**2017 No. 1206**

**The Radio Equipment Regulations 2017**

PART 2

Obligations of economic operators

CHAPTER 3

Importers

**Duty to take action in respect of radio equipment placed on the market which is considered not to be in conformity**

27.—(1) An importer who considers, or has reason to believe, that radio equipment which they have placed on the market is not in conformity with Part 2 must immediately take the corrective measures necessary to—

- (a) bring the radio equipment into conformity,
- (b) withdraw the radio equipment, or
- (c) recall the radio equipment.

(2) Where the radio equipment presents a risk, the importer must immediately inform the market surveillance authority, and the competent national authorities of any other Member State in which the importer made the radio equipment available on the market, of the risk, giving details of—

- (a) the respect in which the radio equipment is considered not to be in conformity with Part 2, and
- (b) any corrective measures taken.
