## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order amends the London North West Healthcare National Health Service Trust (Establishment) and the Ealing Hospital National Health Service Trust and the North West London Hospitals National Health Service Trust (Dissolution) Order 2014 (“the Establishment Order”), which established the London North West Healthcare National Health Service Trust.

Article 2 changes the name of the trust to the London North West University Healthcare National Health Service Trust.

Article 3 requires one of the non-executive directors to be appointed from the Imperial College of Science, Technology and Medicine.

Article 4 omits the definition and specification of the trust’s “operational date” as the trust is already established.

Article 5 revokes articles 6 and 7 of the Establishment Order as they relate to the period before the operational date and are of no on-going relevance.

A full impact assessment has not been produced for this instrument as it has no effect on private sector or civil society organisations, and no significant effect on the public sector.
