It may set this rate, subject to certain constraints, at a higher or lower level than the rate which applies outside the City of London. The City sets the multipliers for each financial year according to formulae set by legislation.”;
- (d) for the text relating to the heading “National Non-Domestic Rating Multiplier” substitute—
- “The current multipliers are shown on the front of this bill.”;
- (e) for the first paragraph under the heading “Small Business Rate Relief” substitute—
- “Ratepayers who occupy a property with a rateable value which does not exceed £17,999 outside London or £25,499 in London (and who are not entitled to other mandatory relief or are liable for unoccupied property rates) will have their bill calculated using the lower small business non-domestic rating multiplier, rather than the national non-domestic rating multiplier.”;
