10.—(1) The Secretary of State must determine the amount which each member of the Scheme must pay to the Secretary of State in respect of each membership year.

(2) In determining that amount in respect of any member, the Secretary of State may have regard to—

 - (ii) the effectiveness of any steps which have already been taken for that purpose; and
- (h) any other factor relating to the member or any other member of the Scheme which the Secretary of State considers relevant to the determination under paragraph (1).

Duty of members to make contributions to the Scheme

11.—(1) Where a member receives a notice under regulation 10(3) in respect of a membership year, the member must pay—

- (c) ought to be reconsidered in light of further information that has become available to the Secretary of State.

- (b) if no agreement is reached by the end of the membership year, by such time and in such manner as the Secretary of State may determine.

(5) Where the revised amount determined under paragraph (2)(b) is lower than the original amount the member's remaining payments for that membership year will be reduced to account for the revised amount and are to be paid in accordance with any arrangements that have been, or may be, agreed between the Secretary of State and the member.

(6) The reference in paragraph (1) to an amount determined by the Secretary of State under regulation 10(1) includes any revised amount determined under paragraph (2)(b).

(6) Any expense of a member which falls to be met after the Secretary of State gives notice of cancellation under regulation 7(1) (cancellation of membership by the Secretary of State) but before its membership has ceased is excluded from the Scheme unless the Secretary of State is satisfied that the expense would have fallen to be met at that time irrespective of its decision to give such a notice.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The NHS Property Expenses Scheme covers property damage and is funded by membership contributions. It was established by the National Health Service (Property Expenses Scheme) Regulations 1999 (“the 1999 Regulations”).

This instrument consolidates the 1999 Regulations and the instruments which amended them, in respect of their application to England. Regulation 16 revokes those instruments but saves the 1999 Regulations to a certain extent in certain circumstances. Regulation 16(2) provides that where an expense was incurred before the coming into force of these Regulations, the 1999 Regulations apply in relation to both the determination as to whether the Scheme applies, and whether a payment is to be made, in respect of that expense.

Regulation 17 provides that these Regulations rather than the 1999 Regulations apply in relation to certain circumstances despite those circumstances arising before the coming into force of these Regulations.

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
