EXPLANATORY NOTE

(This note is not part of the Order)

This Order modifies the functions of the General Council of the Bar in respect of its regulatory arrangements as an approved regulator under the Legal Services Act 2007 (c. 29) (“2007 Act”).

The regulation of legal services in England and Wales is governed by the 2007 Act. Under that Act only a person who is authorised or who is exempt from the requirement to be authorised may carry on a reserved legal activity (as defined in section 12 of the 2007 Act). Authorisation can be given only by an approved regulator or, in relation to a licensable body, by a licensing authority.

Article 3 enables the General Council of the Bar to make regulations or rules providing for appeals to the First-tier Tribunal against decisions made by the General Council of the Bar in its role as an approved regulator, including in its capacity as a licensing authority.

Article 4 applies Schedule 14 (licensing authority’s power of intervention) to the 2007 Act to the General Council of the Bar in its capacity as an approved regulator only and to those listed in article 4(1)(b) to (d) as it applies to a licensing authority and licensed bodies (or managers or employees of such bodies) subject to the modifications in article 4(2) to (4).

Article 5 enables the General Council of the Bar to make rules enabling it to serve a notice requiring a relevant authorised person to produce documents and to provide information for the purpose of ascertaining whether or not the provisions of any rules, regulations or code made or issued by the General Council of the Bar are being complied with. If a relevant authorised person refuses or fails to comply with a requirement set out in the rules the General Council of the Bar may apply to the High Court for an order requiring the person to comply with the requirement.

Article 6 enables the General Council of the Bar to make disciplinary arrangements, including disciplinary rules, in relation to a relevant authorised person or a manager or employee of a relevant authorised person.

Article 7 enables the General Council of the Bar to include in any disciplinary arrangements the power to disqualify those listed in article 7(2) from the activities referred to in article 7(3) if the disqualification condition referred to in article 7(4) is satisfied. It also requires the General Council of the Bar to maintain a list of individuals disqualified under its disciplinary arrangements and the activities from which such individuals are disqualified.

Article 8 enables the General Council of the Bar to make practice rules requiring a relevant authorised person to consider the list of disqualified persons referred to in article 7 before engaging an individual to carry out any of the activities referred to in article 7(3) and to seek the permission of the General Council of the Bar before engaging an individual to perform any activity from which that individual is disqualified. The General Council of the Bar may also make rules as to the effect of any permission given upon the disqualification of the individual the relevant authorised person is seeking to engage.

Article 9 enables the General Council of the Bar to make compensation arrangements. To give effect to such arrangements the General Council of the Bar may make rules which may include, amongst other things, the power to establish and maintain a compensation fund, to require relevant authorised persons to contribute to that fund, to take out and maintain insurance or to require relevant authorised persons to contribute to the premium payable for that insurance or to require relevant authorised persons to take out and maintain insurance with an authorised insurer.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
