### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace specified in regulation 3(1) in the vicinity of Bolesworth Castle, Cheshire during an air display for the general public that is scheduled to take place there during the CarFest North festival during the period 28th to 30th July 2017 inclusive. A large number of aircraft will be involved in high energy manoeuvres during the display and therefore the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3, the term 'aircraft' includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(1) are Universal Co-ordinated Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time.

In relation to the permission mentioned in regulation 3(2), the CarFest North 2017 flying display director may be contacted on telephone number 07769 683345.

Regulation 4 revokes the Regulations previously made in connection with restriction of flying at CarFest North 2017.
