

SCHEDULE 1

Obligations in relation to warrants under Part 2 or Chapter 1 of Part 6 of the Act

PART 1

Relevant telecommunications operators

11. To ensure that the capability to intercept communications or obtain secondary data may be audited so that—

- (a) it is possible to confirm that the communications that are intercepted, or from which secondary data is obtained, are those described in a warrant, and
- (b) the integrity of the communications and data is assured so far as reasonably practicable.
