EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes provision for the enforcement of amended trade restrictions against Iran specified in Council Regulation (EU) No 2015/1327 (OJ No L 206, 1.8.2015, p18) which amends Council Regulation (EU) No 267/2012 concerning restrictive measures against Iran (OJ No L 88, 24.3.2012, p1) (the “Iran Sanctions Regulation”).

The Order amends the Export Control (Iran Sanctions) Order 2012 ([S.I. 2012/1243](#)) (the “Iran Sanctions Order”) which makes provision for the enforcement of all current trade restrictions against Iran.

The measures against Iran that have been amended relate to the authorisation of the supply, sale or transfer of items, materials, equipment, goods and technology, and the provision of any related technical assistance, training, financial assistance, investment, brokering or other services for certain specified purposes as set out in Articles 43b and 43c of the Iran Sanctions Regulation, notwithstanding the other provisions of that Regulation.

Article 2 of the Order amends the Iran Sanctions Order to update the definitions of “EU authorisation” and “the Iran Sanctions Regulation” and to amend certain offences so that they are not committed where a person is concerned in an activity that is authorised by an EU authorisation.
