## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace in the vicinity of Royal Air Force Fairford, Gloucestershire, during the arrival, rehearsals, displays and departure of aircraft participating in the Royal International Air Tattoo 2018, organised by the Royal Air Force Charitable Trust Enterprises and scheduled to take place there from 10th to 16th July 2018 (inclusive).

The flying displays will include flypasts and high speed aerobatics by British and foreign military and civil aircraft and it is anticipated that a large number of members of the public will attend as spectators. A large number of aircraft will be involved in high energy manoeuvres during the display and therefore the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3, the term ‘aircraft’ includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(3) and (4) are Co-ordinated Universal Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time (BST).

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Airmen (NOTAM).
