

SCHEDULE 3

Minimum data and information to be included in a safety report

3. The environment of the establishment—
 - (a) a description of the establishment and its environment including the geographical location, meteorological, geological, hydrographic conditions and, if necessary, its history;
 - (b) identification of installations and other activities of the establishment which could present a major accident hazard;
 - (c) on the basis of available information, identification of neighbouring establishments, as well as sites that fall outside the scope of these Regulations, areas and developments that could be the source of, or increase the risk or consequences of a major accident and of domino effects; and
 - (d) a description of areas where a major accident may occur.
