SCHEDULE 3

Compliance notices and stop notices

PART 2

Stop notices

Stop notices

5.—(1) The food authority may serve a stop notice on any person in accordance with this Part in relation to an offence under these Regulations.

(2) A “stop notice” is a notice prohibiting a person from carrying on an activity specified in the notice until the person has taken the steps specified in the notice.

(3) A stop notice may only be served in a case where—

- (a) the person is carrying on the activity; and
- (b) the food authority reasonably believes that the activity as carried on by that person involves or is likely to involve the commission of an offence under these Regulations.
