
STATUTORY INSTRUMENTS

2017 No. 1322

The Ionising Radiation (Medical Exposure) Regulations 2017

Estimates of population doses

13. The employer must collect dose estimates from medical exposures for radiodiagnostic and interventional procedures, taking into consideration the distribution by age and gender of the exposed population and, when so requested, must provide the dose estimates to the Secretary of State.

Commencement Information

II [Reg. 13](#) in force at 6.2.2018, see [reg. 1](#)

Changes to legislation:

There are currently no known outstanding effects for the The Ionising Radiation (Medical Exposure) Regulations 2017, Section 13.
