**The Water and Sewerage Undertakers (Exit from
Non-household Retail Market) Regulations 2016**

PART 4

Effect of exit

Effect on water supply or sewerage licensees generally

Code about supply of water or provision of sewerage services etc. in retail exit area

- 30.**—(1) The WSRA must issue a code in relation to—
- (a) supplies of water to which a scheme under regulation 29 relates, and
 - (b) the provision of sewerage services to which a scheme under regulation 29 relates.
- (2) The code may, in particular, make provision about—
- (a) terms and conditions contained in schemes under regulation 29;
 - (b) licensees informing owners or occupiers of premises of their schemes, before agreeing any terms and conditions for the provision of services.
- (3) If the WSRA considers that a water supply or sewerage licensee is not acting as required by provision contained in the code as mentioned in paragraph (2), the WSRA may give the licensee a direction to do, or not to do, a particular thing specified in the direction.
- (4) It is the duty of a water supply or sewerage licensee to comply with a direction under paragraph (3), and this duty is enforceable under section 18 of the 1991 Act.
- (5) The WSRA must from time to time review the code and, if appropriate, issue a revised code.
