PART 5

Operations

CHAPTER 2

Operational rules for non-EASA aircraft

*SECTION 1*

*Crew required to be carried*

**Flight crew required by aircraft registered elsewhere than in the United Kingdom**

**66.**—(1) This article applies to an aircraft registered in a country other than the United Kingdom.

(2) An aircraft must not fly unless it carries a flight crew of the number and description required by the law of the country in which it is registered.
