PUBLIC TRANSPORT – OPERATIONAL REQUIREMENTS

PART 3

Required Crew Training, Experience, Practice and Periodical Tests

Deemed compliance

6.—(1) For the purposes of paragraph 2(1), 2(5) or 3(1) a pilot or flight engineer is deemed to have complied with the specified requirements in paragraphs 2(1)(b), 2(5)(b) or 3(1)(b) within the test validity period if—

- (a) they have qualified in accordance with the specified requirements on at least two occasions within the period of 13 months immediately preceding the flight; and
- (b) such occasions are separated by an interval of not less than four months.

(2) For the purposes of paragraph 5(1) a pilot is deemed to have complied with the specified requirements if, having become qualified to act as pilot in command on flights between the same places over the same route more than 13 months before commencement of the flight, the pilot has within the period of 13 months immediately preceding the flight flown as pilot of an aircraft between those places over that route.
