

## SCHEDULE 2

Signs that warn of hazards and signs for bridges and other structures

### PART 5

Associated plates and structure warning markings for signs in Part 4

1.—(1) A warning or information of a description specified in column 2 of an item in the sign table in this Part must be conveyed by a plate or structure warning marking which is of the size, colour and type provided for—

- (a) in the diagram in column 3 of the item; or
- (b) in that diagram varied in accordance with column 4.
