The Air Navigation Order 2016

PART 4

Airworthiness of Aircraft

CHAPTER 3

Continuing airworthiness for non-EASA aircraft

Approval of aeroplane and rotorcraft maintenance organisation

62.—(1) Any person may apply to the CAA for approval as an aeroplane and rotorcraft maintenance organisation.

(2) The CAA must approve a person as an aeroplane and rotorcraft maintenance organisation for the purposes of this Part if it is satisfied that the applicant is competent to exercise the privileges of such an organisation in this Part.
