(2) The member may cancel its membership of the Scheme by giving the Secretary of State notice in writing of the cancellation.

(a) By virtue of regulation 23 of these Regulations, a notice given under the regulation 7 of the National Health Service (Clinical Negligence Scheme) Regulations 1996 (termination of membership) has effect as if given under the corresponding provisions of these Regulations in any case where membership of the Scheme has not ceased by the date on which these Regulations come into force.

- (3) Where a notice under paragraph (2)—
- (a) is given before 1st September in a membership year, the notice takes effect at the end of that membership year;
 - (b) is given on or after 1st September in a membership year, the notice takes effect at the end of the following membership year.

7.—(1) The Secretary of State may cancel a member's membership of the Scheme in any of the circumstances specified in paragraphs (2) to (5).

(2) The circumstances specified in this paragraph are where the member is liable to make a payment to the Secretary of State under regulation 12 (duty of members to make contributions to the Scheme) and that payment remains unpaid for a period of 28 days or more which starts with the date on which the payment becomes due.

(3) The circumstances specified in this paragraph are where the member has failed to provide any information required under regulation 20 (duty of members to provide information)—

Liabilities to which the Scheme applies

Liabilities of members

8.—(1) Subject to paragraph (4), the Scheme applies to any liability in tort under the law of England and Wales which a member of the Scheme owes to a third party in respect of or consequent upon personal injury or loss as specified in paragraph (2).

(2) The personal injury or loss referred to in paragraph (1) is personal injury or loss arising out of or in connection with any breach of a duty of care which—

- (a) the member owes to any person in connection with the diagnosis of any illness or the care or treatment of any patient; and
- (b) is in consequence of any act or omission specified in paragraph (3).

(3) The act or omission referred to in paragraph (2) is an act or omission to act on the part of—

- (a) a person employed or engaged by the member in connection with any relevant function of the member; or
- (b) an employee or agent of a person engaged by the member in connection with any such function.

(4) Where the member is a body falling within regulation 4(1)(l) (bodies providing relevant health services under certain arrangements to be eligible for membership), the Scheme only applies if the liability is in consequence of the arrangements described in regulation 4(2), (3) or (4) by means of which the body is eligible to be a member.

Liabilities of insolvent former members for which members are treated as liable

9.—(1) In this regulation, references to “an insolvent former member” are to a body falling within regulation 4(1)(l) which—

- (a) provided relevant health services under an arrangement described in regulation 4(2) (arrangement with the Board, a CCG or a special health authority) by means of which the body was eligible to be a member; and
- (b) ceased to be a member of the Scheme in circumstances specified in regulation 7(5)(a) (cancellation of membership by the Secretary of State on grounds of insolvency).

(2) The Scheme applies to the qualifying liabilities of an insolvent former member.

(3) Qualifying liabilities to which the Scheme applies under paragraph (2) are to be treated for the purposes of the Scheme and these Regulations as if they were liabilities of the Board, the CCG or the Special Health Authority which entered into the arrangement referred to in paragraph (1)(a).

(4) Qualifying liabilities of an insolvent former member are any liability in tort under the law of England and Wales which—

- (a) the former member owes to a third party in respect of or consequent upon personal injury or loss as specified in paragraph (5);
- (b) was incurred before the date on which the former member’s membership of the Scheme ceased but falls to be met after that date; and
- (c) is in consequence of the arrangement referred to in paragraph (1)(a).

(5) The personal injury or loss referred to in paragraph (4)(a) is personal injury or loss arising out of or in connection with any breach of a duty of care which—

- (a) the insolvent former member owes to any person in connection with the diagnosis of any illness or the care or treatment of any patient; and
- (b) is in consequence of any act or omission specified in paragraph (6).

(6) The act or omission referred to in paragraph (5)(b) is an act or omission to act in connection with the provision of relevant health services on the part of—

- (a) the insolvent former member;
- (b) a person employed or engaged by the insolvent former member; or
- (c) an employee or agent of a person engaged by the insolvent former member.

Other liabilities for which members are treated as liable

10.—(1) In this regulation, “health services provider” means an NHS trust, NHS foundation trust, local authority or other body which provides relevant health services.

(2) The Scheme applies to the qualifying liabilities of a health services provider (“the sub-contractor”) where its provision of relevant health services is the subject of—

- (a) an arrangement made between it and another health services provider; and
- (b) an arrangement made between—
 - (i) the Board, a CCG or a Special Health Authority; and
 - (ii) a health services provider which is a member of the Scheme.

(3) In determining whether paragraph (2) applies in any case, it does not matter whether the provision of relevant health services by the sub-contractor is the subject only of the arrangements referred to in paragraph (2)(a) and (b) or is also the subject of further arrangements made between health services providers.

(4) Qualifying liabilities to which the Scheme applies under paragraph (2) are to be treated for the purposes of the Scheme and these Regulations as if they were liabilities of the health services provider which entered into the arrangement referred to in paragraph (2)(b).

(5) Qualifying liabilities of a sub-contractor are any liability in tort under the law of England and Wales which—

- (a) the sub-contractor owes to a third party in respect of or consequent upon personal injury or loss as specified in paragraph (6); and
- (b) is in consequence of the arrangement referred to in paragraph (2)(a).

(6) The personal injury or loss referred to in paragraph (5)(a) is personal injury or loss arising out of or in connection with any breach of a duty of care which—

- (a) the sub-contractor owes to any person in connection with the diagnosis of any illness or the care or treatment of any patient; and
- (b) is in consequence of any act or omission specified in paragraph (7).

(7) The act or omission referred to in paragraph (6)(b) is an act or omission to act in connection with the provision of relevant health services on the part of—

- (a) the sub-contractor;
- (b) a person employed or engaged by the sub-contractor; or
- (c) an employee or agent of a person engaged by the sub-contractor.

Payments into the Scheme

Determination of amounts payable by members

11.—(1) The Secretary of State must determine the amount which each member of the Scheme must pay to the Secretary of State in respect of each membership year.

(2) In determining that amount in respect of any member (“M”), the Secretary of State may have regard to—

- (a) the Secretary of State’s estimate of the total amount which, under regulations 14 to 18 (payments out of the Scheme), is likely to be payable during that membership year in respect of all liabilities to which the Scheme applies;
- (b) the nature of M’s relevant functions;
- (c) the number of M’s employees who are engaged in M’s performance of each relevant function or any part of a relevant function;

- (g) any agreement in respect of M which falls within regulation 15(2)(a) (agreement on payment of additional contribution that Scheme to cover claim in respect of liability incurred before membership ceases);
- (h) the Secretary of State’s assessment of—
 - (i) the likely effectiveness of any steps being taken, or to be taken, by M as to the manner in which M exercises any relevant function for the purpose of reducing the incidence of liabilities in connection with that function to which the Scheme applies; and

- (ii) the effectiveness of any steps which have already been taken for that purpose; and
 - (i) any other factor relating to M or any other member of the Scheme which the Secretary of State considers relevant to the determination under paragraph (1).
- (3) In respect of each membership year, the Secretary of State must give each member notice in writing which specifies the amount determined in respect of the member under paragraph (1).
- (4) Except as stated in paragraph (5) or (6), the notice must be given no later than 31st December in the membership year before that to which the notice relates.
- (5) In the case of any member admitted to the Scheme on or after the appointed day—
- (a) the notice in respect of the first membership year must be given no later than 6 months after the date on which the Secretary of State receives the member’s application under regulation 5 (membership of the Scheme); and
 - (b) the notice in respect of the second membership year must be given no later than 1st July in that membership year.
- (6) In the case of any member admitted to the Scheme less than two years before the appointed day—
- (a) the notice in respect of the first membership year must be given no later than 6 months after the date on which the Secretary of State received the member’s application under the 1996 Regulations; and
 - (b) the notice in respect of the second membership year must be given no later than 1st July in that membership year.
- (7) For the purposes of paragraphs (5) and (6), references to “the first membership year” of a body which is a member of the Scheme is to the whole or part of any membership year immediately following any period during which the body was not a member.

Duty of members to make contributions to the Scheme

- 12.—**(1) Each member of the Scheme must, in respect of each membership year, pay to the Secretary of State the amount determined in respect of the member under regulation 11(1) (determination of amounts payable by members).
- (2) Except as stated in paragraph (3) or (4), a member which receives a notice under regulation 11(3) of the amount payable in respect of a membership year must pay the amount due—
- (a) in accordance with such arrangements as may be agreed between the Secretary of State and the member (which may include payment in instalments to be made at agreed times); and
 - (b) if no agreement is reached by 1st March immediately before the start of the membership year, by such time and in such manner as the Secretary of State may determine.
- (3) Where a member admitted to the Scheme on or after the appointed day receives a notice under regulation 11(3) in respect of a membership year, the member must pay—
- (a) the amount due in respect of the first membership year no later than 8 months after the date on which the Secretary of State receives the member’s application under regulation 5 (membership of the Scheme); and
 - (b) the amount due in respect of the second membership year no later than 1st August in that membership year.
- (4) In the case of any member admitted to the Scheme less than two years before the appointed day, the member must pay—

 - (b) the amount due in respect of the second membership year no later than 1st August in that membership year.

(5) For the purposes of paragraphs (3) and (4), references to “the first membership year” of a body which is a member of the Scheme are to be construed in accordance with regulation 11(7).

Revision of determination of payable amount

13.—(1) Paragraph (2) applies where the Secretary of State identifies before the end of a membership year that the amount determined by the Secretary of State under regulation 11(1) as being payable by the member in respect of that year—

- (a) is incorrectly calculated;
- (b) is determined by reference to information which was incorrect; or
- (c) ought to be reconsidered in light of further information that has become available to the Secretary of State.

(2) The Secretary of State—

- (a) must reconsider the amount determined; and
- (b) at any time before the end of the membership year in question, may revise the amount payable by the member in respect of that year.

(3) The Secretary of State must give the member notice in writing of any revised amount determined under paragraph (2)(b) and the member must pay any amount that remains due in respect of the membership year—

- (a) in accordance with such arrangements as may be agreed between the Secretary of State and the member (which may include payment in instalments to be made at agreed times); and
- (b) if no agreement is reached by the end of the membership year, by such time and in such manner as the Secretary of State may determine.

(4) The reference in paragraph (1) to an amount determined by the Secretary of State under regulation 11(1) includes any revised amount determined under paragraph (2)(b).

Payments out of the Scheme

Payments out of the Scheme: liabilities of members

14.—(1) Where a payment falls to be made by a member of the Scheme in connection with a claim in respect of a liability to which the Scheme applies, the Secretary of State may pay to the member or on the member’s behalf an amount determined by the Secretary of State under regulation 18.

(2) No payment may be made under paragraph (1)—

- (a) in respect of any liability of the member which is excluded from the Scheme by any of paragraphs (3) to (5); or
- (b) in respect of any liability of, or payment by, the member which is excluded from the Scheme by regulation 16 (exclusions from the Scheme).

- (a) the claim by a third party against the eligible body in respect of the liability was made after the start of its membership of the Scheme;
- (b) the Secretary of State is satisfied that the eligible body informed the Secretary of State before the end of the qualifying period that the claim had been made;
- (c) the Secretary of State agreed before the start of the eligible body’s membership that any liability of the body that results from a claim to which sub-paragraphs (a) and (b) apply should not be excluded from the Scheme; and
- (d) that agreement remains in force at the date on which the claim against the eligible body falls to be met.

(4) Any liability of a member which falls to be met after the member gives notice of cancellation under regulation 6(2) (cancellation of membership by a member) but before membership has ceased is excluded from the Scheme unless the Secretary of State is satisfied that the liability would have fallen to be met at that time irrespective of the member's decision to give such a notice.

(5) Any liability of a body ("B") which falls to be met after its membership of the Scheme has ceased is excluded from the Scheme unless—

- (a) the claim by a third party against B in respect of the liability was made before B's membership ceased;
- (b) the Secretary of State is satisfied that B informed the Secretary of State before the end of the qualifying period that the claim had been made;
- (c) the Secretary of State agreed before B's membership ceased that any liability of B that results from a claim to which sub-paragraphs (a) and (b) apply should not be excluded from the Scheme; and
- (d) that agreement remained in force on the date on which B's membership ceased.

(6) In paragraph (3)(b) and (5)(b), the "qualifying period" is the period of 14 days starting with the date on which the member became aware that a claim had been made or, if earlier, the date on which the Secretary of State considers that the member ought to have become aware that a claim had been made.

Payments out of the Scheme: liabilities of former members

15.—(1) Where—

- (a) a payment falls to be made by a body ("B") which has at any time been a member of the Scheme in connection with a claim in respect of a liability to which the Scheme applies; and
 - (b) the claim relates to a breach of the duty of care by B whilst it was a member of Scheme,
- the Secretary of State may, if the conditions specified in paragraph (2) are met, pay to B or on B's behalf an amount determined by the Secretary of State under regulation 18.

(2) The conditions are that—

- (a) before B's membership of the Scheme ceases, the Secretary of State agrees with B that, in respect of the membership year immediately preceding the cessation of B's membership, the amount to be paid by B under regulation 12 (duty of members to make contributions to the Scheme) is also to include an additional amount determined for the purposes of this regulation;
- (b) that amount is determined by the Secretary of State as being sufficient to meet any liabilities of B falling within paragraph (1) which were incurred whilst B is a member but fall to be met after the date on which B's membership ceases; and
- (c) before that date, B either pays the additional amount in full or enters into an agreement with the Secretary of State to pay it in instalments.

(3) No payment may be made under paragraph (1) in respect of any liability of, or payment by, B which is excluded from the Scheme by regulation 16 (exclusions from the Scheme).

Exclusions

16.—(1) Except to such extent as the Secretary of State may determine, the following are excluded from the Scheme—

- (a) any liability admitted by a member without first obtaining the Secretary of State's written consent;
- (b) any liability determined by a Court in proceedings which are conducted by a member otherwise than in consultation with the Secretary of State;

- (c) any payment falling to be made by a member where the member has not complied with any condition imposed by the Secretary of State relating to a claim;
 - (d) any payment falling to be made by a member where, without first obtaining the Secretary of State's written consent, the member agrees—
 - (i) to be bound by the determination of any person or body as to the making of a payment by that member in respect of a liability; or
 - (ii) to make any other payment in respect of the liability otherwise than in the course of legal proceedings or in consequence of a settlement of legal proceedings agreed to by the member;
 - (e) any liability that is of an amount less than the amount which is for the time being agreed between a member and the Secretary of State as being the minimum amount of any liability in respect of which a payment is to be made under the Scheme.
- (2) In paragraph (1), references to “member” include a former member of the Scheme—
- (a) in respect of which the requirements of regulation 14(5)(c) and (d) are met (agreement that Scheme to cover existing claim not met before membership ceases); or
 - (b) to which regulation 15 applies (liabilities of former members).

Payments out of the Scheme: liabilities for which members are treated as liable

- 17.—(1) Paragraph (2) applies to any payment in connection with—
- (a) a claim in respect of a qualifying liability falling within regulation 9 (liabilities of insolvent former members for which members treated as liable); or
 - (b) a claim in respect of a qualifying liability falling within regulation 10 (other liabilities for which members treated as liable),

where the payment falls to be made by a member of the Scheme which under regulation 9(3) or 10(4) is treated as being liable in respect of the claim.

(2) Regulations 14 to 16 (circumstances in which payments are to be made out of the Scheme in respect of liabilities of members and former members) are to apply to enable payments to be made to or on behalf of any member of the Scheme in respect of qualifying liabilities as those regulations apply in respect of the member's own liabilities.

(3) In the application of regulation 14, 15 or 16 for the purposes of paragraph (2), references to anything being done by, to or against a member in respect of a liability to which the Scheme applies includes references to it being done in respect of a qualifying liability for which the member is treated as being liable.

Determining the amount of any payment to be made out of the Scheme

18.—(1) In respect of each liability to which the Scheme applies, the Secretary of State must determine the amount of any payment which is to be made under regulation 14(1) or 15(1) (payments out of the Scheme in respect of liabilities of members and former members).

(2) In determining the amount of the payment to be made in circumstances specified in each of paragraphs (3) to (8), the Secretary of State must have regard to the relevant matters specified in that paragraph.

(3) Where an award of damages has been made by a Court against the member, the relevant matters are the amount of—

- (a) the award;
- (b) the legal and associated costs awarded to the claimant; and
- (c) any legal and associated costs incurred by or on behalf of the member.

(4) Where legal proceedings are the subject of a settlement agreed to by the member, the relevant matters are the amount of—

- (b) the member's contribution towards any legal and associated costs incurred by the claimant; and
 - (c) any legal and associated costs incurred by or on behalf of the member.
- (5) Where, in any legal proceedings, a Court has declined to award damages against the member, the relevant matters are—
- (a) the amount of any legal and associated costs incurred by or on behalf of the member; and
 - (b) the extent to which those costs are not recoverable either from the claimant or from the Legal Aid Agency under regulations made by virtue of section 26(5) of the Legal Aid, Sentencing and Punishment of Offenders Act 2012^(a) (costs in civil proceedings).
- (6) Where a member has, otherwise than in the course of legal proceedings, agreed to make a payment in settlement of a claim, the relevant matters are the amount of—
- (a) the payment agreed; and
 - (b) any legal or associated costs incurred by or on behalf of the member in connection with the claim.
- (7) Where, otherwise than in the course of legal proceedings, a member has agreed to make any contribution towards legal or associated costs incurred by a person in connection with that person's claim against the member in respect of a liability to which the Scheme applies, the relevant matters are the amount of—
- (a) that contribution; and
 - (b) any legal or associated costs incurred by or on behalf of the member in connection with the claim.
- (8) Where a member has agreed to be bound by the determination of any person or body as to the making of a payment by that member in respect of a liability to which the Scheme applies, the relevant matters are the amount of—
- (a) the payment;
 - (b) any legal or associated costs incurred by the claimant in connection with the claim; and
 - (c) any legal or associated costs incurred by or on behalf of the member in connection with the claim.
- (9) In this regulation, references to "member" are to be construed in accordance with regulation 16(2).

Power to make payments on account

19.—(1) Where, in any membership year, a payment falls to be made by a member in connection with a claim in respect of which an amount may become payable by the Secretary of State under regulation 18 (determining the amount of any payment to be made out of the Scheme), the Secretary of State may make a payment on account of any amount which may become payable.

(2) A payment on account may be made to or on behalf of the member.

(3) Where the amount of any payment on account exceeds the amount subsequently determined under regulation 18 as being the amount of payment to be made in connection with the claim, the excess is recoverable from the member.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations apply to England and make provision in connection with the Clinical Negligence Scheme for Trusts (“the Scheme”). The Scheme enables members exercising functions in connection with the National Health Service to make provision for meeting liabilities to which the Scheme applies. These Regulations consolidate with amendments the provisions of the National Health Service (Clinical Negligence Scheme) Regulations 1996 (S.I. 1996/251) which first established the Scheme and provide for the continuation of the Scheme under these Regulations.

Regulation 3 sets out the Scheme's purpose and provides that it will continue to be administered by the Secretary of State. Regulation 4 lists the bodies eligible to become members and regulation 5 provides that existing members are to continue their membership and sets out the procedure for other eligible bodies to become a member. Membership may be cancelled under regulation 6 by any member of at least 3 years standing. The Secretary of State may also cancel a body's membership under regulation 7 on grounds which include insolvency and non-payment of a member's contribution to the Scheme.

Regulations 8 to 10 set out the liabilities to which the Scheme applies. Regulation 8 provides that the Scheme applies to liabilities in tort which a member owes to a third party in connection with personal injury or loss arising from negligent acts or omissions in the exercise of specified health service functions of the member. In the limited circumstances set out in regulations 9 and 10, the Scheme also applies to liabilities in negligence which a non-member owes to third parties and for which members of the Scheme are treated as liable. Regulation 9 identifies the member of the Scheme which is to be treated as liable in respect of negligence liabilities that arose whilst relevant health services were being provided by a body which has since had its Scheme membership cancelled on the grounds of insolvency. Regulation 10 makes similar provision in respect of negligence liabilities that arose whilst relevant health services were being provided by non-members under commissioning or sub-contracting arrangements.

Regulations 11 to 13 contain provision for the calculation (and in certain circumstances the revision) of amounts which members are required to contribute for the purposes the Scheme and sets out when such contributions must be made.

Regulations 14 to 19 set out the circumstances in which payments are to be made by the Secretary of State under the Scheme by or on behalf of members. Regulation 14 deals with payments in respect of the liabilities of members, regulation 15 deals with payments in respect of the liabilities of former members in respect of events occurring during membership and regulation 16 specifies circumstances in which any such liabilities are excluded. Regulation 17 applies regulations 14 to 16 with modifications to the cases where specified members of the Scheme are treated as liable in respect of the negligence liabilities of others (as set out in regulations 9 and 10). Amounts to be paid are determined in accordance with regulation 18 and provision for the making of payments on account is contained in regulation 19.

Regulation 20 sets out the requirements for members to provide information to the Secretary of State for the purposes of the Scheme. Regulation 21 requires the Secretary of State to make available to eligible bodies any directions or guidance which the Secretary of State gives to any body directed to administer the Scheme on the Secretary of State's behalf. Regulation 22 revokes with certain savings the statutory instruments which are consolidated by these Regulations. Regulation 23 contains transitional provision.

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
