2015 No. 1348

The Honey (England) Regulations 2015

PART 1

Introduction

Application of requirements relating to product names

5. Where two or more provisions of these Regulations apply in determining the name to be used in respect of a particular honey, a person trading in that honey must use a name or combination name which complies with the requirements of each of those provisions.

Changes to legislation:

There are currently no known outstanding effects for the The Honey (England) Regulations 2015, Section 5.
