2016 No. 765

The Air Navigation Order 2016

PART 7

Air traffic services

CHAPTER 2

Licensing of air traffic controllers

Certification of training organisations

196. A person must not provide training necessary to obtain from the CAA student air traffic controller licences or air traffic controller licences or any associated rating or endorsement or to maintain any of them unless—

- (a) that person holds training organisation certification issued or recognised by the CAA in accordance with the EASA Air Traffic Controller Licensing Regulation; and
- (b) the training has been approved by the CAA in accordance with Article 22(2)(d) of the EASA Air Traffic Controller Licensing Regulation.
