

SCHEDULE

Amendment of Schedule 23

Amendment of Part 4 (the Basic Safety Standards Directive)

12. In paragraph 2—

(a) in sub-paragraph (1)(a) omit “from which radioactive discharges are first made on or after 13th May 2000”; and

(b) for sub-paragraph (2) substitute—

“(2) In exercising those relevant functions, the regulator must observe the requirements of the following provisions—

(a) when estimating effective dose and equivalent dose—

(i) from external exposure, chapters 4 and 5 of International Commission on Radiological Protection Publication 116(1); and

(ii) from internal exposure, chapter 1 of International Commission on Radiological Protection Publication 119(2); and

(b) in estimating population doses, Article 66 of the Basic Safety Standards Directive.”.
