
STATUTORY INSTRUMENTS

2015 No. 821

The Nagoya Protocol (Compliance) Regulations 2015

PART 4

Enforcement

Powers of inspection

- 11.**—(1) An inspector who has entered premises in exercise of a power under regulation 10 may—
- (a) inspect the premises and any products, goods or biological material found on the premises;
 - (b) search the premises;
 - (c) have access to, inspect and copy documents, records or other information, in whatever form they are held, and remove them to enable them to be copied;
 - (d) require the production of, and inspect and check the data on, and operation of, any computer and any associated apparatus used in connection with such documents, records or other information, and require computer records to be produced in a form in which they may be easily accessed and taken away by the inspector;
 - (e) take samples of products, goods or biological material;
 - (f) carry out any examination, investigation or test; and
 - (g) take photographs, measurements or recordings.
- (2) An inspector may require any person to provide as may be necessary for the purpose of enforcing the EU Regulation any—
- (a) assistance;
 - (b) documents, records or other information.

Status:

This version of this provision no longer has effect.
