

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 7

Road markings and miscellaneous upright signs that indicate stopping, waiting, loading and parking controls

PART 7

The Schedule 7 General Directions

2. When a sign provided for in the sign table in Part 2 is placed to indicate the point at which a restriction, requirement or prohibition begins or ends, the sign must be placed on the road as near as practicable to that point.
