   (2) The licensing authority may refuse to grant a licence if the application is not received at least twenty-one days before the day on which the first performance or activity, for which the licence is requested, is to take place.

Licence conditions

5. The licensing authority must impose any conditions which it considers necessary in order to ensure that—
   (a) the child is fit to take part in the performance or activity;
   (b) proper provision is made to secure the child’s health and kind treatment; and
   (c) proper provision is made to ensure that the child’s education will not suffer.

6. Where the applicant requests a licence for a child to take part in a particular activity, performance or rehearsal, but is unable to specify the dates upon which the child will take part in that activity, performance or rehearsal at the time of the application, if the licensing authority decides to grant the licence, it must impose a condition that the child may only take part in that particular activity, performance or rehearsal for a specified number of days within a six month period.

7.—(1) Where the licensing authority considers that the information provided by the applicant is insufficient to enable it to decide whether to issue a licence or whether to issue a licence subject to conditions, the licensing authority must request additional information or documentation to enable it to make such a decision.
   (2) In particular, the licensing authority may—
       (a) request that a child be medically examined;
       (b) request a report from the head teacher or principal of the school that the child attends;

(f) any conditions, which the licensing authority considers necessary for the grant of the licence; and
(g) a statement that the licence is subject to the restrictions and conditions contained within these Regulations.

10. Where a performance or activity is to take place in the area of a host authority other than the licensing authority, in accordance with section 39(3) of the 1963 Act, the licensing authority must send to that host authority a copy of the application form, licence, any additional information or documentation obtained by it under regulation 7 and, where the licensing authority approves any arrangements for the child’s education, details of the days during the period of the licence on which the child subject to the licence would ordinarily be required to attend school if that child were attending a school maintained by the licensing authority.

**Records to be kept by the licence holder under section 39(5) of the 1963 Act**

11. For six months from the date of the last performance or activity to which the licence relates, the licence holder must retain the records specified in—

(b) has approved the arrangements (if any) for the education of the child during the period to which the licence applies; and

(c) has approved the place where the child is to receive education, subject to such conditions as it considers necessary to ensure that the place is suitable for the child’s education.

(2) The licence holder must ensure that any arrangements approved by the licensing authority for the child’s education are carried out.

(3) The licensing authority must not approve any arrangements for the education of a child by a private teacher unless it is satisfied that—

(c) the private teacher is a suitable person to teach the child in question;

(d) the private teacher will teach no more than six children (including the child in question) at any time, or twelve children if all the children being taught have reached a similar standard in the subject being taught to the child in question; and

(4) The requirements of paragraph (3)(e) are deemed to have been met if the licensing authority is satisfied that the child will receive education—

(a) for not less than six hours a week;

(b) during each complete period of four weeks, or if there is a period of less than four weeks, during that period, for periods not less than the aggregate periods of education required by paragraph (3)(e) in respect of the period;

(c) on days on which the child would be required to attend school if the child were a pupil attending a school maintained by the licensing authority; and

(a) have care and control of the child; and

(b) safeguard, support and promote the wellbeing of the child, whilst the child is taking part in an activity, performance, or rehearsal or whilst the child is living elsewhere than the place the child would otherwise live during the period to which the licence applies.
(2) Paragraph (1) does not apply if a child is being cared for by a parent or teacher who would ordinarily provide the child’s education.

(3) The maximum number of children a chaperone may take care of at any one time is—
   (a) twelve; or
   (b) where the person approved to act as a chaperone is the private teacher of the child in question, three.

(4) The licensing authority must not approve a person as a chaperone unless it is satisfied that the person—
   (a) is suitable and competent to exercise proper care and control of a child of the age and sex of the child in question; and
   (b) will not be prevented from carrying out duties towards the child by duties towards other children.

**Place of performance and place of rehearsal**

17.—(1) The licensing authority must approve any place where the child will perform, rehearse or take part in any activity.

   (a) suitable arrangements have been made for—
      (i) the provision of meals for the child;
      (ii) the child to dress for the performance, rehearsal or activity; and
      (iii) the child’s rest and recreation, when not taking part in a performance, rehearsal or activity;

EXPLANATORY NOTE

(This note is not part of the Regulations)

Parts 2 to 5 of these Regulations set out the requirements in relation to applications made to local authorities in England for, and the conditions that apply to, licences for performances and activities granted under section 37 of the Children and Young Persons Act 1963 (“the 1963 Act”), as well as requirements applicable to performances for which no licence is required by virtue of section 37(3) (a) of the 1963 Act.

Part 6 of these Regulations sets out requirements in respect of licences granted under section 25 of the Children and Young Persons Act 1933 (“the 1933 Act”) for children performing or taking part in activities abroad for profit.

Regulation 3 revokes the Children (Performances) Regulations 1968, and a number of sets of amending regulations, in respect of England.

Part 2 of these Regulations includes information as to documentation requirements relating to all licences, the powers of local authorities to impose conditions on a licence, records that must be retained by the licence holder and requirements in respect of the production of the licence by that person.

Part 3 of these Regulations sets out general requirements in respect of all licensed performances and activities. These include measures concerning the wellbeing of the child, in particular in relation to their education, supervision and accommodation during the period to which the licence applies.

Part 4 of these Regulations sets out requirements that apply to licensed performances and to performances for which a licence would be required, but for the exemption under section 37(3)(a) of the 1963 Act. These include restrictions in relation to working hours and breaks.

Part 5 of these Regulations sets out further restrictions and exceptions to the rules in Part 4, which apply to licensed performances only. These further relate to working hours and breaks and allow local authorities in England and chaperones to exercise discretion in certain circumstances.

Part 6 of these Regulations sets out the requirements in relation to the content of licences granted under section 25 of the 1933 Act (permitting children to perform or take part in activities abroad for profit), and information that must be provided to the Secretary of State under section 25(8) of that Act, for transmission to the proper consular officer.
