service in scheme employment disregarding any gap in service not exceeding five years;

“first eligible day of service”, means the day on which a person becomes an eligible person in relation to that service.

### **Automatic enrolment**

**11.**—(1) Where a person (P) who is in pensionable service(b) under the scheme moves from one scheme employer to another but remains in scheme employment, P continues in pensionable service under the scheme.

(2) A person (P) who is not in pensionable service under the scheme immediately before P’s first eligible day of service in a scheme employment begins pensionable service under this scheme on P’s first eligible day of service in that employment unless—

- (a) regulation 15 (opting out before the end of the first three months) applies; or
- (b) P is a transition member with continuity of service and paragraph (3) applies.

(3) This paragraph applies if—

- (a) P’s first eligible day of service in the scheme employment is the day after P’s closing date; and
- (b) on P’s closing date—
  - (i) P was in service in the same employment, and
  - (ii) P had opted out of the 1992 Scheme or the NFPS, as the case may be, in relation to that service.

### **Opting into this scheme**

**12.**—(1) A person (P) who, in relation to a scheme employment, is an eligible person but is not in pensionable service under this scheme may opt to become an active member of this scheme in relation to service in that employment.

(2) The option under this regulation may only be exercised by notice to the scheme manager in a form required by the scheme manager (“opt-in notice”).

(3) A person who exercises the option under this regulation in relation to service in a scheme employment opts into this scheme in relation to service in that employment with effect from the date on which the opt-in notice is received by the scheme manager.

(4) The option under this regulation is taken to be exercised on that date.

(5) If P opts into this scheme in relation to an employment, P becomes an active member of this scheme in relation to that employment at the beginning of the first pay period beginning after the date on which the option is exercised or at such other time as the scheme manager considers appropriate.

### **Automatic re-enrolment**

**13.**—(1) This regulation applies if, on the automatic re-enrolment date, an eligible person (P) in relation to service in a scheme employment is not in pensionable service under this scheme in relation to service in that employment.

(2) On the automatic re-enrolment date, the scheme manager must enrol P in this scheme in relation to service in that employment if the employer is required under section 5 of the Pensions

---

(a) S.I. 2010/772.

(b) See section 37 of the 2013 Act for the meaning of “pensionable service”.

**14.**—(1) A person (P) opts out of this scheme in relation to service in a scheme employment if P opts not to be an active member of this scheme in relation to that service.

(2) P may only exercise the option by notice to the scheme manager in a form required by the scheme manager (“opt-out notice”).

(3) The option is taken to be exercised on the date on which the opt-out notice is received by the scheme manager.

### **Opting out before the end of the first three months**

**15.**—(1) This regulation applies if a person (P) opts out of this scheme in relation to a continuous period of service in scheme employment—

(a) before the end of three months after P’s first day of a continuous period of service in scheme employment; or

(b) before the end of three months after the automatic re-enrolment date.

(2) If paragraph (1)(a) applies, P is taken never to have been in pensionable service under this scheme in relation to that continuous period of service in scheme employment.

(3) If paragraph (1)(b) applies, P is taken not to have been in pensionable service under this scheme in relation to that period of service during the period referred to in paragraph (1)(b).

(4) This regulation does not require the scheme manager to pay P any additional amount which becomes payable by P in respect of national insurance contributions because P has not after all been an active member of this scheme during any period.

### **Opting out after the first three months**

**16.**—(1) This regulation applies if a person (P) opts out of this scheme in relation to a continuous period of service in scheme employment—

(a) three months or more after P’s first day of a continuous period of service in scheme employment; or

(b) three months or more after P’s automatic re-enrolment date.

(2) If P exercises the option under paragraph (1)(a) or (b), P ceases to be in pensionable service under this scheme in relation to that continuous period of service in scheme employment—

(a) on the first day of the first pay period beginning on or after the date on which the option is exercised; or

(b) if the scheme manager considers that day inappropriate, on the first day of any later pay period the scheme manager considers appropriate.

#### **Pensionable pay**

**17.**—(1) For the purpose of calculating a member’s pension or other benefits under this scheme, the member’s pensionable pay is—

- (c) the amount foregone where a member has agreed to surrender the right to receive any part of that member's pensionable pay in exchange for the provision by the employer of any non-cash benefit; and
- (d) the amount paid to the member for continued professional development which the scheme manager determines is pensionable.

(2) The payments in paragraph (1) do not include any payment made by an employer to a member who is on reserve forces service leave.

### **Meaning of "assumed pensionable pay"**

**18.**—(1) For any period in which the circumstances specified in paragraph (2) apply to an active member of this scheme, the member is treated as receiving pensionable pay ("assumed pensionable pay") equal to the pensionable pay that the member would have received if those circumstances had not applied.

(2) The circumstances are that the member—

- (a) is on secondment to a different employer under an arrangement providing for the member to continue to be an active member of this scheme in respect of the member's service although the member is paid for that member's service by the other employer;
- (b) is on sick leave or injury leave on reduced pay or, where the member has paid the contributions required by regulation 111(2) (contributions during absence from work due to illness or injury), is not receiving pay;

- (g) is absent on reserve forces service leave; or
- (h) is absent due to a trade dispute and has paid contributions required by regulation 111(3) (contributions during absence from work due to trade dispute).

(3) Paragraph (2)(g) does not apply in respect of any period of service which qualifies the member for benefits under any occupational pension scheme in respect of that service.

(4) Where the circumstances in paragraph (2) apply to a member (P) who was employed as a retained firefighter or volunteer firefighter immediately before those circumstances applied and P's pensionable service for that period was 365 days or more, the amount of P's assumed pensionable pay is calculated by dividing the total amount of P's pensionable pay received for that service during the period of 365 days ending with the last day of continuous pensionable service before those circumstances applied, by 365 and multiplying by the number of days in which the circumstances in paragraph (2) applied.

(5) Where the circumstances in paragraph (2) apply to a member (P) who was employed as a retained firefighter or volunteer firefighter immediately before those circumstances applied and P's pensionable service for that period was less than 365 days, the amount of P's assumed pensionable pay is calculated by dividing the total amount of P's pensionable pay received for that service during that period of continuous pensionable service before those circumstances applied, by the number of days of that service and multiplying by the number of days in which the circumstances in paragraph (2) applied.

## CHAPTER 4

- (a) earned pension;
- (b) transferred pension;
- (c) club transfer earned pension;
- (d) added pension.

## CHAPTER 2

### Calculation of accrued pension

#### Calculation of amount of accrued pension for purpose of deferment or retirement

**23.**—(1) For the purpose of a retirement account of an active member who retires or partially retires, the amount of accrued pension is the sum of the amount of accrued earned pension calculated in accordance with paragraph (3) and the amount of accrued added pension calculated in accordance with paragraph (4).

(2) For the purpose of a deferred member's account, the amount of accrued earned pension is calculated in accordance with paragraph (3).

(3) The amount of accrued earned pension is the sum of the following amounts specified in the active member's account as at the end of the last day of pensionable service—

## CHAPTER 3

### Calculation of adjustments

#### Calculation of “retirement index adjustment”

**24.**—(1) The retirement index adjustment for an amount of accrued earned pension is—

$$\text{Amount of accrued pension} \times \text{retirement index percentage}$$

where “retirement index percentage” means the retirement index percentage calculated under paragraph (2) for accrued earned pension.

(2) The retirement index percentage is—

$$A \times \frac{B}{12}$$

where—

A means—

- (i) for accrued club transfer earned pension, the in-service revaluation index that applies in relation to this scheme for the leaving year,
- (ii) for accrued earned pension other than club transfer earned pension, the index adjustment that applies in relation to this scheme for the leaving year,

B is the number of complete months in the period between the beginning of the leaving year and the end of the relevant last year.

(3) For the purposes of this regulation, “complete month” includes an incomplete month that consists of at least 16 days.

#### **Calculation of “retirement PIA index adjustment”**

**25.**—(1) The retirement PIA index adjustment for an amount of accrued added pension is calculated in accordance with paragraph (2).

(2) The retirement PIA index adjustment is the amount by which the annual rate of a pension of an amount equal to the amount of accrued added pension would have been increased in the leaving year under PIA 1971 if—

- (a) that pension were eligible to be so increased; and
- (b) the beginning date for that pension were the day after the relevant last day.

#### **Determination of “the age addition”**

**26.**—(1) This regulation applies in relation to every scheme year in which an active member’s account and an active member’s added pension account, if any, is open that is subsequent to the scheme year in which the member reaches normal pension age under this scheme, and that is not the scheme year in which the account is established under this Part.

(2) At the beginning of the scheme year, for each description of pension, the scheme manager having regard to actuarial guidance must determine the age addition to be awarded for that scheme year by reference to the opening balance of that description of pension for the previous scheme year.

(3) In these Regulations, “the age addition” means an additional amount of pension determined by reference to the proportion of the previous scheme year for which a member had reached normal pension age under this scheme.

#### **Determination of “the assumed age addition”**

**27.**—(1) This regulation applies on the establishment of a deferred member’s account or retirement account in respect of a member who does not have an active member’s account in connection with another scheme employment.

(2) The scheme manager having regard to actuarial guidance must determine the assumed age addition for the amount of accrued earned pension and accrued added pension (if any) specified in that account.

(3) In these Regulations “the assumed age addition” means—

- (a) for an amount of accrued earned pension not attributable to a transferred pension, the age addition that would have been awarded for accrued earned pension if the member had not left pensionable service or exercised the option to partially retire in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme;
- (b) for an amount of accrued earned pension attributable to a transferred pension, the age addition that would have been awarded for transferred pension if the member had not left pensionable service or exercised the option to partially retire in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme;
- (c) for an amount of accrued added pension, the age addition that would have been awarded for added pension if the member had not left pensionable service or exercised the option to partially retire in the leaving year, determined by reference to the proportion of the leaving year for which the member was an active member of this scheme who had reached normal pension age under this scheme.

## CHAPTER 4

### Pension accounts: general

#### **Establishment of pension accounts: general**

**28.**—(1) The scheme manager must establish and maintain one or more pension accounts for each member of this scheme in accordance with this Part.

(2) A pension account—

- (a) may be kept in any form the scheme manager considers appropriate; and
- (b) must specify the details required by these Regulations.

(3) References in these Regulations to any amount specified in a pension account are references to the amount that is required by these Regulations to be so specified and not, if different, to the amount actually so specified.

#### **Closure and adjustment of pension accounts on transfer out or repayment of balance of contributions**

**29.**—(1) Except as otherwise provided in this regulation, the scheme manager must close all pension accounts relating to a member of this scheme if—

- (a) a transfer payment is made in respect of the member's accrued rights under this scheme; or
- (b) all member contributions are refunded to the member under regulation 116 (refund of all member contributions and payments for extra pension made by member).

(2) Paragraph (1) does not require the scheme manager to close an account that includes amounts to which the transfer payment does not relate or is not attributable.

(3) An account that is not closed because of paragraph (2) must be adjusted in such manner as the scheme manager considers appropriate to reflect the extinguishment of rights under this scheme(a).

(4) Paragraph (1)(a) does not require the scheme manager to close a pension credit member's account if the transfer payment is made in respect of a member who is both—

- (a) a pension credit member of this scheme; and
- (b) an active member, deferred member or pensioner member of this scheme.

## CHAPTER 5

### Active member's account

#### **Application of Chapter**

**30.**—(1) This Chapter applies in relation to a continuous period of pensionable service under this scheme.

(2) For a person who is an active member of this scheme in relation to two or more continuous periods of pensionable service at the same time, this Chapter applies separately in relation to each of those periods of service.

#### **Establishment of active member's account**

**31.**—(1) The scheme manager must establish a pension account for a member who is in pensionable service from the day on which the member begins pensionable service.

- 
- (a) Regulation 116 (refund of all member contributions and payments for extra pension made by member) provides for extinguishment of rights following the refund of all member contributions and payments for extra pension made by the member. Regulation 138 ( effect of transfers-out ) provides for extinguishment of rights following the making of a transfer payment.

(2) For the purposes of these Regulations, an account established under paragraph (1) is called an active member's account.

#### **Receipt of a transfer value payment**

**32.**—(1) This regulation applies if a transfer value payment is received from another pension scheme (other than a connected scheme) in relation to an active member of this scheme.

(2) On receiving the transfer value payment, the scheme manager must credit the active member's account with the amount of transferred pension calculated under regulation 143(2) (amount of transferred pension).

#### **Receipt of a club transfer value payment**

**33.**—(1) This regulation applies if a club transfer value payment is received from another club scheme in relation to an active member of this scheme.

(2) On receiving the club transfer value payment, the scheme manager must credit the active member's account with an amount of club transfer earned pension calculated under regulation 145(2) (amount of club transfer earned pension).

#### **Amount of pension for a scheme year**

**34.**—(1) This regulation applies in relation to every scheme year in which an active member's account is open.

(2) The active member's account must specify—

- (b) the amount of transferred pension (if any) for the scheme year; and
- (c) the amount of club transfer earned pension (if any) from each sending scheme for the scheme year.

(3) The amount is—

- (a) for earned pension, 1/59.7th of the member's pensionable pay received for that year for the scheme employment in respect of which that member's account is established;
- (b) for earned pension, 1/59.7th of the member's assumed pensionable pay for the scheme year where the member pays the contributions required by paragraphs (3) and (4) of regulation 111 (contributions during absence from work due to trade dispute or authorised unpaid absence) or the contributions required by paragraph (1) of regulation 112 (contributions during absence from work on reserve forces service leave) or the contributions required by paragraph (3) of regulation 113 (contributions during child-related leave);
- (c) for earned pension, 1/59.7th of the member's assumed pensionable pay during the member's absence due to illness or injury for the period in respect of which the member pays the contributions required by paragraph (2) of regulation 111 (contributions during absence from work due to illness or injury);
- (d) for earned pension, 1/59.7th of the member's assumed pensionable pay whilst the member is absent on ordinary adoption leave, ordinary maternity leave or paternity leave;
- (e) for transferred pension, the amount which the member is entitled to count under regulation 143(2) (amount of transferred pension) for that year; and
- (f) for club transfer earned pension, the amount of all club transfer values received in relation to the member in that year as calculated under regulation 145(2) (amount of club transfer earned pension).

### **Opening balance, index adjustment and age addition**

**35.**—(1) This regulation applies in relation to every scheme year in which an active member’s account is open other than the scheme year in which that account is established.

(2) The active member’s account must specify—

- (a) the opening balance of earned pension for the scheme year and the index adjustment for that opening balance, and if applicable, the age addition awarded at the beginning of the scheme year;
- (b) the opening balance of club transfer earned pension (if any) for the scheme year and the index adjustment for that opening balance and if applicable, the age addition awarded at the beginning of the scheme year;
- (c) the opening balance of transferred pension (if any) for the scheme year and the index adjustment for that opening balance and if applicable, the age addition awarded at the beginning of the scheme year.

(3) In these Regulations—

“opening balance” in relation to a description of pension, other than added pension—

- (a) for the scheme year immediately following the scheme year in which the active member’s account is established, means the amount of that pension for the previous scheme year as at the end of that scheme year; and
- (b) for any subsequent scheme year, means the sum of the following amounts—
  - (i) the opening balance of that pension for the previous scheme year and the index adjustment for that opening balance,

  - (iii) if applicable, the age addition awarded at the beginning of the previous scheme year.

### **Ill-health award ceases to be payable**

**36.** This regulation applies when an ill-health award ceases to be payable to a person under regulation 69 (consequences of review) and the pensioner member re-enters pensionable service—

- (a) the scheme manager must close the retirement account;
- (b) the scheme manager must re-establish the active member’s account and credit it with an amount equal to the annual rate of lower tier ill-health pension payable when the ill-health award was first made;
- (c) the scheme manager must make entries in the active member’s account as if, during the gap in pensionable service, the member—
  - (i) was in pensionable service under this scheme, but
  - (ii) received no pensionable pay.

### **Closure and re-establishment of active member’s account**

**37.**—(1) The scheme manager must close an active member’s account in relation to a period of service when the scheme manager establishes in relation to that period of service—

- (a) a deferred member’s account under Chapter 7 (deferred member’s account); or
- (b) a retirement account under Chapter 8 (retirement account).

(2) The scheme manager must re-establish an active member’s account under this Chapter if the scheme manager closes a deferred member’s account under Chapter 7.

(3) Where an active member has more than one active member’s account and ceases to be in pensionable service in respect of service in one scheme employment without having qualifying service for a period of three months in respect of that account, the active member’s account for

that employment must be closed and the benefits in that account must be aggregated with the other active member's account.

(4) If the active member has more than one active member's account after the account mentioned in paragraph (3) has been closed, the member may choose which active member's account the benefits from the closed account should be aggregated with.

(5) If the active member fails to make the selection mentioned in paragraph (4), the scheme manager may choose which active member's account the benefits from the closed account should be aggregated with.

## CHAPTER 6

### Added pension account

#### **Establishment of added pension account**

**38.**—(1) A pension account must be established for each active member (P) who makes an added pension election.

(2) If P is an active member in relation to more than one scheme employment, only one added pension account is to be opened.

(3) For the purpose of these Regulations, an account established under paragraph (1) is called an added pension account.

#### **Account to specify amount of added pension**

**39.**—(1) This regulation applies in relation to every scheme year in which an added pension election has effect.

(2) The added pension account must specify in relation to any added pension payments made in that scheme year the amount of added pension determined by the scheme manager under paragraph 11 or under paragraph 14 of Schedule 1 (payments for added pension) to be credited in respect of that scheme year.

#### **Account to specify opening balance and PIA index adjustment**

- (b) the ill-health award ceases to be payable under regulation 69 (consequences of review).

(2) The added pension account must be re-established and credited with an amount equal to the annual rate of added pension paid to the pensioner member in the last year before the payment of the ill-health award to the member ceased.

## **CHAPTER 7**

### **Deferred member's account**

#### **Application of chapter**

**43.**—(1) This Chapter applies in relation to a continuous period of pensionable service under this scheme.

(2) For a person who is a deferred member of this scheme in relation to two or more continuous periods of pensionable service, this Chapter applies separately in relation to each of those periods of service.

#### **Establishment of deferred member's account**

**44.**—(1) This regulation applies when an active member of this scheme becomes a deferred member of this scheme.

(2) The scheme manager must—

- (a) close the active member's account for that period of service; and
- (b) establish a pension account for the deferred member for that period of service.

(3) For the purpose of these Regulations, an account established under paragraph (2)(b) is called a deferred member's account.

#### **Provisional amount of deferred pension**

(2) The provisional amount of deferred pension is the sum of—

- (a) the amount of accrued earned pension calculated under regulation 23(3) (calculation of amount of accrued pension for purposes of deferment or retirement) ("accrued amount"); and
- (b) the retirement index adjustment for the accrued amount; and

(c) the assumed age addition (if any) for the accrued amount.

(3) The retirement index adjustment is not applied in relation to the amount of accrued earned pension if a transfer payment was made before the end of the last active scheme year in respect of the member's rights to that accrued earned pension.

(4) The assumed age addition applies in relation to a member who reaches normal pension age under this scheme at least one month before the last day of pensionable service.

#### **Retirement amount of deferred pension**

**46.**—(1) This regulation applies when a deferred member of this scheme becomes entitled to the immediate payment of a retirement pension for a period of service.

(2) The deferred member's account must specify the retirement amount of deferred pension.

**47.** When a deferred member who has received the early payment of a deferred pension under regulation 67 (early payment of retirement pension to deferred member) ceases to be entitled to the early payment of the deferred pension under regulation 69(7)(consequences of review), the scheme manager must make the necessary adjustments to the deferred member's account.

#### **Account established after ill-health award ceases to be payable**

**48.** If a lower tier ill-health pension ceases to be payable to a person (P) under regulation 69 (consequences of review) and P does not re-enter pensionable service—

- (a) a deferred member's account must be established; and
- (b) that account must be credited with an amount equal to the annual rate of the lower tier ill-health pension payable immediately before the lower tier ill-health pension ceased to be payable.

#### **Closure of deferred member's account after gap in pensionable service not exceeding five years**

**49.**—(1) This regulation applies when a deferred member of this scheme re-enters pensionable service under this scheme after a gap in pensionable service not exceeding five years.

(2) The scheme manager must—

- (a) close the deferred member's account in relation to that period of service and treat the deferred member's account as if it were never established;
- (b) re-establish the active member's account under Chapter 5 in relation to that period of service; and
- (c) make entries in the active member's account as if, during the gap in pensionable service the member—

- (i) was in pensionable service under this scheme, but
- (ii) received no pensionable pay.

(3) Where a deferred member had more than one deferred member's account which has been opened within five years of the date in paragraph (1) the member may within three months of the date of re-entering scheme employment select which deferred member's accounts should be closed.

(4) If the deferred member fails to make the selection mentioned in paragraph (3), the scheme manager must select which of the deferred member's accounts is to be closed.

## CHAPTER 8

### Retirement account

#### **Establishment of retirement account and other adjustments**

**50.**—(1) This regulation applies in relation to a continuous period of pensionable service under this scheme.

(2) When an active member of this scheme becomes entitled to the immediate payment of a retirement pension or an ill-health award, the scheme manager must—

- (a) close all the active member's accounts for that member and any added pension account; and
- (b) establish an account for the pensioner member for that period of service.

(3) When an active member of this scheme exercises the partial retirement option and becomes entitled under regulation 58(1) (entitlement to retirement pension) to the immediate payment of a retirement pension, the scheme manager must—

- (a) close the active member's account for the period of earlier service;
- (b) establish an account for the pensioner member for that period of earlier service;
- (c) close any added pension account and transfer the amount of accrued added pension to the retirement account; and
- (d) establish a new active member's account under Chapter 5 for the member's continuing service as if the first day of pensionable service in the scheme employment is the day after the option date.

(4) When a deferred member becomes entitled to the immediate payment of a retirement pension the scheme manager must—

- (a) close any added pension account; and
- (b) transfer the amount of accrued added pension if any, to the deferred member's account.

(5) For the purpose of these Regulations, an account established for a pensioner member under paragraph (2)(b) or (3)(b) is called a retirement account.

(6) In this regulation—

“continuing service” means pensionable service that continues following the exercise of the partial retirement option in regulation 63 (exercise of partial retirement option) after the option date;

“option date” means the date on which the partial retirement option is exercised and the member becomes entitled to the immediate payment of a retirement pension; and

“period of earlier service” means the continuous period of pensionable service ending on the option date.

#### **Account to specify amount of retirement pension (active members)**

**51.**—(1) The retirement account must specify, for accrued earned pension and accrued added pension, the amount of that retirement pension.

(2) The amount of retirement earned pension is the sum of—

- (a) the amount of the accrued earned pension calculated under regulation 23(3) (calculation of amount of accrued pension for purpose of deferment or retirement) (“accrued amount”);

- (5) The assumed age addition applies in relation to a member who reaches normal pension age under this scheme at least one month before the last day of pensionable service.

## CHAPTER 9

### Pension accounts for survivor members

#### **Establishment of survivor member’s account**

**52.**—(1) The scheme manager must establish a pension account for each person who is entitled to a pension under this scheme as a surviving partner or eligible child following the death of an active member, deferred member or pensioner member.

- (2) The scheme manager must—
  - (a) close the active member’s account or the deferred member’s account or the retirement account (as the case may be) and the added pension account (if any); and
  - (b) establish a pension account for each survivor member.
- (3) For the purpose of these Regulations—
  - (a) a person entitled to a pension in the circumstances mentioned in paragraph (1) is called a survivor member; and
  - (b) an account established under paragraph (2)(b) is called a survivor member’s account.

#### **Amount of pension payable to survivor member**

**53.** The survivor member’s account must be credited with an amount equal to the annual rate of pension payable to the survivor member calculated in accordance with the appropriate regulation in Chapter 2 (pensions for surviving partners) or Chapter 3 (pensions for eligible children) of Part 6 (death benefits), as the case may be, which confers the pension on the survivor member.

## CHAPTER 10

### Pension accounts for pension credit members

#### **Establishment of pension credit member’s account**

**54.**—(1) The scheme manager must establish a pension account for each pension credit member of this scheme.

(2) If a pension credit member has more than one pension credit derived from two or more pension debit members, the scheme manager must establish a pension credit member's account in relation to each pension debit member.

(3) The pension credit member's account must specify the amount of credited pension, and for that amount, the commutation amount (if any).

(4) On the establishment of the pension credit member's account, the accounts established under this Part for the pension debit member must be reduced by the relevant amount.

(5) For the purpose of these Regulations, an account established for a pension credit member under paragraph (1) is called a pension credit member's account.

(6) In this regulation—

“amount of credited pension” means an amount equal to the pension credit calculated in accordance with regulations made under paragraph 5(b) of Schedule 5 (pension credits: mode of discharge) to WRP A 1999;

“relevant amount” is the amount that the scheme manager, after consultation with the scheme actuary, considers appropriate having regard to—

(a) the cash equivalent that would have been payable under Chapter 2 of Part 4A (requirements relating to pension credit benefit: transfer values) of PSA 1993(a) in respect of the pension credit member's right to benefits under this scheme attributable (directly or indirectly) to the pension credit; and

(b) the provisions of sections 29 (creation of pension credits and debits) and 31 (reduction of benefit) of WRP A 1999.

### **Other pension accounts**

**55.** If a pension credit member of this scheme is also an active member, deferred member, pensioner member or survivor member of this scheme, the scheme manager must establish a pension credit member's account in addition to any other account established for the member under this Part.

## **PART 5**

### **Retirement benefits**

#### **CHAPTER 1**

##### **Interpretation**

### **Application of Part**

**56.** This Part applies in relation to retirement benefits payable in respect of a continuous period of pensionable service under this scheme.

### **Qualifying service**

**57.—(1)** In these Regulations, “qualifying service” in relation to a member's pension account, means the total of—

(a) any pensionable service under this scheme in relation to the same pension account;

(b) if a transfer value payment has been accepted under Part 10 (transfers) in respect of a member's accrued rights under another occupational pension scheme, the member's period of pensionable service under that scheme; and

---

(a) Part 4A was inserted by the Welfare Reform and Pensions Act 1999 (c.30) section 37.

- (c) for a transition member with continuity of service, subject to paragraphs (2), (3), (4) and (5), the member's pensionable service reckonable under rule F1 (reckoning of and certificates as to pensionable service) of the 1992 Scheme (if any) and the member's qualifying service under the NFPS (if any).

(2) Where a transition member has more than one active member's account, and was a member of the 1992 Scheme, the pensionable service reckonable under rule F1 must be added to the pensionable service for the active member's account in respect of which the scheme employment is the most similar to the employment which was pensionable under the 1992 Scheme.

(3) Where a transition member has more active member's accounts than the number of contracts of employment in respect of which that member was a member of the NFPS, the qualifying service under the NFPS must be added to the pensionable service for the active member's account in respect of which the scheme employment is most similar to the employment which was pensionable under the NFPS.

(4) Where a transition member was a member of the 1992 Scheme and the NFPS or had two or more contracts of employment in respect of which that member was a member of the NFPS, the pensionable service reckonable under rule F1 or the qualifying service under the NFPS, as the case may be, must be added to the pensionable service for the active member's account in respect of which the scheme employment is most similar to the employment which was pensionable under the 1992 Scheme or the NFPS.

(5) If the scheme manager is not certain which service pensionable under the 1992 Scheme or qualifying service under the NFPS is the most similar to the scheme employment for a particular pension account, the member may decide which pensionable service under the 1992 Scheme or qualifying service under the NFPS is to be added to the pensionable service in relation to a member's pension account and notify the scheme manager by written notice, in a form required by the scheme manager.

(6) None of the following counts as qualifying service—

- (a) any pensionable service under this scheme in respect of which a person's rights under this scheme are extinguished;
- (b) any pensionable service under the 1992 Scheme or the NFPS in respect of which a person's rights under that scheme are extinguished;
- (c) any unauthorised absence from scheme employment.

## CHAPTER 2

### Retirement benefits

#### **Entitlement to retirement pension**

**58.**—(1) Subject to paragraph (2), a member of this scheme (P) is entitled to the immediate payment of a retirement earned pension under this scheme if—

- (a) P—
  - (i) has reached the age of 55,
  - (ii) has at least three months qualifying service,
  - (iii) has claimed payment of a retirement pension, and
  - (iv) is no longer employed in a scheme employment and so is not entitled to be an active member of this scheme; or
- (b) P has exercised the partial retirement option.

(2) Where a member is entitled to an ill-health award, the requirement in paragraph (1)(a)(i) does not apply to that member.

(3) On becoming entitled to the immediate payment of a retirement earned pension, P is entitled to immediate payment of a retirement added pension if P had an added pension account in this scheme before becoming so entitled.

(4) The claim for payment of a retirement pension must be made by notice to the scheme manager in a form required by the scheme manager and must be given before the date on which the first payment of the retirement pension is paid.

#### **Annual rate of retirement pension (active members)**

**59.**—(1) This regulation applies when an active member of this scheme becomes entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension payable on the day following the last day of pensionable service to a member to whom this regulation applies is calculated by adding the total of paragraphs (a), (b) and (c) —

- (a) the sum of—
  - (i) the amount of retirement earned pension specified in the member's retirement account,
  - (ii) subtracting the early payment reduction (if any), specified in that account in relation to that amount,
  - (iii) subtracting the commutation amount (if any) specified in that account in relation to that amount,
  - (iv) subtracting the total allocation amount (if any) specified in that account in relation to that amount; and
- (b) the sum of—
  - (i) the amount of retirement added pension (if any) specified in the member's retirement account,
  - (ii) subtracting the early payment reduction (if any), specified in that account in relation to that amount,
  - (iii) subtracting the commutation amount (if any) specified in that account in relation to that amount,
  - (iv) subtracting the total allocation amount (if any) specified in that account in relation to that amount; and
- (c) the amount of the higher tier ill-health pension (if any) awarded to the member under regulation 64(2)(entitlement to lower tier ill-health pension and higher tier ill-health pension).

#### **Annual rate of retirement pension (deferred members)**

**60.**—(1) This regulation applies when a deferred member of this scheme becomes entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension payable to a member to whom this regulation applies is calculated by subtracting from the retirement amount of deferred pension specified in the deferred member's account—

- (a) the early payment reduction (if any), specified in that account in relation to that amount;
- (b) the commutation amount (if any) specified in that account in relation to that amount;
- (c) the total allocation amount (if any) specified in that account in relation to that amount.

#### **Early payment reduction**

**61.**—(1) This regulation applies when an actuarial reduction is to be applied when calculating the annual rate of pension to be payable to an active member who has not reached normal pension age or to a deferred member who has not reached deferred pension age.

(2) An active member (A) may claim a retirement pension to be paid after A has reached the age of 55 and before A has reached normal pension age.

(3) The actuarial reduction to be applied in a case falling in paragraph (2) is calculated in accordance with actuarial guidance which reduces the pension on the basis that A had not reached normal pension age. The actuarial guidance must have regard to actuarial neutrality compared to the present value of a pension payable at normal pension age, with future increases between the date of A's early retirement and normal pension age being in line with increases under PIA 1971.

(4) A deferred member (D) may claim a retirement pension to be paid after D has reached the age of 55 and before D has reached deferred pension age.

(5) The actuarial reduction to be applied in a case falling in paragraph (4) is in accordance with actuarial guidance which reduces the pension on the basis that D had not reached deferred pension age. The actuarial guidance must have regard to actuarial neutrality compared to the present value of a pension payable at deferred pension age, with future increases between the date of D's early retirement and deferred pension age being in line with increases under PIA 1971.

### **Employer initiated retirement**

**62.**—(1) Where an active member who has attained the age of 55 or over but has not attained normal pension age is dismissed by an employer from a scheme employment by reason of business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency and the employer makes the determination in paragraph (2), that member's pension is calculated in accordance with regulation 59 (annual rate of retirement pension (active members)) without the early payment reduction.

(2) An employer may only pay a retirement pension of the amount mentioned in paragraph (1) in the circumstances mentioned in that paragraph where the employer determines that a retirement pension awarded on that basis would assist the economical, effective and efficient management of its functions having taken account of the costs likely to be incurred in the particular case.

## **CHAPTER 3**

### **Partial retirement benefits**

#### **Exercise of partial retirement option**

**63.**—(1) This regulation applies to an active member of this scheme (P) in relation to a continuous period of pensionable service who—

- (a) is aged at least 55; and
- (b) would be entitled to the immediate payment of a retirement pension in relation to that period of service if P left pensionable service and claimed payment of the pension.

(2) P may opt to continue in pensionable service under this scheme but claim payment of the whole of P's accrued pension in relation to the pensionable service rendered before the exercise of the partial retirement option.

(3) Where P has more than one active member's account, the partial retirement option may be exercised in respect of some or all of P's active member's accounts.

(4) The partial retirement option may only be exercised by notice to the scheme manager ("option notice") in a form required by the scheme manager and must be given before the date on which the first payment of the retirement pension is claimed.

(5) For the purpose of these Regulations, the partial retirement option is taken to be exercised on such date as the member and the scheme manager agree.

(6) An option notice must specify that P claims the whole of P's pension accrued in respect of P's active member's account in respect of the earlier service of that scheme employment.

#### **Annual rate of retirement pension after exercise of partial retirement option**

**64.**—(1) An active member of this scheme (P) who exercises the partial retirement option is entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension is calculated under regulation 59 (annual rate of retirement pension (active members)) by reference to the amount of that description of retirement earned pension and retirement added pension (if any) specified in the member's retirement account.

(3) For the purposes of this Part, where a member exercises the partial retirement option that member's last day of pensionable service in relation to the pensionable service in respect of which the partial retirement option is exercised is the day on which the member exercised the partial retirement option.

## CHAPTER 4

### Ill-health benefits

#### **Entitlement to lower tier ill-health pension and higher tier ill-health pension**

**65.**—(1) An active member who has not reached normal pension age is entitled to immediate payment of a lower tier ill-health pension if the following conditions are met—

- (a) in the opinion of an IQMP the member is incapable of performing any of the duties of the role in which the member was last employed because of incapacity of mind or body and this incapacity will continue until normal pension age;
- (b) the member has three months of qualifying service;
- (c) consequent on the incapacity in sub-paragraph (a), the member has been dismissed or retired from scheme employment; and
- (d) the scheme manager has determined that the member is entitled to a lower tier ill-health pension.

(2) An active member is entitled to immediate payment of a higher tier ill-health pension in addition to the lower tier ill-health pension if the following conditions are met—

- (a) in the opinion of an IQMP the member is incapable of undertaking regular employment because of incapacity of mind or body and this incapacity will continue until normal pension age;
- (b) the member has at least five years of qualifying service;
- (c) the member is entitled to a lower tier ill-health pension; and
- (d) the scheme manager has determined that the member is entitled to a higher tier ill-health pension.

(3) In these Regulations, an ill-health award means the entitlement to the payment of a lower tier ill-health pension, and in cases where the member is also entitled to a higher tier ill-health pension, the payment of a higher tier ill-health pension.

#### **Annual rate of ill-health awards**

**66.**—(1) The annual rate of a lower tier ill-health pension and of a higher tier ill-health pension is calculated as follows.

(2) The annual rate of a lower tier ill-health pension is calculated in accordance with paragraphs (2)(a) and (2)(b) of regulation 59 (annual rate of retirement pension (active members)), but without subtracting the early payment reduction.

(3) The annual rate of a higher tier ill-health pension is calculated by multiplying the annual amount of the adjusted lower tier ill-health pension by the member's assumed period of pensionable service and by 2%.

(4) In this regulation—

“the adjusted lower tier ill-health pension” means the lower tier ill-health pension payable under paragraph (2) calculated—

- (a) excluding an amount equal to the amount of any added pension which had been included in the calculation of the lower tier ill-health pension, and

- (b) without the deduction for any commuted portion of the pension;
- “the member’s assumed period of pensionable service” means the period expressed in years—
- (a) beginning with the day after the member’s continuous period of pensionable service ceased, and
  - (b) ending with the day before the day on which the member would reach normal pension age.

**Early payment of retirement pension to deferred member**

**67.** A deferred member who has not reached deferred pension age is entitled to immediate payment of a retirement pension calculated under regulation 60 (annual rate of retirement pension (deferred members)) without subtracting the early payment reduction if the following conditions are satisfied—

- (a) the member has given written notice requesting payment of the pension before deferred pension age to the scheme manager;
- (b) in the opinion of the IQMP the member is incapable of undertaking regular employment because of infirmity of mind or body and this incapacity will continue until deferred pension age; and
- (c) the scheme manager has determined that the member is entitled to the early payment of the retirement pension.

**Review of ill-health award or early payment of retirement pension**

**68.—(1)** Where a member (P) has been in receipt of an ill-health award under regulation 65 (entitlement to lower tier ill-health pension and higher tier ill-health pension) for less than 10 years, and is under deferred pension age, the scheme manager must consider, at such intervals as it considers appropriate, whether P has become capable—

- (a) of performing any duty appropriate to the role from which P retired on grounds of ill-health; and
- (b) of undertaking regular employment.

(2) The scheme manager must consider, at such intervals as it considers appropriate before the member reaches deferred pension age, in relation to a pensioner member who was a deferred member and whose pension is being paid early by virtue of regulation 67 (early payment of retirement pension to a deferred member), whether the member has become capable of undertaking regular employment.

**Consequences of review**

**69.—(1)** If, on such consideration as is mentioned in regulation 68(1) (review of ill-health award or early payment of retirement pension), the scheme manager determines (a) that a member (H) who is in receipt of a higher tier ill-health pension has become capable of undertaking regular employment, H’s entitlement to that pension must cease with immediate effect.

(2) Subject to paragraph (3), a lower tier ill-health pension must continue to be paid to a member who ceases to be entitled to a higher tier ill-health pension.

(3) If—

- (a) on such consideration as is mentioned in regulation 68(1) (review of ill-health award or early payment of retirement pension), the scheme manager determines that a member (L) who is in receipt of a lower tier ill-health pension has become capable of performing the duties appropriate to the role from which L retired on grounds of ill-health; and

---

(a) Regulation 152 (role of IQMP in determinations by the scheme manager) requires the scheme manager to obtain the opinion of the IQMP in certain circumstances.

(b) the employer makes L an offer of employment in that role (“a paragraph (3)(b) offer”), L’s entitlement to a lower tier ill-health pension must cease whether L accepts or declines the offer.

(4) The employer must by written notice when making a paragraph (3)(b) offer specify a date by which, if the member has not accepted the offer, the member will be taken to have declined it.

(5) A lower tier ill-health pension ceases to be payable on the earlier of the following dates—

- (a) the date on which a member re-enters scheme employment pursuant to a paragraph (3)(b) offer; or
- (b) such date after the paragraph (3)(b) offer is made as the employer specifies by notice under paragraph (4).

(6) Where a member declines a paragraph (3)(b) offer, a deferred member’s account must be established under regulation 48 (account established after ill-health award ceases to be payable) from the date on which that member’s ill-health award ceases to be payable in accordance with paragraph (5).

(7) If, on such consideration as is mentioned in regulation 68(2) (review of ill-health award or early payment of retirement pension), the scheme manager has obtained the IQMP’s opinion which states that a deferred member (P) whose deferred pension is being paid early has become capable of undertaking regular employment, P’s entitlement to early payment of the pension must cease with immediate effect and P’s deferred member’s account must be adjusted under regulation 47 (adjustment of account after early payment of deferred pension ceases).

## CHAPTER 5

### Payment of retirement benefits

#### **Commencement of pensions**

**70.**—(1) The first period for which any retirement pension is payable immediately on a member leaving scheme employment, begins with the day after the date on which the employment ends where the member has made a claim for payment of that pension before that date.

(2) Where an active member has not claimed payment of the retirement pension before the date on which that member retires, the pension will be payable from a date after the claim is made as notified to the member by the scheme manager.

(3) Where the employer of an active member has determined to pay that member a retirement pension before the member reaches normal pension age in exercise of the powers in regulation 62 (employer initiated retirement), the first period for which the pension is payable begins on the day after the member’s scheme employment ends.

(4) In the case of an active member who exercises the partial retirement option, the first period for which any retirement pension is payable begins on the day after the date on which the partial retirement option is exercised.

(5) In the case of a deferred member, the first period for which payment of a retirement pension is to be payable begins on the date on which the member attains deferred pension age where a deferred member has claimed payment of a retirement pension unless that member gives written notice to the scheme manager before the member reaches deferred pension age—

- (a) requesting to defer payment by notice given to the scheme manager more than three months before the member reaches deferred pension age and any such deferral must not extend beyond the day before the member’s 75th birthday;
- (b) requesting payment of the retirement pension before deferred pension age after the deduction of the early payment reduction; or
- (c) requesting the early payment of the retirement pension under regulation 67 (early payment of retirement pension to deferred member) on grounds of incapacity to undertake regular employment.

(6) Where an active member is entitled to a lower tier ill-health pension or a higher tier ill-health pension under regulation 65 (entitlement to lower tier ill-health pension and higher tier ill-health pension) the first period for which a retirement pension is payable is the day after the date on which the member's scheme employment is terminated.

(7) Where a deferred member has made a request referred to in paragraph (5)(c) and is entitled to the early payment of a retirement pension, the first period for which the pension is payable begins on the date on which the deferred member became incapable of undertaking regular employment because of infirmity of body or mind, or if that date cannot be ascertained, from the date of the member's request to the scheme manager for early payment.

(8) Where a deferred member has made a request referred to in paragraph (5)(a) or (b), the pension will be payable from a date after the claim for it is made which is notified to the member by the scheme manager.

### **Option to commute part of pension**

**71.**—(1) A member who becomes entitled to the immediate payment of a retirement pension may opt under this regulation to exchange part of the pension for a lump sum.

(2) The option may only be exercised—

- (a) by written notice to the scheme manager which sets out the amount to be commuted; and
- (b) before the first payment of the pension is made.

(3) If a member exercises the option, for every £1 by which the amount of the member's annual rate of pension is reduced, the member must be paid a lump sum of £12.

(4) A member may not exchange more than the lesser of—

- (a) 25% of the pension for a lump sum under this regulation; or
- (b) the proportion of the pension to the extent that it would result in a scheme chargeable payment<sup>(a)</sup> for the purposes of Part 4 of FA 2004.

(5) This regulation does not apply to a pension derived from pension credit rights if the pension debit member from whose rights the pension is derived has received a lump sum under this regulation before the date on which the pension sharing order takes effect.

(6) This regulation does not apply to a higher tier ill-health pension.

## **CHAPTER 6**

### **Allocation of part of pension**

#### **Allocation election**

**72.**—(1) This regulation applies in relation to a retirement earned pension payable in respect of a member's pensionable service under this scheme.

(2) An active member or deferred member may elect to allocate up to a third of the amount of the annual rate of any of the member's retirement pensions under this scheme to a beneficiary ("allocation election").

(3) The beneficiary of an allocation election must be a person who, when the allocation election is made is—

- (a) the spouse, civil partner or cohabiting partner of the active member or the deferred member; or
- (b) with the consent of the scheme manager, any other person who is substantially dependent on the active member or deferred member and would have been a dependant of the member for the purposes of paragraph 15(2) or (3) of Schedule 28 to FA 2004 if the member had died when the election was made.

---

(a) See section 241 of the Finance Act 2004.

(4) The scheme manager may withhold consent under paragraph (3)(b) if the scheme manager is not satisfied that the person is substantially dependent on the active member or deferred member.

(5) If a member wishes to allocate pension to more than one beneficiary, a separate election must be made in respect of each beneficiary.

(6) Where more than one portion of a particular pension is allocated, the total of the allocated portions of that pension must not exceed the portion of that pension retained by the active or deferred member.

(7) If paragraph (8) applies, the member may elect to allocate only so much of the pension (after subtracting the commutation amount, if any) that exceeds the guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the scheme manager having regard to actuarial guidance.

(8) This paragraph applies if the member has a guaranteed minimum under section 14 (earner's guaranteed minimum) of PSA 1993 in relation to the whole or part of a pension as a result of receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum.

### **Making an allocation election**

**73.**—(1) When an active or deferred member intends to make an allocation election, that member must—

- (a) satisfy the scheme manager that that member is in good health and has a normal life expectancy; and
- (b) give the scheme manager written notice of an allocation election specifying—
  - (i) the portion,
  - (ii) the name and address of the beneficiary,
  - (iii) the sex of the beneficiary, and
  - (iv) the date of birth of the beneficiary.

(2) The notice of allocation, which may be sent by post, must be given not earlier than two months before the pension comes into payment.

(3) Where the requirements in paragraphs (1) and (2) have been satisfied, the scheme manager must notify the member that it has accepted the allocation election.

(4) An election has no effect if the member or the beneficiary dies before the notice of allocation takes effect.

### **Effect of allocation**

**74.**—(1) If an allocation election takes effect, the member's retirement pension is reduced accordingly.

(2) If a notice of allocation takes effect, it does so on the day on which the retirement pension comes into payment.

(3) Where a notice of allocation has taken effect, and the beneficiary survives the pensioner, the scheme manager must, from the date of the pensioner's death, pay the beneficiary a pension for life ("allocated pension") of an amount determined by the scheme manager in accordance with actuarial guidance in force when the notice of allocation takes effect, having regard to—

- (a) the amount of retirement pension allocated under the election; and
- (b) the age of the pensioner and beneficiary at the date when the notice of allocation was given.

(4) Where more than one portion of a member's retirement pension has been allocated, a separate calculation must be made under paragraph (3) in respect of each allocation.

(5) Where—

- (a) a notice of allocation has taken effect; and

(b) the beneficiary pre-deceases the pensioner,

the scheme manager must pay to the pensioner (distinguishing it from any other pension payable to that pensioner) the portion of pension that had been allocated (“the failed allocation pension”).

(6) Where paragraph (5) applies, the pensioner is not entitled to recover from the scheme manager the amount of any deduction made in respect of the failed allocation pension.

(7) An allocation ceases to have effect for the purposes of this regulation if it would result in a pension being paid under this regulation to a beneficiary who is neither—

- (a) the member’s spouse or civil partner or cohabiting partner on—
  - (i) the date on which the member becomes entitled to the pension, or
  - (ii) when the member dies; nor
- (b) a dependant of the member for the purposes of paragraph 15(2) or (3) of Schedule 28 to FA 2004 when the member dies.

### **Adjustment of allocated benefit**

**75.—**(1) The amount of allocated pension payable to the beneficiary of an allocation election may be adjusted in a manner determined by the scheme manager if—

- (a) the member who made the allocation election dies after reaching the age of 75; and
- (b) on the death of the member, the amount of allocated pension payable to the beneficiary does not qualify as a dependants’ scheme pension under section 167 (the pension death benefit rules) of FA 2004(a).

(2) In this regulation, “allocated pension” has the same meaning as that given in regulation 74(3) (effect of allocation).

## **PART 6**

### **Death benefits**

#### **CHAPTER 1**

##### **Interpretation**

### **Meaning of “surviving partner”**

**76.—**(1) For the purposes of these Regulations, a person is a surviving partner in relation to a member if, at the date of the member’s death, that person is—

- (a) the spouse or civil partner of the member;
- (b) cohabiting with the member and—
  - (i) is not married or in a civil partnership with that member, and
  - (ii) is not the spouse or civil partner of any other person, and
  - (iii) could enter into a marriage or civil partnership under the law of England and Wales with the member but has not done so,
  - (iv) is financially dependent on the scheme member, or is, with the scheme member, in a state of mutual financial dependency, and
  - (v) is in a long-term relationship with the scheme member.

(2) In paragraph (1) “long-term relationship” means a relationship that has continued for a period of at least two years ending with the date on which the question of the person’s status in

relation to the member falls to be considered, or such shorter period as the scheme manager may in any particular case think fit.

(3) In these Regulations, “cohabiting partner” means a person who satisfies the requirements in paragraph (1)(b).

### **Meaning of “initial period”**

**77.** For the purposes of this Part, the “initial period” is the period of 13 weeks commencing on the day after the death of the member during which a bereavement pension may be payable to any surviving partner or eligible child.

## **CHAPTER 2**

### **Pensions for surviving partners**

#### **Surviving partner’s pension payable on death of active member**

**78.—**(1) This regulation applies in relation to the surviving partner of a member who dies if, at the date of death, the member is an active member and has qualifying service of more than three months.

(2) A surviving partner to whom this regulation applies is entitled to a surviving partner’s pension.

(3) Subject to regulation 82 (reduction in pensions in cases of wide age disparity), the annual rate of the surviving partner’s pension is an amount equal to half the pension which the member would have been entitled to draw if the member had retired on the grounds of ill-health with the award of a higher tier ill-health pension on the date of the member’s death.

#### **Surviving partner’s pension payable on death of deferred member**

**79.—**(1) This regulation applies in relation to the surviving partner of a member who at the date of death is a deferred member.

(2) A surviving partner to whom this regulation applies is entitled to a surviving partner’s pension.

(3) Subject to regulation 82 (reduction in pensions in cases of wide age disparity), the annual rate of surviving partner’s pension is an amount equal to half of the sum of the provisional amount of deferred pension specified in the deferred member’s account and the amount of the added pension (if any) specified in the added pension account.

#### **Surviving partner’s pension payable on death of pensioner member**

**80.—**(1) This regulation applies in relation to the surviving partner of a member (P) who at the date of death is a pensioner member.

(2) A surviving partner to whom this regulation applies is entitled to a surviving partner’s pension.

(3) Subject to regulation 82 (reduction in pensions in cases of wide age disparity), the annual rate of the surviving partner’s pension is equal to half the amount of the annual rate of the retirement pension payable to P immediately before P’s death.

(4) Where an early payment reduction had been made on P’s retirement, the amount in paragraph (2) is half of the amount of retirement pension that would have been payable to P if that reduction had not been made.

#### **Bereavement pension: surviving partner**

**81.—**(1) Subject to paragraph (2), the surviving partner of an active member, or a pensioner member, is entitled to a bereavement pension for the initial period.

(2) The surviving partner of an active member is only entitled to a bereavement pension if the active member had at least three months qualifying service.

(3) If the member was an active member at the date of the member's death, the weekly amount of the bereavement pension payable under paragraph (1) is equal to the difference between the weekly amount of pensionable pay which the member was paid at the date of the member's death or, where the member was treated as receiving assumed pensionable pay, the weekly amount of assumed pensionable pay, and the weekly amount of the surviving partner's pension.

(4) If the member was a pensioner member at the date of the member's death, the weekly amount of the bereavement pension payable under paragraph (1) is equal to the difference between the weekly amount of the pension to which the member was entitled at the date of the member's death, and the weekly amount of the surviving partner's pension.

### **Reduction in pensions in cases of wide age disparity**

**82.**—(1) This regulation applies if on the death of a member of this scheme, a surviving partner's pension is payable to a person who is more than 12 years younger than the member.

(2) The annual rate of that pension is reduced by the lower of—

- (a) 50% of the amount of the annual rate of the pension so calculated; or
- (b)  $2.5 \times (N - 12)\%$  of that amount,

where N is the number of whole years by which the surviving partner is younger than the member.

### **Survivor's guaranteed minimum pensions**

**83.**—(1) If a person who is the surviving spouse or civil partner of a deceased active, deferred or pensioner member has a guaranteed minimum under section 17(a) of PSA 1993 in relation to benefits in respect of the deceased member under this scheme—

- (a) nothing in these regulations permits or requires anything that would cause requirements made by or under that Act in relation to such a person and such a person's rights under a scheme not to be met in the case of the person;
- (b) nothing in these regulations prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of the person.

(2) Paragraphs (3) and (4) are without prejudice to the generality of paragraph 1.

(3) This paragraph applies if apart from this regulation—

- (a) no pension would be payable to the surviving partner under this Part; or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum.

(4) If paragraph (3) applies—

- (a) a pension the weekly rate of which is equal to the guaranteed minimum is payable to the surviving partner for life or, as the case may be, pensions the aggregate weekly rate of which is equal to the guaranteed minimum are so payable; or
- (b) if paragraph (3)(b) applies, the pensions payable are increased to the amount specified in paragraph (a).

(5) Paragraph (4) does not apply to a pension—

- (a) that is forfeited—
  - (i) as a result of a conviction for treason, or

- (ii) in a case where the relevant offence under regulation 171 (forfeiture: offences committed by members, surviving partners or eligible children) falls under paragraph (b) of the definition in that regulation of “relevant offence” (Official Secrets Acts offences); or
- (b) where that pension is commuted under regulation 167 (commutation of small pensions) where the conditions in regulation 60 of the Occupational Pension Schemes (Contracting-out) Regulations 1996(a) are met.

## CHAPTER 3

### Pensions for eligible children

#### **Eligible child’s pension**

**84.**—(1) If a member, who has three months qualifying service, dies leaving an eligible child, an eligible child’s pension and, depending on the deceased member’s circumstances, a bereavement pension is payable in respect of the child.

(2) An eligible child’s pension is not payable in respect of any period before a child’s birth.

(3) If the person ceases to be an eligible child after the date of the member’s death, the pension ceases to be payable unless and until the child becomes an eligible child again, but, if the child does not cease to be an eligible child, the pension is payable for life.

#### **Meaning of “eligible child”**

**85.**—(1) In these Regulations, “child”, in relation to a deceased member, means—

- (a) a natural child, step-child or adopted child of the member; or
- (b) the natural child, step-child or adopted child of the member’s spouse, civil partner or cohabiting partner; or
- (c) any natural child of the member who was born after the member’s death and with whom the child’s mother was pregnant at the date of the member’s death.

(2) A child of the deceased member is an “eligible child” if—

- (a) the child was at the date of the deceased member’s death financially dependent on the deceased member;
- (b) the child is not married or in a civil partnership; and
- (c) the child satisfies any of the conditions A to C.

(3) Condition A is that the person is under the age of 18.

(4) Condition B is that the person is in full-time education or on a course of at least one year’s duration and has not reached the age of 23.

(5) Condition C is that the person is dependent on the member at the date of the deceased’s death by reason of permanent incapacity of mind or body.

#### **Eligible child’s pension on death of active member**

**86.**—(1) This regulation applies in relation to an eligible child of a member who dies if, at the date of death, the member is an active member and has qualifying service of more than three months.

(2) The annual rate of an eligible child’s pension to which this regulation applies is an amount equal to the specified proportion of the pension which the member would have been entitled to draw if the member had retired on the grounds of ill-health with the award of a higher tier ill-health pension on the date of the member’s death.

---

(a) S.I. 1996/1172. Regulation 60 was substituted by S.I. 2006/744, 2006/1337, 2009/2930 and 2010/499.

### **Eligible child's pension payable on death of deferred member**

**87.**—(1) This regulation applies in relation to an eligible child of a member who dies if, at the date of death, the member is a deferred member.

(2) The annual rate of an eligible child's pension is an amount equal to the specified proportion of the sum of the provisional amount of deferred pension specified in the deferred member's account and the amount of the added pension (if any) specified in the added pension account.

### **Eligible child's pension payable on death of pensioner member**

**88.**—(1) This regulation applies in relation to an eligible child of a member who dies if, at the date of death, the member is a pensioner member (P).

(2) Subject to paragraph (3), the annual rate of an eligible child's pension is an amount equal to the specified proportion of the amount of retirement pension payable to P immediately before P's death.

(3) Where an early payment reduction had been made on P's retirement, the amount in paragraph (2) is the specified proportion of the amount of retirement pension that would have been payable if that reduction had not been made.

### **Specified proportion**

**89.**—(1) The specified proportion is one quarter where there is one eligible child at the date of the member's death.

(2) If there is more than one eligible child at the date of the member's death the specified proportion is half of the pension mentioned in regulations 86 (eligible child's pension on death of active member), 87 (eligible child's pension payable on death of deferred member) and 88 (eligible child's pension payable on death of pensioner member) divided by the number of eligible children so that each eligible child receives an equal share.

(3) If a person ceases to be an eligible child, that person's pension will cease to be paid and where there is still more than one eligible child, the amount of that pension must be distributed between the remaining eligible children (if any).

### **Increase in eligible child's pension where there is no surviving partner**

**90.**—(1) This regulation applies if at the date of the member's death there was no person who was entitled to a surviving partner's pension.

(2) If this regulation applies and there is an eligible child, that child is also entitled to the amount of pension in accordance with paragraphs (3) or (4) which the surviving partner would have received—

- (a) under regulation 78 (surviving partner's pension payable on death of active member) if the member (P) was an active member at the date of P's death;
- (b) under regulation 79 (surviving partner's pension payable on death of deferred member) if P was a deferred member at the date of P's death;
- (c) under regulation 80 (surviving partner's pension payable on death of pensioner member) if P was a pensioner member at the date of P's death.

(3) If there is only one eligible child, that child receives an additional amount equal to the amount ascertained in accordance with paragraph (2).

(4) If there is more than one eligible child at the date of P's death, the amount ascertained in accordance with paragraph (2) is divided between the number of eligible children so that each eligible child receives an equal share.

(5) If a person ceases to be an eligible child, that person's share of the amount ascertained in accordance with paragraph (2) will cease to be paid and the share must be distributed between the remaining eligible children (if any).

### **Increase in eligible child's pension where member was pension debit member**

**91.** If the member's benefits were at the date of death subject to a reduction under section 31 of the WRPA, any eligible child's pension must be calculated as though that reduction had not been made.

### **Bereavement pension: eligible child**

**92.**—(1) If a surviving partner's pension is not payable on the death of the member, a bereavement pension is payable to an eligible child who is entitled to an eligible child's pension on the death of an active member or a pensioner member.

(2) If the surviving partner dies before the end of the initial period and a bereavement pension was payable to the surviving partner, a bereavement pension is payable to any eligible child for the remaining part of the initial period or until the child ceases to be eligible for an eligible child's pension if that is earlier.

(3) If the member was an active member at the date of the member's death, the weekly amount of the bereavement pension payable under paragraphs (1) or (2) is equal to the difference between the weekly amount of pensionable pay which the member was paid at the date of the member's death or, where the member was treated as receiving assumed pensionable pay, the weekly amount of assumed pensionable pay, and the weekly amount of the surviving partner's pension.

(4) If the member was a pensioner member, the weekly amount of the bereavement pension payable under paragraphs (1) or (2) is equal to the difference between the weekly amount of the pension to which the member was entitled at the date of the member's death, and the weekly amount of the surviving partner's pension.

(5) If there is more than one eligible child, the weekly amount of the bereavement pension payable under paragraphs (1) or (2) is divided by the number of eligible children so that each receives an equal share.

(6) If a person ceases to be an eligible child before the end of the initial period, that person's share of the bereavement pension will cease to be paid and the share will be distributed between the remaining eligible children (if any).

## **CHAPTER 4**

### **Lump sum death benefits**

#### **Meaning of "final pay"**

**93.**—(1) In this Chapter, "final pay" means the greater of the following amounts—

- (a) the amount of the member's pensionable pay during the member's continuous period of pensionable service in the period of 365 days ending with the last day of pensionable service; and
- (b) the amount of the member's pensionable pay during the member's continuous period of pensionable service in the period of three years ending with the last day of pensionable service, divided by three.

(2) If the member's continuous period of pensionable service was less than 365 days, the amount in paragraph (1)(a) is an amount equal to the member's annualised final pay.

(3) For the purpose of determining which of the amounts mentioned in paragraph (1) is the greater—

- (a) if the member's continuous period of pensionable service was less than three years the amount in paragraph (1)(b) is the total pensionable pay received for that service divided by the number of years in pensionable service calculated in accordance with regulation 182 (calculation of periods of membership and service); and
- (b) if a member is treated as receiving assumed pensionable pay for any period included in paragraph (1)(a) or (1)(b), pensionable pay in this regulation includes that assumed pensionable pay.

(4) But if the continuous period of pensionable service includes the day 29th February, paragraphs (1)(a) and (2) have effect with the substitution for “365” of “366”.

#### **Meaning of “annualised final pay”**

**94.**—(1) For the purpose of this Chapter, a member’s annualised final pay is  $FP \times 365/N$  where—

- (a) FP is the member’s pensionable pay during the member’s continuous period of pensionable service; and
- (b) N is the number of days in that period.

(2) But if the continuous period of pensionable service includes the day 29th February, paragraph (1) has effect with the substitution for “365” of “366”.

#### **Person to whom lump sum death benefit payable**

**95.** The scheme manager may, at its absolute discretion, pay any lump sum death benefit payable under this Chapter to or for the benefit of the member’s nominee, personal representatives or any person appearing to the scheme manager to have been a relative or dependent of the member.

#### **Lump sum payable on death of active member**

**96.**—(1) If an active member dies, the scheme manager must pay a lump sum death benefit.

(2) The amount of the lump sum death benefit is an amount equal to three times the amount of the member’s final pay.

(3) Where an active member has more than one active member’s account, a lump sum death benefit is payable in respect of each of those accounts.

#### **Lump sum payable on death of pensioner member**

**97.**—(1) This regulation applies if a pensioner member dies within five years of the pension coming into payment.

(2) If this regulation applies, the scheme manager must pay a lump sum death benefit.

(3) The amount of the lump sum death benefit is equal to—

- (a) the total annual amount of the member’s pensions, multiplied by five; less
- (b) the total amount of any pension payments made to the member under this scheme.

(4) In paragraph (3)(a), “total annual amount of the member’s pensions” means the total of the annual rate of the retirement pension shown in the member’s pension accounts calculated as if the beginning date for that pension were the date of the member’s death.

(5) For the purpose of this regulation any amounts paid or payable to or in respect of the member in the capacity of a pension credit member are disregarded.

#### **Lump sum payable on death in certain cases**

**98.** Where a person (P) at the time of P’s death was a pensioner member of this scheme and an active member of this scheme, the amount of the lump sum death benefit payable is the greater of the amount of lump sum death benefit payable under regulation 96 (lump sum payable on the death of active member) and the amount of the lump sum death benefit payable under regulation 97 (lump sum payable on the death of a pensioner member).

### **Lump sum payable on death of pension credit member**

**99.**—(1) If a pension credit member dies before any benefits derived from a pension credit have become payable to the member, the scheme manager must pay a lump sum death benefit in accordance with paragraph (2).

(2) The amount of the lump sum death benefit that is payable under paragraph (1) is equal to the product of 2.25 and the annual rate of the pension credit member's pension to which that member would have been entitled if that member had been entitled to the immediate payment of the pension at the date of death.

(3) If a pension credit member dies within five years of the pension credit member's pension becoming payable, and before attaining the age of 75, the scheme manager must pay a lump sum death benefit in accordance with paragraph (4).

(4) The amount of the lump sum death benefit that is payable under paragraph (3) is the difference between—

- (a) the amount that is five times the amount of the pension credit member's pension; and
- (b) the instalments of pension that have been paid.

(5) In paragraph (4), "amount of the pension credit member's pension" means the annual amount of that pension at the date the pension credit member's pension came into payment.

(6) If the deceased member was a pension credit member entitled to two or more pension credits, the lump sum death benefits under this scheme are payable in respect of the member as if the member were two or more members, each being entitled to one of the pension credits.

## **CHAPTER 5**

### **Payment of death benefits**

#### **Payment of pensions under this Part**

**100.**—(1) A surviving partner's pension or eligible child's pension is payable from the day after the date of the member's death.

(2) An eligible child's pension payable in respect of an eligible child aged under 18 must be paid to such other person as the scheme manager determines and the scheme manager must require the person to apply it for the eligible child's benefit in accordance with the scheme manager's directions.

#### **Surviving partner's pensions and eligible child's pensions: suspension and recovery**

**101.**—(1) This regulation applies if—

- (a) on a member's death a pension has been awarded and paid under this Part; and
- (b) it later appears to the scheme manager that the member or the person to whom the pension has been paid made a false declaration or deliberately suppressed a material fact in connection with the award.

(2) The scheme manager may—

- (a) cease paying the pension; and
- (b) recover any payment made under the award.

(3) Paragraph (2) does not affect the scheme manager's right to recover a payment or overpayment under any other provision where the scheme manager considers it appropriate to do so.

#### **Provisional awards of eligible child's pensions: later adjustments**

**102.**—(1) This regulation applies where after the death of an active member, deferred member or pensioner member—

- (a) a pension is paid in respect of one or more persons under this Part on the basis that they were eligible children as at the date of the member's death and that there were then no other eligible children; and
- (b) subsequently it appears—
  - (i) that a person in respect of whom such a pension has been paid was not an eligible child on the date of death,
  - (ii) that a further person was an eligible child, or
  - (iii) that a child who was born after the member's death is an eligible child.

(2) The scheme manager may make such adjustments in the amount of the pensions payable in respect of the children in question as are required in view of the facts as they subsequently appear and these adjustments may apply retrospectively.

(3) Paragraph (2) does not affect the scheme manager's right to recover a payment or overpayment in any case where the scheme manager considers it appropriate to do so.

#### **Adjustment of eligible child's awards consequent on re-instatement of pension benefits**

**103.**—(1) This regulation applies where a person (P) who would be eligible to receive benefits as a surviving partner or eligible child following the death of an active member, deferred member or pensioner member, has been convicted of the murder or manslaughter of that member and that conviction has subsequently been quashed on appeal.

(2) If P is then eligible to receive a surviving partner's pension, any increase in an eligible child's pension under regulation 90 (increase in eligible child's pension where there is no surviving partner) ceases to be payable from the date on which the conviction is quashed.

(3) If P is then eligible to receive an eligible child's pension, and if more than one person is receiving an eligible child's pension on the day before the conviction is quashed, the amount of each eligible child's pension is reduced from the date on which the conviction is quashed to an amount of the eligible child's pension determined according to the specified proportion which would have applied to that number of eligible children.

#### **Adjustment of benefits to comply with FA 2004 where members die over 75**

**104.**—(1) This regulation applies if—

- (a) a member dies after reaching the age of 75; and
- (b) apart from this regulation, any part of a pension to which any person becomes entitled under this Part on the death would not qualify as a dependants' scheme pension for the purposes of section 167 of FA 2004 (the pension death benefit rules).

(2) The benefit payable to the person may be adjusted in such manner as is determined by the scheme manager so that it qualifies as a dependants' scheme pension for the purposes of section 167 of FA 2004.

## **PART 7**

### **Benefits for pension credit members**

#### **Entitlement to pension credit members' pension**

**105.**—(1) A pension credit member (P) of this scheme is entitled to the immediate payment of a pension credit member's pension under this scheme if—

- (a) P has reached deferred pension age;
- (b) the pension sharing order under which P is entitled to the pension credit has taken effect; and
- (c) P has claimed payment of the pension.

(2) If P is entitled to two or more pension credits, P is entitled to a pension credit member's pension in respect of each pension credit.

#### **Annual rate of pension credit member's pension**

**106.** The annual rate of a pension credit member's pension is calculated by—

- (a) taking the amount of credited pension specified in the pension credit member's account; and
- (b) subtracting the commutation amount (if any) specified in that account in relation to that amount.

#### **Reduction in pension debit member's benefits**

**107.** The benefits to which a pension debit member is entitled under these Regulations are subject to the reduction of the relevant amount calculated in accordance with regulation 54 (establishment of pension credit member's account).

#### **Pension credit member's rights**

**108.** Benefits that are attributable (directly or indirectly) to a pension credit may not be aggregated with any other benefit to which the pension credit member is entitled under this scheme.

#### **Commutation of part of pension**

**109.—**(1) A pension credit member who becomes entitled to payment of a pension credit member's pension under this scheme may opt to exchange part of the pension for a lump sum.

(2) The option may only be exercised by notice —

- (a) to the scheme manager not earlier than four months before the later of—
  - (i) the date on which the pension sharing order comes into effect, or
  - (ii) the date on which the person attains deferred pension age;
- (b) in such form as the scheme manager requires; and
- (c) before the first payment of the pension is made.

(3) If a pension credit member exercises the option under this regulation, for every £1 by which the amount of the member's annual rate of pension is reduced, the member is to be paid a lump sum of £12.

(4) The commuted portion must not exceed one quarter of the amount of the pension credit member's pension.

(5) A pension credit member may not exchange pension for a lump sum under this regulation to the extent that it would result in a scheme chargeable payment for the purposes of Part 4 (pension scheme etc.) of FA 2004 (see section 241 of that Act).

(6) This regulation does not apply if the pension debit member from whose rights the pension is derived received a lump sum under Part 5 (retirement benefits) before the date on which the pension sharing order takes effect.

**PART 8**  
**Contributions**  
**CHAPTER 1**  
**Member contributions**

**Member contributions**

**110.**—(1) Subject to regulations 111 to 113 (contributions during absences), an active member of this scheme must pay contributions to the scheme in respect of a scheme employment at the contribution rate applicable to the annual pensionable pay that member is receiving in the pay period in which 1st April falls for that employment (or in the case of an active member whose membership commences after 1st April in any year, on the annual pensionable pay the member receives at the commencement of that membership).

(2) The contribution rate applicable to a scheme employment is as specified in the following table, with the contribution rate specified in the appropriate column for the year to be considered applicable to the band of pensionable pay specified in the first column into which the active member's annual pensionable pay, rounded down to the nearest whole pound, falls:

<i>Pensionable pay range for an employment</i>	<i>Contribution rate 1st April 2015-31st March 2016</i>
Up to £27,000	10.0%

(3) The amount of pensionable pay of a retained or volunteer firefighter for the purpose of the first column of the table must be that firefighter's reference pay.

(4) The amount of pensionable pay of a part-time regular firefighter for the purpose of the first column of the table must be the amount of pensionable pay of a whole-time regular firefighter of equivalent role and length of service.

(5) Where there is a change in scheme employment, or a material change which affects the member's pensionable pay in the course of a financial year and the revised amount of the

pensionable pay falls into a different contribution rate band the scheme manager must determine that this rate should be applied and the scheme manager must inform the member of the contribution rate applicable and the date from which it is to be applied.

(6) Where the scheme manager has determined under paragraph (5) that a different contribution rate applies, the member must pay contributions at that rate on the pensionable pay that member is receiving at that time.

(7) For the purposes of identifying which is the applicable contribution rate under this regulation, any reduction in pensionable pay which arises as a consequence of any of the following circumstances is to be disregarded—

- (a) the actual or assumed enjoyment by the member of any statutory entitlement during any period away from work;
- (b) child-related leave;
- (c) leave of absence with permission;
- (d) sick leave;
- (e) leave due to injury;
- (f) reserve forces service leave;
- (g) absence due to a trade dispute; or
- (h) circumstances specified by the scheme manager in a particular case.

(8) In these Regulations, “member contributions” means contributions which an active member may pay under this regulation, and regulations 111 to 113 (contributions during absences from work).

#### **Contributions during absence from work due to illness, injury, trade dispute or authorised absence**

**111.**—(1) An active member away from scheme employment by reason of illness or injury must pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by the amount of any pensionable pay received, including statutory pay.

(2) If an active member is absent from scheme employment by reason of illness or injury and is not entitled to receive pensionable pay (including statutory pay) for any period that member may pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by the amount of pay received immediately before the cessation of pay and if required by the scheme employer, pay the amount of employer contribution which the scheme employer would otherwise be required to pay by regulation 117(3) (employer contributions).

(3) If an active member is absent on a trade dispute, the member may elect to pay the contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by the assumed pensionable pay that member is treated as receiving and if required by the scheme employer, pay the amount of employer contribution which the scheme employer would otherwise be required to pay by regulation 117(3) (employer contributions).

(4) If an active member is away from work during a period of authorised unpaid absence, the member may elect to pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by the assumed pensionable pay that member is treated as receiving and if required by the scheme employer, pay the amount of employer contributions which the scheme employer would otherwise be required to pay by regulation 117(3) (employer contributions).

(5) Where paragraph (2), (3) or (4) applies, the contributions must be paid before the end of the period of six months starting with the date on which the member is treated as receiving assumed pensionable pay.

### **Contributions during absence from work on reserve forces service leave**

**112.**—(1) An active member (P), who is on reserve forces service leave and who is treated as receiving assumed pensionable pay, must pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions).

(2) The amount of the contributions paid is calculated by multiplying the contribution rate by the lesser of the following amounts—

- (a) assumed pensionable pay;
- (b) the total of the actual pay received and any additional payment made by the scheme employer.

### **Contributions during child-related leave**

**113.**—(1) An active member on child-related leave must pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by any pensionable pay received, including statutory pay but that pay does not include any amount that reduces the member's actual pensionable pay on account of possible entitlement to statutory pay.

(2) If an active member is on ordinary maternity leave, paternity leave or ordinary adoption leave and is not entitled to receive pensionable pay (including statutory pay) for any of that period, that member is treated for the purposes of these Regulations as if that member had paid contributions for that unpaid period under paragraph (1).

(3) An active member on additional maternity leave, additional paternity leave, additional adoption leave or parental leave who is not entitled to receive any pensionable pay (including statutory pay) for any of the period of child-related leave, may elect to pay contributions at the contribution rate ascertained in accordance with regulation 110 (member contributions) multiplied by the assumed pensionable pay that member is treated as receiving.

(4) An election to pay contributions may only be made before the end of the period of 30 days starting with the date on which that member returns to work after the period of child-related leave, or if the member does not return to work, the day on which the member ceases to be employed by the employer.

### **Deduction and payment of contributions**

**114.**—(1) The contributions required to be paid under regulation 110 (member contributions) may be deducted by the scheme employer from each instalment of pensionable pay as it becomes due unless another method of payment has been agreed between the scheme manager and the member.

(2) Contributions required to be paid under regulation 112(1) (contributions during absence from work on reserve forces service leave) may be deducted from any payment made under Part 5 of the Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951(a), to the extent that they are payable in respect of the same period.

(3) Contributions which the member has elected to pay, or is required to pay, under regulations 111 (contributions during absence from work due to illness, injury, trade dispute or authorised absence) and 113 (contributions during child-related leave) may be paid by a lump sum or by deduction from instalments of pensionable pay as agreed between the scheme manager and the member.

### **Schedule 1 (payments for added pension)**

**115.** Schedule 1 has effect (including as to the deduction of payments for added pension).

---

(a) 1951 c.65.

## CHAPTER 2

### Refund of member contributions

#### **Refund of all member contributions and payments for extra pension made by member**

**116.**—(1) This regulation applies in relation to a continuous period of pensionable service under the scheme.

(2) All member contributions and payments resulting from the election to make additional pension contributions under Schedule 1 are refundable if—

- (a) regulation 15 (opting out before the end of the first three months) applies; or
- (b) the member ceases to be in pensionable service under this scheme and—
  - (i) the member has less than three months qualifying service,
  - (ii) if a transfer payment has been received by this scheme in relation to the member it was from another occupational pension scheme, and
  - (iii) the member has not reached GMP age under this scheme.

(3) If paragraph (2)(b) applies, the member is entitled to be paid an amount equal to the sum of any member contributions and payments for added pension made by the member, less an amount equal to the income tax payable under section 205 of FA 2004 (short service refund lump sum charge) as a result of a refund of those contributions and payments.

(4) If all member contributions and payments for added pension made by the member are refunded under this regulation, the member's rights under this scheme in relation to the period of pensionable service are extinguished.

## CHAPTER 3

### Employer contributions

#### **Employer contributions**

**117.**—(1) The Secretary of State must determine after consultation with the scheme actuary the employer contribution rate.

(2) The employer of an active member of this scheme must pay contributions at the employer contribution rate on that member's pensionable earnings.

(3) The employer of an active member who is treated under regulation 18 (meaning of "assumed pensionable pay") as receiving assumed pensionable pay must pay contributions at the employer contribution rate of the assumed pensionable pay that the member is treated as receiving.

(4) The Secretary of State must notify the scheme manager of the employer contribution rate and the date from which this will take effect.

(5) In these Regulations, "employer contribution" means the contributions payable under paragraph (2) or (3) of this regulation.

#### **Employer additional contribution: ill-health award**

**118.**—(1) Where a member (H) has retired with an entitlement to the immediate payment of a higher tier ill-health pension and a lower tier ill-health pension under regulation 65(2) (entitlement to lower tier ill-health pension and higher tier ill-health pension), H's employer must pay a higher tier ill-health additional contribution.

(2) The amount of the higher tier ill-health additional contribution is the amount determined and notified to H's employer by the Secretary of State.

(3) Where a member (L) has retired with an entitlement to the immediate payment of a lower tier ill-health pension and without any entitlement to a higher tier ill-health pension, L's employer must pay a lower tier ill-health additional contribution.

(4) The amount of the lower tier ill-health additional contribution is the amount determined and notified to L's employer by the Secretary of State.

(5) The employer must pay the higher tier ill health additional contribution or the lower tier ill health additional contribution, as the case may be, in equal instalments due on:

- (a) the date on which the member retires;
- (b) 1st April of the financial year following the financial year in which the first instalment was paid;
- (c) 1st April of the financial year following the financial year in which the second instalment was paid.

### **Refund of employer additional contribution for ill health award following review**

**119.**—(1) Subject to paragraph (2), where the scheme manager has considered the entitlement of a member (P) to an ill-health award under regulation 68 (review of ill-health award or early payment of retirement pension) and as a consequence of that review the entitlement of P to either a higher tier ill-health pension or a lower tier ill-health pension has ceased, or the entitlement of P to both pensions has ceased, the scheme manager must pay the amount in paragraph (3) or (5), as the case may be, to the employer.

(2) Where the employer has paid all the instalments of higher tier ill-health additional contributions required by regulation 118 (employer additional contribution: ill-health award), the scheme manager is not required to pay the employer the amount mentioned in paragraph (3).

(3) Where P, as a result of a review under regulation 68 (review of ill-health award or early payment of retirement pension), ceases to be entitled to a higher tier ill-health pension and remains entitled to a lower tier ill-health pension, the scheme manager must pay an amount equal to the difference between the instalments of higher tier ill-health additional contribution which have been paid under regulation 118(1) (employer additional contribution: ill-health award) and the instalments of the lower tier ill-health additional contribution which would have been required to be paid under regulation 118(3) (employer additional contribution: ill-health award) if only the lower tier ill-health pension had been payable ("the notional payment").

(4) The scheme manager must determine the amount of the notional payment payable under paragraph (3).

(5) Where P, as a result of a review under regulation 68 (review of ill-health award or early payment of retirement pension), ceases to be entitled to a higher tier ill health pension and to a lower tier ill-health pension or to a lower tier ill-health pension as the case may be and the employer has not paid all the instalments of higher tier ill-health pension or lower tier ill-health pension as required by regulation 118 (employer additional contribution ill-health award), the scheme manager must repay to the employer any instalments of higher tier ill-health additional contribution or lower tier ill-health additional contribution as the case may be, which have been paid in respect of P and no further instalments will be due in respect of P.

### **Employer additional contribution: employer initiated retirement**

**120.**—(1) Where an employer has made a determination under regulation 62 (employer initiated retirement) to pay an active member who has not attained normal pension age a pension calculated in accordance with regulation 59 (annual rate of retirement pension (active members)) without making the early payment reduction, the employer must pay the employer initiated retirement additional contribution.

(2) The amount of the employer initiated retirement additional contribution is calculated in accordance with actuarial guidance and that actuarial guidance must have regard to the difference between the pension that is payable under regulation 62 (employer initiated retirement) and the pension payable under regulation 59 (annual rate of retirement pension (active members)) reduced in accordance with regulation 61(3) (early payment reduction).

(6) The whole of the transfer payment must be made in accordance with the provisions of this regulation.

(7) If section 96(2) of PSA 1993 (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the member's other rights) applies, benefits attributable to the following may be excluded from the transfer payment—

- (a) the member's accrued rights to a guaranteed minimum pension; or
- (b) the member's accrued rights attributable to service in contracted-out employment, within the meaning of Part 3 of PSA 1993, on or after 6th April 1997.

#### **Application for a statement of entitlement**

**134.**—(1) This regulation applies in relation to an active or deferred member of this scheme (P) who requires a transfer payment to be made in respect of P's accrued rights to benefits under this scheme.

(2) Before requesting this transfer payment, P must apply for a statement of entitlement by written notice to the scheme manager.

(3) P may withdraw the application by written notice to the scheme manager at any time before the statement is provided.

(4) P may make a second application in the period of 12 months beginning with the date of the first application.

#### **Statement of entitlement**

**135.**—(1) The scheme manager must specify in the statement of entitlement the date by reference to which the cash equivalent or club transfer value is calculated ("the guarantee date").

(2) Unless paragraph (4) applies, the guarantee date must fall within both the following periods—

- (a) the three months beginning with the date of the member's application for the statement of entitlement ("the three month period"); and

(b) the 10 days ending with the date on which the member is provided with that statement (“the 10 day period”).

### **Calculating the amount of a transfer value or club transfer value**

**137.**—(1) Subject to paragraphs (2) and (3), the amount of the transfer value is to be calculated in accordance with actuarial guidance as at the guarantee date.

(2) If a transfer value is paid later than six months after the guarantee date, the amount of the guaranteed cash equivalent must be increased in accordance with regulations made under section 97 (calculation of cash equivalents) of PSA 1993.

(3) If a club transfer value is paid later than six months after the guarantee date, the amount of the club transfer value as specified in the statement of entitlement must be increased if necessary so that it is equal to the amount it would have been if the guarantee date had been the date on which the payment is made.

(4) If the transfer value or club transfer value is less than the minimum transfer value, the amount of the transfer value or club transfer value must be increased so that it is equal to the amount of the minimum transfer value.

(5) In this regulation—

- (b) the period of pensionable service in the scheme employment, or employments, with the employer; and
- (c) the date on which the certificate is given.

- (a) the entries in the pension account, or pension accounts if more than one, at the date of the certificate;
- (b) the period of pensionable service in the scheme employment, or employments, with that employer;
- (c) the date on which the member had ceased to be employed in scheme employment by that employer; and
- (d) the date on which the certificate is given.

(3) Where a scheme manager is required to provide a certificate under paragraph (1), and the scheme manager had established an added pension account for that member that scheme manager must provide the member with a certificate stating—

- (a) the entries in the added pension account at the date of the certificate;
- (b) the date on which the certificate is given; and
- (c) details of the member's added pension election where the contributions period has not ended.

(4) Where a scheme manager is required to provide a certificate under paragraph (2), or where a deferred member intends to make an added pension election having taken up scheme employment after a gap in pensionable service exceeding five years, and the scheme manager in relation to a previous period of pensionable service had established an added pension account, that scheme manager must provide the member with a certificate, where the member requests one, stating—

- (a) the entries in the pension account at the date of the certificate;
- (b) the date on which the member had ceased to be employed in scheme employment by that employer; and
- (c) the date on which the certificate is given.

(5) Where an active member has two or more active member's accounts with two or more different scheme managers, and that member intends to make, or has made an added pension election, that member may request a certificate from the scheme manager who established the added pension account so that that certificate may be provided to another scheme manager ("B") in respect of a different active member's account so that the entries may be transferred to an added pension account established by B.

(6) The scheme manager must provide a certificate under this regulation—

- (a) within three months of the date on which the active member leaves scheme employment;  
or

- (b) within three months of the date on which the deferred member notifies the scheme manager of the new scheme employment.

#### **Request to confirm details on certificate**

**147.** Where a member has been provided with a certificate under regulation 146 (requirement for scheme manager to provide a certificate) and is dissatisfied with the information stated on the certificate, that member may within the period of three months commencing on the date on which the certificate was received, request the scheme manager who provided the certificate to confirm the accuracy of the information contained in it or to provide an amended certificate.

#### **Appeal concerning entries on the certificate**

**148.—(1)** Where a member (P) is not satisfied with the entries on the certificate, or amended certificate, after P has made a request under regulation 147 (request to confirm details on certificate), P may, by written notice given to the scheme manager who provided the certificate within 28 days of the notification date, require the scheme manager to deal with the disagreement by means of arrangements implemented by it pursuant to the requirements of section 50 of the Pensions Act 1995(a) (resolution of disputes) and the Occupational Pension Schemes (Internal Dispute Resolution Procedures Consequential and Miscellaneous Amendments) Regulations 2008(b).

(2) The new scheme employer must request the scheme manager who gave the certificate to confirm that the member has provided certificates in respect of all pension accounts for which that employer was the scheme manager.

(3) After the confirmation has been provided by the scheme manager, the new scheme employer must transfer the appropriate entries from the certificate provided to the new active member’s pension account which has been established under regulation 31 (establishment of active member’s account) and where the member had an added pension account transfer the appropriate entries from the certificate provided in respect of that account to the new added pension account established under regulation 38 (establishment of added pension account).

(4) When the transfer of entries has been completed under paragraph (3), the new scheme manager must inform the former scheme manager that the transfer has taken place and the former scheme manager must close all pension accounts relating to the certificates provided in respect of that member.

(5) If the number of pension accounts in respect of which details have been provided by the former scheme manager under paragraph (1) or (2) of regulation 146 (requirement for scheme manager to provide a certificate) is greater than the number of active member’s accounts established by the new scheme manager, the member must decide, following consultation with the new scheme manager, from which pension account entries should be transferred to the new active member’s account or accounts and notify the former scheme manager of this.

(6) Where paragraph (5) applies and there are one or more pension accounts from which entries are not transferred, those accounts must be closed and the former scheme manager must establish a deferred member’s account in respect of each of those accounts.

---

(a) 1995 c.26.

(b) S.I. 2008/649.

(7) Where a member has taken up scheme employment with two or more employers and intends to make an added pension election, the member may choose to which scheme manager the certificate provided under paragraph (3) or (4) of regulation 146 (requirement for scheme manager to provide a certificate) is to be given.

(8) The scheme manager is not required to make any payment to the new scheme manager in connection with the transfer of a pension account.

**151.** The scheme manager must determine whether a person is entitled to an award or to retain an award.

#### **Role of IQMP in determinations by the scheme manager**

**152.**—(1) In making a determination as to whether a person is entitled to an award, or to retain an award, where the determination as to entitlement depends in part on the ill-health or capacity of the person who would be so entitled, the scheme manager must obtain the written opinion of the IQMP on any issue which is wholly or partly of a medical nature.

(2) The scheme manager must request an IQMP to provide an opinion on the following issues for the purpose of determining any question arising under this scheme—

- (a) whether a person is incapable of performing any duties of the role in which that person was last employed because of incapacity of mind or body;

- (b) whether the incapacity in sub-paragraph (a) above is likely to continue until normal pension age or deferred pension age, as the case may be;
  - (c) whether a person has become capable of performing any duties of the role from which that person retired on grounds of ill-health;
  - (d) whether a person is or has become capable of undertaking regular employment; or
  - (e) any other issue wholly or partly of a medical nature.
- (3) Subject to paragraph (6), the IQMP must certify under paragraph (2) that—
- (a) the IQMP has not previously advised, or given an opinion on, or otherwise been involved in, the particular case for which the opinion has been requested; and
  - (b) the IQMP is not acting, and has not at any time acted, as the representative of the member, the scheme manager, or any other party in relation to the same case.
- (4) An IQMP's opinion under paragraph (2) is binding on the scheme manager unless it is superseded by the IQMP's response under regulation 153(2) (review of medical opinion) or the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence).
- (5) The IQMP's response under regulation 153 (review of medical opinion) or the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence), as the case may be, is binding on the scheme manager.
- (6) Where, in consequence of an opinion given under paragraph (2), a member has retired on the grounds of ill-health, the IQMP who gave the opinion may, if so requested by the scheme manager for the purposes of a review under regulation 68(1) (review of ill-health award or early payment of retirement pension), give a further opinion.
- (7) If—
- (a) a person wilfully or negligently fails to submit to medical examination by the IQMP selected by the scheme manager; and
  - (b) the IQMP is unable to give an opinion on the basis of the medical evidence available,
- the scheme manager may make a determination on the issue on such other medical evidence as the scheme manager thinks fit, or without medical evidence.
- (8) Within 14 days of making a determination under these Regulations, the scheme manager must—
- (a) give written notice of it to the person concerned; and
  - (b) in the case of a determination on an issue wholly or partly of a medical nature, unless paragraph (7) applies, supply that person with a copy of the opinion obtained under paragraph (2).

## **Review of medical opinion**

### **153.—(1) Where—**

- (a) new evidence on an issue wholly or partly of a medical nature is presented to the scheme manager by a member (P) in respect of whom a determination has been made under these Regulations;
- (b) the scheme manager receives that evidence—
  - (i) where a copy of an opinion was supplied in accordance with paragraph (8) of regulation 152 (role of IQMP in determinations by the scheme manager), within 28 days of the receipt by P of that copy, and
  - (ii) in any other case, within 28 days of the receipt by P of notice of the scheme manager's determination; and
- (c) the scheme manager and P agree that the IQMP should be given the opportunity of reviewing that opinion in the light of the new evidence,

the scheme manager must send a copy of the new evidence to the IQMP and invite the IQMP to reconsider that opinion.

(2) An IQMP's response to an invitation under paragraph (1) must be in writing.

(3) An IQMP's response under paragraph (2) is binding on the scheme manager unless it is superseded by the outcome of an appeal under regulation 154 (appeals against determinations based on medical evidence).

(4) As soon as reasonably practicable after receiving a response under paragraph (2), the scheme manager must reconsider its determination.

(5) Within 14 days of that reconsideration, the scheme manager must—

- (a) give written notice to P that it has confirmed its determination or revised its determination (as the case may be);
- (b) if it has revised its determination, supply P with written notice of the revised determination; and
- (c) supply P with a copy of the response under paragraph (2).

## CHAPTER 2

### Appeals to Board of Medical Referees

#### **Appeals against determinations based on medical evidence**

**154.**—(1) A member (P) who wishes to appeal against a scheme manager's determination on an issue of a medical nature may do so to a board of medical referees in accordance with the provisions of regulations 155 (notice of appeal) to 162 (notices etc).

(2) Subject to paragraph (3), where a determination—

- (a) is made with regard to an opinion obtained under regulation 152(2) (role of IQMP in determinations by the scheme manager) or medical evidence relied on as mentioned in regulation 152(7); or
- (b) is reconsidered under regulation 153(4) (review of medical opinion) with regard to a response under paragraph (2) of that regulation,

the scheme manager must, within 14 days of making, confirming or revising the determination (as the case may be), send to P the documents mentioned in paragraph (4).

(3) Nothing in paragraph (2) requires the supply of documents that have already been supplied under regulation 152(8) (role of IQMP in determinations by the scheme manager) or 153(5) (review of medical opinion).

(4) The documents are—

- (a) a copy of the opinion, response or evidence (as the case may be);
- (b) an explanation of the procedure for appeals under this rule; and
- (c) a statement that, if P wishes to appeal against the scheme manager's determination on an issue of a medical nature, P must give written notice to the scheme manager, stating P's name and address and the grounds of appeal, not later than 28 days after P receives the last of the documents required to be supplied under this paragraph, or within such longer period as the scheme manager may allow.

#### **Notice of appeal**

**155.**—(1) Subject to paragraph (2), written notice of appeal against a determination on an issue of a medical nature stating—

- (a) the appellant (P)'s name and address; and
- (b) the grounds of the appeal,

must be given to the scheme manager within 28 days of the date on which P receives the documents referred to in regulation 154(4) (appeals against determinations based on medical

evidence); and where P receives those documents on different dates, they are to be treated for this purpose as received on the later or latest of those dates.

(2) Where—

- (a) notice of appeal is not given within the period specified in paragraph (1); but
- (b) the scheme manager is of the opinion that P's failure to give it within that period was not due to P's own default,

the scheme manager may extend the period for giving notice for such length, not exceeding six months from the date mentioned in paragraph (1), as the scheme manager considers appropriate.

### **Reference of appeal to the board**

**156.**—(1) On receiving a notice of appeal, the scheme manager must supply the Secretary of State with three copies of—

- (a) the notice of appeal;
- (b) the notice of the relevant determination;
- (c) the opinion, response or evidence (as the case may be) supplied to the appellant (P); and
- (d) every other document in its possession or under its control which appears to it to be relevant to the issue that is the subject of the appeal.

(2) The Secretary of State must refer an appeal to a board of medical referees ("the board").

(3) The board is to consist of not less than three medical practitioners appointed by, or in accordance with arrangements made by, the Secretary of State.

(4) One member of the board must be a specialist in a medical condition relevant to the appeal.

(5) One member of the board must be appointed as chairman.

(6) Where there is an equality of votes among the members of the board, the chairman is to have a second or casting vote.

(7) As soon as reasonably practicable after referring an appeal to the board, the Secretary of State must supply the board's administrator with three copies of every document supplied under paragraph (1).

(8) The board must arrange for one of their number to review those documents ('the reviewing member').

(9) As soon as reasonably practicable after concluding the review, the reviewing member must give written notice to the Secretary of State—

- (a) of any other information which the reviewing member considers would be desirable so as to provide the board with sufficient information for the purpose of enabling the board to determine the appeal; and
- (b) if it is the case, that it is the reviewing member's opinion that the board may regard the appeal as frivolous, vexatious or manifestly ill-founded.

(10) On receipt of the reviewing member's notice the Secretary of State must—

- (a) where the reviewing member has notified the Secretary of State of the desirability of obtaining other information, require the scheme manager to use its best endeavours to obtain that information; and
- (b) where the notice contains an opinion of the description mentioned in paragraph (9)(b), send a copy of it to the scheme manager.

(11) A scheme manager which receives a copy of a reviewing member's opinion must, as soon as reasonably practicable—

- (a) send a copy of it to P; and
- (b) by written notice to P—
  - (i) advise P that, if P's appeal is unsuccessful, P may be required to pay the scheme manager's costs, and

- (ii) require P to notify it within 14 days of the date of the notice, whether P intends to pursue or withdraw the appeal.

(12) A scheme manager which notifies P under paragraph (11)(b) must inform the Secretary of State of P's response to its request under sub-paragraph (b)(ii); and the Secretary of State must notify the board accordingly.

### **Procedure where appeal to be pursued**

**157.**—(1) Where an appeal is to be pursued, the board must secure that the appellant (P) and the scheme manager (“the parties”) have been informed—

- (a) that the appeal is to be determined by the board; and
- (b) of an address to which communications relating to the appeal may be delivered to the board.

(2) Subject to paragraph (5), the board—

- (a) must interview and medically examine P at least once; and
- (b) may interview or medically examine P or cause P to be interviewed or medically examined on such further occasions as the board thinks necessary for the purpose of determining the appeal.

(3) The board must appoint, and give the parties not less than two months' notice of, the time and place for every interview and medical examination; and if the board is satisfied that P is unable to travel, the place must be P's place of residence.

(4) P must attend at the time and place appointed for any interview and medical examination by the board or any member of the board or any person appointed by the board for that purpose.

(5) If—

- (a) P fails to comply with paragraph (4); and
- (b) the board is not satisfied that there was a reasonable cause for the failure,

the board may dispense with the interview and medical examination, and may determine the appeal on such information as is then available.

(6) Any interview under this regulation may be attended by persons appointed for the purpose by the scheme manager or by P or by each of them.

(7) Where either party intends to submit written evidence or a written statement at an interview held under paragraph (2), the party must, subject to paragraph (8), submit the evidence or statement to the board and to the other party not less than 28 days before the date appointed for the interview.

(8) Where any written evidence or statement has been submitted under paragraph (7) less than 28 days before the date appointed for the interview, any written evidence or statement in response may be submitted by the other party to the board and the party submitting the first-mentioned evidence or statement at any time up to, and including, that date.

(9) Where any written evidence or statement is submitted in contravention of paragraph (7), the board may postpone the date appointed for the interview and require the party who submitted the evidence or statement to pay such reasonable costs of the board and of the other party as arise from the postponement.

### **The board's report**

**158.**—(1) The board must supply the Secretary of State with—

- (a) a written report of its decision on the relevant medical issues; and
- (b) if the board is of the opinion that the appeal was frivolous, vexatious or manifestly ill-founded, a statement to that effect (which may form part of the report).

(2) The Secretary of State must supply the parties with a copy of the report and of any separate statement under paragraph (1)(b).

### **Reconsideration by the board**

**159.**—(1) Where the parties have received a copy of the report supplied under regulation 158 (the board's report) and—

- (a) the parties agree that the board has made an error of fact which materially affects the board's decision;
- (b) the scheme manager must within 28 days of receipt of the report, supply the Secretary of State with two copies of a statement agreed between the parties setting out—
  - (i) the error of fact,
  - (ii) the correct fact, andinvite the board to reconsider its decision.

(2) The Secretary of State must within 14 days of receipt of the statement supply a copy of it to the board.

(3) As soon as reasonably practicable after receiving the statement, the board must reconsider its decision.

(4) Within 14 days of that reconsideration the board must—

- (a) give written notice to the Secretary of State that it has confirmed its decision, or revised its decision (as the case may be); and
- (b) if it has revised its decision, supply the Secretary of State with a written report of its revised decision.

(5) The Secretary of State must supply to the appellant and the scheme manager a copy of the written notice confirming the board's decision, or a copy of the written report of the board's revised decision (as the case may be).

### **Fees and allowances payable to the board**

**160.**—(1) There must be paid to the board and the reviewing member—

- (a) such fees and allowances (including those payable to the reviewing member for work undertaken on the review of documents under regulation 156(8) (reference of appeal to the board)) as are determined in accordance with arrangements made by the Secretary of State; or
- (b) where no such arrangements have been made, such fees and allowances as the Secretary of State may from time to time determine.

(2) The fees and allowances payable under paragraph (1) must—

- (a) be paid by the scheme manager; and
- (b) be treated for the purposes of regulation 161 (expenses of each party) as part of the scheme manager's expenses.

### **Expenses of each party**

**161.**—(1) Subject to regulation 157(9) (procedure where appeal to be pursued) and paragraphs (2) to (5) below, the expenses of each party to the appeal must be borne by that party.

(2) Where the board—

- (a) determines an appeal in favour of the scheme manager; and
- (b) states that, in its opinion, the appeal was frivolous, vexatious or manifestly ill-founded,

the scheme manager may require the appellant (P) to pay it such sum, not exceeding the total amount of the fees and allowances payable to the board under regulation 160(1)(fees and allowances payable to the board), as the scheme manager considers appropriate.

(3) Where—

- (a) P gives notice to the board—

- (i) withdrawing the appeal,
- (ii) requesting cancellation of, postponement of, or adjournment of the date appointed for an interview or medical examination under regulation 157(3) (procedure where appeal to be pursued), and

the notice is given less than 22 working days before the date appointed under regulation 157(3); or

- (b) P's acts or omissions cause the board to cancel, postpone or otherwise adjourn the date appointed under regulation 157(3) less than 22 working days before the date appointed,

the scheme manager may require P to pay it such sum, not exceeding the total amount of the fees and allowances payable to the board under regulation 160(1) (fees and allowances payable to the board), as the scheme manager considers appropriate.

(4) Where the board—

- (a) determines an appeal in favour of P; and
- (b) does not otherwise direct,

the scheme manager must refund to P the amount specified in paragraph (5).

(5) The amount is the total of—

- (a) any personal expenses actually and reasonably incurred by P in respect of any interview under regulation 157(2) (procedure where appeal to be pursued); and
- (b) if any such interview was attended by a qualified medical practitioner appointed by P, any fees and expenses reasonably paid by P in respect of such attendance.

(6) For the purposes of paragraphs (2) and (4) any question arising as to whether the board's determination is in favour of the scheme manager or of P is to be decided by the board or, in default, by the Secretary of State.

#### **Notices etc**

**162.** Any notice, information or document which an appellant (P) is entitled to receive for any purpose of regulations 154 (appeals against determinations based on medical evidence) to 161 (expenses of each party) is, unless the contrary is proved, to be treated as having been received by P if it was posted in a letter addressed to P at P's last known place of residence.

### **CHAPTER 3**

#### **Appeals on other issues**

#### **Appeals on other issues**

**163.** Where—

- (a) a member (P) disagrees with a scheme manager's determination under regulation 151 (determinations by the scheme manager); and
- (b) the disagreement does not involve an issue of a medical nature,

P may, by written notice given to the scheme manager within 28 days of receipt of the determination, require the scheme manager to deal with the disagreement by means of the arrangements implemented by it pursuant to the requirements of section 50 of the Pensions Act 1995(a) (requirement for dispute resolution arrangements) and the Occupational Pension Schemes (Internal Dispute Resolution Procedures Consequential and Miscellaneous Amendments) Regulations 2008(b).

---

(a) 1995 c.26. Section 50 has been substituted by virtue of section 273 of the Pensions Act 2004 ( c.35).

(b) S.I. 2008/649.

**PART 13**  
**Supplementary**  
**CHAPTER 1**  
**Payment of pensions**

**Late payment of retirement index adjustment**

**164.** Nothing in these Regulations requires any part of a pension attributable to a retirement index adjustment to be paid before the end of the last active scheme year.

**Recovery of overpayment of benefits**

**165.**—(1) This regulation applies in respect of a financial year for which a percentage decrease in earnings is specified in an order made under section 9 of the 2013 Act<sup>(a)</sup>.

(2) The scheme manager must recover any overpayment of benefits that has occurred as a result of the application of the retirement index adjustment for that year.

(3) When this regulation applies the scheme manager must notify the member in writing that the amount of the overpayment is to be recovered by reducing the amount of each instalment of pension until the amount of the overpayment is recovered or by omitting to pay any increase in the amount of any pension due until the amount of the overpayment is recovered.

**Guaranteed minimum pension**

**166.**—(1) If a member has a guaranteed minimum in relation to benefits under this scheme—

- (a) nothing in these Regulations permits or requires anything that would cause requirements made by or under the PSA 1993 in relation to such a member and such a member's rights under this scheme not to be met in the case of the member;
- (b) nothing in these Regulations prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of the member; and
- (c) the following provisions are subject to the generality of this paragraph.

(2) If apart from this regulation—

- (a) no pension would be payable to the member under this scheme; or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum,

a pension at a weekly rate equal to the guaranteed minimum is payable to the member for life from the date on which the member reaches GMP age or, as the case may be, pensions the aggregate weekly rate of which is equal to the guaranteed minimum are so payable.

(3) Subject to paragraph (4), if—

- (a) on reaching GMP age the member is still in employment (whether or not it is scheme employment); and
- (b) if it is not scheme employment, the member consents to a postponement of the member's entitlement under paragraph (2),

paragraph (2) does not apply until the member leaves employment.

(4) If the member continues in employment for a further five years after reaching GMP age and does not then leave employment, the member is entitled from the end of that period to so much of the member's pension under Part 5 (retirement benefits) and Part 7 (benefits for pension credit members) as equals the member's guaranteed minimum (or, as the case may be, to so much of the

---

(a) Under section 9 of the 2013 Act the change in earnings to be applied in a period is the percentage increase or decrease as a Treasury order under that section may specify in relation to the period.

member's pensions under Part 5 and Part 7 as together have a weekly rate equal to the member's guaranteed minimum), unless the member consents to a further postponement of the entitlement.

(5) In the circumstances provided for in paragraph (3) or (4), the amount of the guaranteed minimum to which the member is entitled under this regulation is increased in accordance with section 15 (increase of guaranteed minimum where commencement of guaranteed minimum pension postponed) of PSA 1993.

(6) If—

- (a) before reaching the age of 65 the member becomes entitled to the immediate payment of a pension; and
- (b) the member has a guaranteed minimum in relation to the whole or part of a pension as a result of receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum,

the weekly rate of the pension, so far as attributable to that service, must not be less than the guaranteed minimum, multiplied by such factor as is indicated in tables included in actuarial guidance for a person of the member's age and sex at the date on which the pension becomes payable.

(7) This paragraph applies if a person has ceased to be in employment that is contracted-out employment, within the meaning of Part 3 of PSA 1993 (certification of pension schemes and effects on members' state scheme rights and duties), by reference to this scheme and either—

- (a) a transfer payment in respect of all the person's rights to benefits under this scheme, except the person's rights in respect of the person's guaranteed minimum or rights under section 9(2B)(requirements for certification of schemes; general) of PSA 1993(a) ("the person's contracting-out rights") has been made; or
- (b) the person has no rights to benefits under this scheme apart from the person's contracting-out rights.

(8) If paragraph (7) applies—

- (a) from the date on which the person reaches GMP age the person is entitled to a pension payable for life at a weekly rate equal to the person's guaranteed minimum, if any; and
- (b) from the date on which the person reaches normal pension age under this scheme the person is entitled to a lump sum and pension in respect of that person's rights under section 9(2B) of PSA 1993,

but a person falling with paragraph (7) is not to be regarded as a pensioner member for the purposes of Part 6 (death benefits).

(9) Paragraphs (2) to (8) do not apply to a pension—

- (a) that is forfeited—
  - (i) as a result of a conviction for treason, or
  - (ii) in a case where the relevant offence under regulation 171 (forfeiture: offences committed by members, surviving partners or eligible children) falls under paragraph (b) of the definition in that regulation of "relevant offence" (Official Secrets Acts offences);
- (b) where that pension is commuted under regulation 167 (commutation of small pensions) and where the conditions in regulation 60 of the Occupational Pension Schemes(Contracting-out) Regulations 1996(b) are met,

and if any other provision of this scheme is inconsistent with this regulation, this regulation prevails.

---

(a) Subsection (2B) was inserted by the Pensions Act 1995 (c.26) section 136(3) and amended by the Social Security Contributions (Transfer of Functions, etc.) Act 1999 Schedule 1 paragraph 35.

(b) S.I. 1996/1172. Regulation 60 was substituted by S.I. 2006/744 and amended by, 2006/1337, 2009/2930 and 2010/499.

(10) In this regulation, references to the amount of a pension are to its amount after the subtraction of the commutation amount, if any (but before the subtraction of the allocation amount, if any).

### **Commutation of small pensions**

**167.**—(1) This regulation applies if the pension entitlement of a member of the scheme or the pension entitlement of a member's beneficiary does not exceed the small pensions commutation maximum.

(2) Unless the member has reached deferred pension age, this regulation does not apply if the pension entitlement of the member or the member's beneficiary is equal to or exceeds the member's guaranteed minimum.

(3) The scheme manager may pay the member, surviving partner or eligible child a lump sum of an amount as represents the cash value of the pension calculated in accordance with actuarial guidance if—

- (a) the person consents to receipt of a lump sum in respect of the pension; and
- (b) the requirements of the commutation provisions that apply in the circumstances are met.

(4) The payment of a lump sum under this regulation in place of a pension discharges all liabilities under this scheme in respect of that pension.

(5) In this regulation—

“the commutation provisions” means the provisions permitting the commutation of pensions set out in—

- (a) regulation 2 of the Occupational Pension Schemes (Assignment, Forfeiture, Bankruptcy etc.) Regulations 1997(a),
- (b) paragraph 7 of Schedule 29 (authorised lump sums-supplementary) to FA 2004 (which defines trivial commutation lump sums for the purposes of Part 4 of that Act)(b) and, in relation to a pension payable under Part 6 (death benefits), paragraph 20 of that Schedule (which defines trivial commutation lump sum death benefit for the purposes of Part 4 of that Act)(c), and
- (c) regulation 3 of the Pension Sharing (Pension Credit Benefit) Regulations 2000(d); and

“the small pensions commutation maximum” means the amount that is permitted to be commuted, having regard to the commutation provisions that apply in the circumstances.

### **Payments for persons incapable of managing their affairs**

**168.** If it appears to the scheme manager that a person other than an eligible child is entitled to payment of benefits under this scheme but is, by reason of mental incapacity or otherwise, incapable of managing his or her affairs—

- (a) the scheme manager may pay the benefits or any part of them to a person having the care of the person entitled, or such other person as the scheme manager may determine, to be applied for the benefit of the person entitled; and
- (b) in so far as the scheme manager does not pay the benefits in that manner, the scheme manager may apply them in such manner as the scheme manager may determine, for the benefit of the person entitled, or any beneficiaries of the person entitled.

(a) S.I. 1997/785. Regulation 2 was amended by S.I. 2002/681, 2005/706, 2006/744, 2006/778 and 2009/2930.

(b) Paragraph 7 was amended by Finance Act 2011 (c.11) Schedule 16 paragraphs 23 and 29 and Schedule 18 paragraphs 1,3, and 4 and S.I.2006/572.

(d) S.I. 2000/1054. Regulations 3 was amended by S.I. 2009/2930.

### **Payments due in respect of deceased persons**

**169.**—(1) Paragraph (2) applies if, when a person dies, the total amount due to that person's personal representatives under this scheme (including anything due at that person's death) does not exceed the amount specified in any order for the time being in force under section 6 of the Administration of Estates (Small Payments) Act 1965(a) and applying in relation to that person's death.

(2) A scheme manager may pay the whole or part of the amount due to—

- (a) a person's personal representatives; or
- (b) any person or persons appearing to the scheme manager to be beneficially entitled to the estate,

without the production of probate or letters of administration of the person's estate.

### **Limitation on assignment of benefits**

**170.** An assignment of an award under these Regulations is void to the extent that it is in favour of a person other than a dependant of the person entitled to the award.

## **CHAPTER 2**

### **Forfeiture**

#### **Forfeiture: offences committed by members, surviving partners or eligible children**

**171.**—(1) If a member, surviving partner or eligible child is convicted of a relevant offence, the scheme manager may, to such extent and for such duration as it considers appropriate, withhold pensions payable under this scheme to—

- (a) the member;
- (b) any person in respect of the member;
- (c) a surviving partner; or
- (d) an eligible child.

(2) Where a surviving partner's or an eligible child's pension under Part 6 (death benefits) is to be withheld under paragraph (1) as a result of a relevant offence falling under paragraph (a) or (b) of the definition of that expression in paragraph (5), the offence must have been committed after the death on which the person became entitled to the surviving partner or eligible child's pension, as the case may be.

(3) The scheme manager may only withhold that part of a person's pension that exceeds any guaranteed minimum to which the person is entitled under—

- (a) section 14 of PSA 1993 (earner's guaranteed minimum); or
- (b) section 17 (minimum pensions for widows and widowers)(b) of that Act.

(4) The scheme manager may, at any time and to such extent and for such duration as it thinks fit—

- (a) apply for the benefit of any dependant of the member; or
- (b) restore to the member,

so much of any pension as has been withheld under this regulation.

(5) In this regulation—

(b) Section 17 was amended by the Social Security Contributions (Transfer of Functions, etc.) Act 1999 (c.2) Schedule 1 paragraph 39; the Child Support, Pensions and Social Security Act 2000 (c.19) Schedule 5 paragraph 1 and Schedule 9 Part 3; the Pensions Act 2004 (c.35) section 284(2); the Pensions Act 2007 (c.22) section 14(2); the Marriage (Same Sex Couples) Act 2013 (c.30) Schedule 4 paragraphs 18 and 20; and S.I. 2005/2050 and 2014/560.

“forfeiture certificate” means a certificate stating that the Secretary of State issuing the certificate considers that the offence—

- (a) has been gravely injurious to the interests of the State, or
- (b) is liable to lead to serious loss of confidence in the public service;

“relevant offence” means—

- (a) offences of treason,
- (b) offences under the Official Secrets Acts 1911 to 1989(a) for which the member has been sentenced on the same occasion—

(2) If P is convicted of a relevant offence, the scheme manager may, to such extent as it considers appropriate, withhold any surviving partner or eligible child’s pension payable to P in respect of a member under Part 6 (death benefits).

(5) If P is convicted of the murder of a member and the conviction is subsequently quashed on appeal, any surviving partner or eligible child’s pension withheld is to be payable from the day after that on which the member died, and the scheme manager must, as soon as reasonably practicable after the conviction is quashed, pay the arrears of the pension accrued.

(6) If P is convicted of a relevant offence and the conviction is subsequently quashed on appeal any decision under paragraph (2) is to be treated as revoked and the scheme manager must, as soon as reasonably practicable after the conviction is quashed, pay the arrears of the pension accrued from the day after that on which the member died.

(4) If a person is convicted of a relevant offence and the conviction is subsequently quashed on appeal the scheme manager may, to such extent and for such duration as it thinks fit, restore to that person so much of any benefit as has been withheld under this regulation.

(5) Nothing in paragraph (4) is to affect the application of paragraph (1) if the person whose conviction is quashed is subsequently convicted of a relevant offence.

### **Forfeiture: relevant monetary obligations and relevant monetary losses**

- (a) the scheme manager must pay the tax payable on the event;
- (b) if the event is benefit crystallisation event 8 in the table (transfer to qualifying recognised overseas pension scheme), the amount or value of the sums or assets transferred must be reduced; and
- (c) in the case of any other event in that table, the amount or value of the benefits payable to or in respect of the member must be reduced.

(3) The amount or value of the reduction—

(2) The scheme manager must, no later than 6th October after the end of the tax year, provide the member with such information as the scheme manager considers appropriate to assist the member to arrange payment of the annual allowance charge for that tax year and with the information required by regulation 14A of the Registered Pension Scheme (Provision of Information) Regulations 2006(a).

- (b) must be determined in accordance with actuarial guidance.

(4) Benefits may only be reduced under this regulation to the extent that the reduction would not result in the loss of any part of a guaranteed minimum pension to which a person is entitled.
