EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in airspace in the vicinity of Overton, Hampshire during an air display for the general public that is scheduled to take place there during the CarFest South festival during the period 24th to 26th August 2018. A large number of aircraft will be involved in high energy manoeuvres during the displays and therefore the Civil Aviation Authority's Safety and Airspace Regulation Group and the Department for Transport consider that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3(1), the term 'aircraft' includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(1) are Universal Co-ordinated Time (UTC), which for the purposes of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(2), the CarFest South 2018 flying display director may be contacted on telephone 07977 901711.

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Airmen (NOTAM).
