**The Alternative Fuels Infrastructure Regulations 2017**

**Compliance notice**

**11.**—(1) Where the enforcement authority considers that there has been a breach of the obligations in regulation 3(1), 4, 5(1), 5(2) or 6, the enforcement authority may serve a compliance notice on the person in breach.

(2) The notice must—

- (a) be in writing;
- (b) set out the reasons for which the notice has been served;
- (c) describe the steps required to remedy the breach;
- (d) specify the date by which the breach must be remedied; and
- (e) specify the likely amount of the civil penalty to be imposed if there is a failure to rectify the breach and the basis on which it is calculated.
