EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which extends to England and Wales and Scotland, prescribes the fees payable by the holder of a licence issued under section 2C of the Animals (Scientific Procedures) Act 1986.

This Order provides for an additional fee, payable in addition to the fee payable under the Animals (Scientific Procedures) Act 1986 (Fees) Order 2015, to be paid by licence holders for the period of twelve months beginning with 6th April 2018. The effect of the additional fee, when added to the amount payable under the 2015 Order, is that the total fixed element of the fee for the year from April 2018 to April 2019 is increased from £631 to £757 and the total variable element (which is payable in respect of persons holding personal licenses operating at the license holder's establishment) from £242 to £257.

If any person holds a licence under section 2C only during the period beginning with 1st April 2019 and ending with 5th April 2019 the only fee payable is a fee, determined in accordance with paragraphs (2) to (4) of article 2 as if it were an additional fee.

The Order also provides that this overall increased fee will be payable in respect of periods of twelve months beginning with 6th April 2019.
