**2014 No. 928**

**ENERGY**

**The Domestic Renewable Heat  
Incentive Scheme Regulations 2014**

*Made - - - - 8th April 2014*

*Coming into force in accordance with regulation 1*

**THE DOMESTIC RENEWABLE HEAT  
INCENTIVE SCHEME REGULATIONS 2014**

PART 1

1. Citation and commencement
2. Interpretation

PART 2

3. Eligibility criteria
4. Requirements for biomass plants
5. Requirements for heat pumps
6. Requirements for solar thermal plants
7. Installation requirements
8. Certification requirements
9. Plants used to generate heat before the first commissioning date
10. Requirements regarding funding of plants
11. Requirement that plant is not an accredited RHI installation
12. Requirements where more than one plant provides heat to a property
13. Plants where heat generation must be metered
14. Metering requirements
15. Positioning of meters when recording heat generated by biomass plants
16. Positioning of meters when recording heat generated by heat pumps

PART 3

17. Accreditation applications
18. Powers of the Authority when considering an accreditation application
19. Time limits for provision of information

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

- 20. Conditions of accreditation
- 21. Accreditation
- 22. Rejection of accreditation applications

PART 4

- 23. Authorisation applications
- 24. Powers of the Authority when considering an authorisation application
- 25. Authorisation

PART 5

RHI

- 26. Duty to make RHI payments
- 27. Calculation of RHI payments where metering is not required
- 28. Calculation of RHI payments where heat generated by a plant must be metered
- 29. Calculation of deemed annual heat generation
- 30. Calculation of eligible metered heat generated by biomass plants
- 31. Calculation of eligible metered heat generated by heat pumps
- 32. Calculation of grant funding deduction

PART 6

- 33. Duty to calculate and publish tariffs
- 34. Calculation of initial tariffs
- 35. Calculation of initial tariffs: calculation of A
- 36. Calculation of initial tariffs: calculation of B
- 37. Calculation of subsequent tariffs
- 38. Expenditure forecast statement and tariff change notice

PART 7

- 39. Ongoing obligations: general
- 40. Ongoing obligations: changes affecting accredited domestic plants
- 41. Ongoing obligations: annual declarations
- 42. Ongoing obligations: emissions from biomass
- 43. Ongoing obligations: metering
- 44. Ongoing obligations: provision of information

PART 8

- 45. Review of accreditation following notification of a change in circumstances
- 46. Changes affecting whether accredited domestic plants must be metered
- 47. Replacement plants
- 48. Changes in ownership of accredited domestic plants

PART 9

- 49. Additional payments where a registered metering and monitoring agreement relates to an accredited domestic plant
- 50. Registration applications
- 51. Conditions of registration

- 52. Registration
- 53. Exceptions to duty to give registration
- 54. Changes affecting registration
- 55. Withdrawal of registration

PART 10

- 56. Inspection
- 57. Power to withhold RHI payments during investigation
- 58. Power to withhold RHI payments in the case of non-compliance
- 59. Revocation of accreditation
- 60. Overpayment notices and offsetting
- 61. Revocation of sanctions
- 62. Right of review

PART 11

- 63. Scheme review and evaluation
- 64. Right of review of decisions by the Secretary of State

PART 12

- 65. Provision of information to the Authority
- 66. Reliance on declarations and other information available to the Authority
- 67. Duty to maintain a central register
- 68. Duty to publish guidance
- 69. Duty to report to the Secretary of State
- 70. Duty to provide additional information to the Secretary of State

PART 13

- 71. Notices, notifications and applications
  - 72. Consequential amendments
- Signature

---

SCHEDULE 1 — Standards relevant to plants

- 1. (1) This Schedule specifies standards for plants.

SCHEDULE 2 — Requirements for RHI emission certificates

- 1. The requirements set out in this Schedule are that a...
- 2. The information referred to in paragraph 1(b) is—
- 3. For the purposes of paragraph 2(g), the requirements set out...
- 4. For the purposes of paragraph 2(g), the requirements set out...
- 5. For the purposes of paragraph 2(h), “net heat input” means...

SCHEDULE 3 — Eligible properties

- 1. (1) The requirements set out in this Schedule in relation...

SCHEDULE 4 — Information required for accreditation

- PART 1 — Information required from all applicants making an accreditation application

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

1. The information referred to in regulation 17(2)(a) is—  
PART 2 — Additional information which may be required from an applicant for accreditation
2. The information referred to in regulation 17(2)(b) is—

SCHEDULE 5 — Tariffs

SCHEDULE 6 — Expenditure for individual technologies

- PART 1 — Biomass plants
- PART 2 — Air source heat pumps
- PART 3 — Ground source heat pumps
- PART 4 — Solar thermal plants

SCHEDULE 7 — Requirements for metering and monitoring agreements

1. The requirements set out in this Schedule are that an...
2. In this Schedule— “data completeness”, in relation to information recorded...
3. Requirements regarding the use of meters and other measuring instruments for metering and monitoring biomass boilers
4. Requirements regarding the use of meters and other measuring instruments for heat pumps
5. Accuracy requirements for meters and temperature sensors
6. Requirements for presentation of information
7. The requirements referred to in paragraph 1(c) are that the...
8. The requirements referred to in paragraph 1(c) are that the...
9. Requirements for provision of information and advice to participants
10. Requirements for provision of information to the Secretary of State or the Authority
11. Consumer protection requirements
12. The requirements referred to in paragraph 1(c) are that the...
