

# SCHEDULES

## SCHEDULE 9

### PUBLIC TRANSPORT – OPERATIONAL REQUIREMENTS

#### PART 3

##### Required Crew Training, Experience, Practice and Periodical Tests

###### **Production of records to authorised person**

8. The operator must, whenever called on to do so by any authorised person—
  - (a) produce for the inspection of any such person all records referred to in paragraph 7;
  - (b) supply to any such person all such information that person may require in connection with any such records; and
  - (c) produce for inspection by any such person all log books, certificates, papers and other documents, whatsoever which may reasonably be required to be seen for the purpose of determining whether such records are complete or of verifying the accuracy of their contents.
