## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order designates a restricted area for the purposes of the Protection of Wrecks Act 1973 within 225 metres of the wreck site of the vessel “Rooswijk” lying on the Goodwin Sands, off Deal, Kent.

The Secretary of State is satisfied that the site ought to be protected from unauthorised interference on account of the historical and archaeological importance of the vessel and any objects contained or formerly contained in it which may be lying on the sea bed in or near the wreck.

Under section 1(3) of the Protection of Wrecks Act 1973, it is a criminal offence for a person to engage in certain activities in a restricted area, except under the authority of a licence issued by the Secretary of State.

The area around the wreck site of the Rosswijk was previously designated as a restricted area under the Protection of Wrecks (Designation) (England) Order 2007. This Order adjusts the position of the wreck site north-eastwards and enlarges the radius of the restricted area from 150 to 225 metres following further investigations of the site. This Order also revokes the 2007 Order.

An impact assessment has not been produced for this instrument as no significant impact is foreseen on the private, voluntary or public sectors.
