EXPLANATORY NOTE

(This note is not part of the Order)

This Order extends the limits of jurisdiction of Mostyn Docks Limited (“the Company”) both as the harbour authority for Mostyn Docks and for pilotage purposes under Part I of the Pilotage Act 1987.

The harbour jurisdiction is extended to the outer part of the seaward channel lying between the limits of jurisdiction of the Dee Conservancy and the position of the old North Rhyl Buoy. It does not affect the jurisdiction of the Natural Resources Body for Wales (also known as Natural Resources Wales) within the Dee Conservancy.

Pilotage jurisdiction is extended, as described in *article 4*, along the seaward channel from the existing limit of the pilotage jurisdiction of the Company in the Dee Estuary to the position of the old North Rhyl Buoy.

A full assessment has not been produced for this instrument because it has no impact on the costs of business, charities or voluntary bodies.

A copy of the signed plan (defined in article 2(1)) may be inspected during working hours at the office of the Company at the Port of Mostyn, Mostyn, Holywell, Flintshire CH8 9HE.
