**The Blackpool Tramway (Blackpool
North Extension) Order 2017**

PART 1

PRELIMINARY

Application, modification and exclusion of legislative provisions relating to street works

5.—(1) Works executed under this Order in relation to a highway which consists of or includes a carriageway are to be treated for the purposes of Part 3 (street works in England and Wales) of the 1991 Act as major transport works if—

- (a) they are of a description mentioned in any of paragraphs (a), (c) to (e), (g) and (h) of section 86(3) (which defines what highway authority works are major highway works) of that Act; or
- (b) they are works which, had they been executed by the highway authority, might have been carried out in exercise of the powers conferred by section 64(1) (dual carriageways and roundabouts) of the 1980 Act or section 184 (vehicle crossings) of that Act.

(2) In Part 3 of the 1991 Act references, in relation to major highway works, to the highway authority concerned are, in relation to works which are major transport works by virtue of paragraph (1), to be construed as references to the promoter.

(3) The following provisions of the 1991 Act do not apply in relation to any works executed under the powers conferred by this Order—

- section 56 (directions as to timing);
- section 56A (power to give directions as to placing of apparatus);
- section 58 (restrictions following substantial road works);
- section 58A (restriction on works following substantial street works);
- section 73A (power to require undertaker to re-surface street);
- section 73B (power to specify timing etc. of re-surfacing);
- section 73C (materials, workmanship and standard of re-surfacing);
- section 78A (contributions to costs of re-surfacing by undertaker); and
- Schedule 3A (restriction on works following substantial street works).

(4) The provisions of the 1991 Act mentioned in paragraph (3) which, together with other provisions of that Act, apply in relation to the execution of street works and any regulations made, or code of practice issued or approved under, those provisions apply (with the necessary modifications) in relation to any stopping up, alteration or diversion of a street by the promoter under the powers

(1) As amended by section 102 of, and Schedule 17 to, the Local Government Act 1985 (c. 51) and section 168(2) of, and Schedule 9 to, the New Roads and Street Works Act 1991 (c. 22).

conferred by this Order whether or not the stopping up, alteration or diversion constitutes street works within the meaning of that Act.

- (5) The provisions of the 1991 Act⁽²⁾ referred to in paragraph (4) are—
- section 54⁽³⁾ (advance notice of certain works) subject to paragraph (6);
 - section 55⁽⁴⁾ (notice of starting date of works) subject to paragraph (6);
 - section 57⁽⁵⁾ (notice of emergency works);
 - section 59⁽⁶⁾ (general duty of street authority to co-ordinate works);
 - section 60 (general duty of undertakers to co-operate);
 - section 68 (facilities to be afforded to street authority);
 - section 69 (works likely to affect other apparatus in the street);
 - section 75 (inspection fees);
 - section 76 (liability for cost of temporary traffic regulation);
 - section 77 (liability for cost of use of alternative route), and

all such other provisions as apply for the purposes of the provisions mentioned above.

(6) Sections 54 and 55 of the 1991 Act as applied by paragraph (4) have effect as if references in section 57 of that Act to emergency works were a reference to a stopping up, alteration or diversion (as the case may be) required in a case of emergency.

- (7) Nothing in article 14 (construction and maintenance of new, altered or diverted streets)—
- (a) prejudices the operation of section 87 (prospectively maintainable highways) of the 1991 Act; and the promoter is not, by reason of any duty under that article to maintain a street, to be taken to be the street authority in relation to that street for the purposes of Part 3 of that Act; or
 - (b) has effect in relation to street works as respects which the provisions of Part 3 of the 1991 Act apply.

(8) To such extent as is reasonably necessary for protecting the authorised street tramway and its operation and use the promoter has the same powers as respects reinstatement as a street authority has under section 72 (powers of street authority in relation to reinstatement) of the 1991 Act.

(9) In its application to the authorised tram system section 93(3) (works affecting level crossings or tramways) of the 1991 Act also permits the promoter to make reasonable requirements—

- (a) for allowing it facilities to monitor the execution of the works; and
- (b) for the protection of the authorised tram system.

(2) Sections 54, 55, 57, 60, 68 and 69 were amended by sections 40(1) and (2) of, and Schedule 1 to, the Traffic Management Act 2004 (c. 18).

(3) As also amended by section 49(1) of the Traffic Management Act 2004.

(4) As also amended by sections 49(2) and 51(9) of the Traffic Management Act 2004.

(5) As also amended by section 52(3) of the Traffic Management Act 2004.

(6) As amended by section 42 of the Traffic Management Act 2004.
