The Gas and Electricity Markets Authority(a), in exercise of the powers conferred by sections 7B(1), (2) and (11) and 47 of the Gas Act 1986(b) makes the following Regulations:

Citation, commencement and revocation

1.—(1) These Regulations may be cited as the Gas (Applications for Licences and Extensions and Restrictions of Licences) Regulations 2019 and come into force on 5th July 2019.

(2) The Gas (Applications for Licences and Extensions and Restrictions of Licences) Regulations 2010(c) (“the 2010 Regulations”) are revoked.

Transitional provisions

2.—(1) Where an application has been made under the 2010 Regulations but at the date upon which these Regulations come into force the application has neither been granted nor refused, the application shall be treated thereafter as having been made under these Regulations.

(2) In relation to an application to which paragraph (1) applies, the Authority, where necessary, will require applicants to supplement their application with additional information to meet the requirements of these Regulations.

(3) Where, in relation to an application to which paragraph (1) applies, the applicant, before the coming into force of these Regulations, published a notice of the application in accordance with the 2010 Regulations, the requirements of these Regulations as regards publication shall be taken to have been met.

Interpretation

3.—(1) In these Regulations—

“the 2000 Act” means the Utilities Act 2000(d)

“the 2004 Act” means the Energy Act 2004(e);

“the Act” means the Gas Act 1986;

(a) The Gas and Electricity Markets Authority was established under section 1(1) of the Utilities Act 2000 (c.27).
(b) 1986 c.44: section 7B of the Gas Act was inserted by section 74(7) of the Utilities Act 2000.
(c) S.I. 2010/2155
(d) 2000 c.27.
(e) 2004 c.20.
“application” means an application for a licence, an application for an extension of a licence or an application for a restriction of a licence under the Act and references to an application in respect of a licence shall be construed accordingly;

“the Authority” means the Gas and Electricity Markets Authority established by section 1 of the 2000 Act;

“domestic premises” means premises used wholly or mainly for domestic purposes;

“extension”, in relation to a transporter licence, means an extension of the licence under section 7(4) of the Act(a) and, in relation to a supplier licence or a shipper licence, means an extension of the licence under section 7A(4) of the Act(b);

“interconnector licence” means a licence granted or to be granted under section 7ZA(1) of the Act(c);

“principal undertaking” means an undertaking within the meaning of section 1161 of the Companies Act 2006(d);

“related person” means

(a) in relation to an applicant who is the principal undertaking, a parent or subsidiary undertaking of the principal undertaking or a subsidiary undertaking of the parent undertaking of the principal undertaking, in each case within the meaning of section 1162 and Schedule 7 of the Companies Act 2006; and

(b) in relation to any applicant (including such an undertaking), a connected person of the applicant within the meaning of section 286 of the Taxation of Chargeable Gains Act 1992(e);

“restriction”, in relation to a transporter licence, means a restriction of the licence under section 7(4A) of the Act(f) and, in relation to a supplier licence or a shipper licence, means a restriction of the licence under section 7A(6) of the Act;

“shares”, in relation to an applicant with share capital, means allotted shares; in relation to an applicant with capital but no share capital, means rights to share in the capital of the applicant; and in relation to an applicant without share capital, means interests (i) conferring any right to share in the profits or liability to contribute to the losses of the applicant; and (ii) giving rise to an obligation to contribute to the debts or expenses of the applicant in the event of winding up;

“shipper licence” means a licence granted or to be granted under section 7A(2) of the Act;

“signed” includes signed in a manner which would for the purposes of section 7 of the Electronic Communications Act 2000(g) be an electronic signature;

“significant managerial responsibility or influence” means where a person plays a role in—

(a) the making of decisions about how the whole or a substantial part of an undertaking’s activities are to be managed or organised, or

(b) the actual managing or organising of the whole or a substantial part of those activities;

“supplier licence” means a licence granted or to be granted under section 7A(1) of the Act;

“Supplier of Last Resort event” means when a direction is issued by the Authority pursuant to standard condition 8 of either a gas supply licence granted under section 7A(1) of the Act or an electricity supply licence granted under section 6(1)(d) of the Electricity Act 1989(h);

“transporter licence” means a licence granted or to be granted under section 7 of the Act; and

(a) section 7 was substituted by section 5 of the Gas Act 1995 (c.45).
(b) section 7A was inserted by section 6 of the Gas Act 1995.
(c) section 7ZA was inserted by section 149 of the Energy Act 2004.
(d) 2006 c.46.
(e) 1992 c.12
(f) section 7(4A) was inserted by section 76(4) of the Utilities Act 2000.
(g) 2000 c.7.
(h) 1989 c.29.
“ultimate holding company” means a holding company (within the meaning of sections 1159 and 1160 of the Companies Act 2006(a)) of the applicant which is not itself a subsidiary of another company, which is in the position to control, or exercise significant influence over, a policy of the applicant by virtue of rights under contractual arrangements or rights of ownership which are held by the company or of which the company is a beneficiary.

(2) In these Regulations, unless the context otherwise requires, a reference to a standard condition is a reference, —

(a) in relation to a shipper licence, a supplier licence or a transporter licence, to a standard condition which is determined under section 81(2) of the 2000 Act(b); or

(b) in relation to an interconnector licence, to a standard condition which is determined under section 150(1) of the 2004 Act,

subject to any modifications of the standard conditions made under Part I of the Act, the 2000 Act, or the 2004 Act, after the determination under those sections.

(3) In these Regulations —

(a) any reference to the Schedule is a reference to the Schedule of these Regulations; and

(b) any reference to a numbered paragraph is a reference to the paragraph bearing that number in the regulation in which the reference occurs.

(4) These Regulations do not apply to applications in respect of a “smart meter communication licence” as defined by section 7AB(1) of the Act.

Manner of Application

4. An application shall be:

(a) made in writing, addressed to the Authority and delivered or sent by prepaid post to the Authority at its principal address or sent by electronic mail to an address specified by the Authority;

(b) signed and dated by or on behalf of the applicant, stating, where signed on behalf of the applicant, the capacity of the signatory; and

(c) accompanied by the prescribed fee referred to in regulation 7 of these Regulations.

Form of application

5. —(1) An application shall be made by completing in full the form shown in the Schedule.

(2) The application may not be considered by the Authority unless it is made in accordance with this regulation 5.

(3) The Authority may make further enquiries of the applicant about any matter connected with the application and may request additional information or documentation as set out in the form in the Schedule.

Additional information and documents to accompany application

6. —(1) Subject to paragraphs (2), (3) and (4)—

(a) an application in respect of a supplier licence shall be accompanied by the information and documents specified for that licence in the form in the Schedule;

(b) an application in respect of a shipper licence shall be accompanied by the information and documents specified for that licence in the form in the Schedule;

(c) an application in respect of a transporter licence shall be accompanied by the information and documents specified for that licence in the form in the Schedule; and

(a) 2006 c.46.

(b) section 81(2) was amended by section 168(10) of the Energy Act 2004.
(d) an application in respect of an interconnector licence shall be accompanied by the information and documents specified for that licence in the form in the Schedule.

(2) The obligation imposed by paragraph (1) shall, to the extent that information and documents are specified in the Schedule by reference to, or in relation to, a standard condition, apply—

(a) subject to paragraph (3), in the case of an application for a licence, other than for a supplier licence of the type described in section 8(2) of the Act(a), as if the standard condition in question were to be included and have effect in any licence granted as a result of the application; and

(b) in the case of an application for an extension or restriction of a licence, in relation to such of the standard conditions in question as have been included and have effect in that licence.

(3) Where a modification to any standard condition is requested in an application made in accordance with these Regulations, the obligation imposed by paragraph (2)(a) shall be modified accordingly.

(4) The obligation imposed by paragraph (1)(a), (b) and (c) in relation to an application for an extension or restriction of a licence shall only apply to the extent that the information and documents differ from or add to the most recent information and documents provided in relation to an application made in accordance with these Regulations or in pursuance of a condition of the applicant’s licence.

Application Fees

7.—(1) Subject to paragraph (2), the prescribed fee in relation to an application of the description specified in the first column of the Table in the form in the Schedule shall be the corresponding fee specified in the second column of that Table.

(2) Where more than one fee would, but for this paragraph, be payable in respect of a particular application, the prescribed fee shall be the higher or highest such fee.

Publication of notice of application

8.—(1) The period prescribed for the purpose of section 7B(2) of the Act(b) (notice of applications) is ten working days from the date the applicant is notified by the Authority that the application is duly made (“the prescribed period”).

(2) The prescribed manner of publication for that purpose shall be either by—

(a) requesting the Authority to place the notice on the website address of the Authority (at “www.ofgem.gov.uk” or such other website address as may be notified to the applicant by the Authority in writing); or

(b) publishing the notice on the website address of the applicant and requesting the Authority to place a link to the applicant’s website address on the website address of the Authority (at “www.ofgem.gov.uk” or such other website address as may be notified to the applicant by the Authority in writing).

(3) Where an application is for the restriction of a licence, the applicant shall also ensure that notice of application is published within the prescribed period in such newspapers as are calculated to ensure that the notice is circulated throughout the area to which the proposed restriction relates.

---

(a) section 8(2) was amended by paragraph 2 of schedule 6 of the Utilities Act 2000
(b) section 7B was inserted by section 7 of the Gas Act 1995.

12.6 Provide details of your proposed plans for your first two years’ operation after commencing supply of gas to premises. (Please refer to the application guidance published on the Ofgem website).

If you intend to provide this information as an attachment, please check the box below and include the information with your application.

☐ Details of proposed plans included as an attachment.

12.7 Provide details of your financial projections, funding arrangements and risk management strategy for your first two years’ operation after commencing supply of gas to premises, and proof of funding for at least your first year’s operation after commencing supply of gas to premises. (Please refer to the application guidance published on the Ofgem website).

☐ Please check this box to confirm that the information is included as attachments.

12.8 Provide a statement of intent in respect of the customer service obligations under the licence applied for and the steps you will take to comply with those obligations. (Please refer to the application guidance published on the Ofgem website).

If you intend to provide this information as an attachment, please check the box below and include the information with your application.

☐ Statement of intent in respect of customer service obligations included as an attachment.
Restriction of existing gas supply licence applications

13.1 Provide an estimate of the total number of premises to which the applicant supplies gas at the time of application and to which the applicant would cease to supply gas if the restriction was granted:

13.2 Are there any relevant consumers at the time of application?

A person is a relevant consumer if (i) immediately before the restriction takes effect, he is being supplied with gas by the holder of the licence; and (ii) his premises are to be excluded from the licence by the restriction, within the meaning of section 7A(10) of the Gas Act 1986.

Yes ☐ (Go to question 13.3 below)   No ☐ (Go to the Declaration in section 18 below)

13.3 Provide details of what arrangements you have made to ensure that your existing relevant consumers (that will be affected by this restriction) will continue to be supplied with gas after the restriction takes effect:

13.4 Where consumers are supplied under a contract*, provide a description of the applicant’s proposed arrangements for ensuring that the terms of any new contract will be the same or as similar to the terms in place between the applicant and that customer immediately before the restriction is to have effect:

(*not including any contract, which by virtue of paragraph 8 of schedule 2B of the Gas Act 1986, is deemed to have been made)
Gas shipper licence applications

14.1 Would you like the shipper licence to authorise you to:

☐ make arrangements generally with any gas transporter for gas to be introduced into, conveyed by means of or taken out of a pipe-line system operated by that transporter

Or –

☐ make arrangements for purposes connected with the supply of gas to specified premises, those premises being:
   any premises in a specified area;
   any premises of a specified description; or
   particular premise

14.2 Please specify or describe the premises, location of the premises and the specified area, if any, to which the application relates. The description should enable the premises to be adequately and readily identified by map, or by other means:

If you intend to provide this information as an attachment, please check the box below and include the information with your application.

☐ Premises information included as an attachment.
Gas transporter licence applications

15.1 Would you like the transporter licence to authorise you to convey gas to:

(a) [ ] any premises

and/or -

(b) to any pipe-line system operated by another gas transporter:

(i) [ ] throughout Great Britain

(ii) [ ] within a specified area or areas

15.2 If the application relates to 15.1(b), please provide a description specifying the pipe-line system that the application relates to. Stating in particular whether it relates only to any system which is designed to receive gas at an operating pressure not exceeding 7 bar gauge.

15.3 If the application relates to 15.1(b)(ii) please provide a description specifying the area to which the application relates:

15.4 Does the application relate to domestic premises?

  Yes: [ ]  No: [ ]

15.5 Provide details of proposed arrangements for compliance with the applicable requirements of the following standard conditions:

Standard Condition 45 (Undertaking from Ultimate Controller)

Standard Condition 46 (Credit Rating of Licensee)
15.6 If requested to do so by Ofgem: Provide details of proposed arrangements for compliance with the applicable requirements of any modification that the Authority has indicated, in writing, that it proposes to make to the standard conditions prior to the granting of any transporter licence:

If you intend to provide any of this information as an attachment, please check the box below and include the information with your application.

☐ Proposed arrangements for compliance with standard conditions included as an attachment
Restriction of existing gas transporter licence applications

16.1 Provide an estimate of the total number of premises to which the applicant conveys gas (at the time of this application) and to which the applicant would cease to convey gas if the restriction application were to be granted:

16.2 Are there any relevant consumers at the time of application?

A person is a relevant consumer if (i) immediately before the restriction takes effect, he is connected to the pipe-line system of the holder of the licence, and (ii) his premises are to be excluded from the licence by the restriction.

Yes ☐ (Go to question 16.3 below)  No: ☐ (Go to the Declaration in section 18 below)

16.3 Provide details of what arrangements you have made to ensure that the connection of all relevant consumers (that will be affected by this restriction application) will be maintained:
Gas interconnector licence applications

Note: Gas interconnector licence applications must specify the actual or proposed points of connection. If the points of connection cannot be specified at this stage you should provide Ordnance Survey Grid Reference co-ordinates for the proposed point of connection.

17.1 Specify the actual or proposed points of connection to a gas transportation or distribution network:

17.2 Was the construction of the interconnector to which this application relates completed before 2 August 2003?
Yes: ☐ (Go to the Declaration in section 18 below) No: ☐ (Go to question 17.3)

17.3 Are you seeking to have any or all of the standard conditions in question 17.4 to not be applied to the licence?
Yes: ☐ (Go to question 17.4 below) No: ☐ (Go to the Declaration in section 18 below)

17.4 Please indicate which conditions you are seeking to not be applied to the licence:
(a) Conditions relating to the charging methodology to apply to third party access to the licensee’s interconnector: ☐
(b) Conditions relating to the requirement to offer terms to an applicant for access to the licensee’s interconnector: ☐

17.5 If you are asking for any or all of the above conditions to not be in effect, the following additional information must be provided:
(a) The period of time for which the applicant seeks the licence condition or conditions to not be in effect:

(b) A statement setting out the evidence and reasoning as to why the applicant considers:
(i) The investment in the interconnector enhances competition in gas supply and enhances security of supply:

(ii) The level of risk attached to the investment to be made in relation to the interconnector is such that the investment would not be or would not have been made unless those licence conditions were not in effect:
(iii) That, should the licence conditions not be in effect for the period of time sought, this will not be detrimental to competition or the effective functioning of the internal gas market, or the efficient functioning of the regulated system to which the interconnector is connected:

(c) Provide a further statement that:

(i) The interconnector will be owned by a natural or legal person who is separate, at least in terms of its legal form, from the system operators to whose systems the interconnector to which this application relates will be connected.

(ii) Charges will be levied on users of the interconnector:

If you intend to provide any of this information as an attachment, please check the box below and include the information with your application.

### Notes on completing this application form and submitting your gas licence application

These notes aim to answer the key questions you may have in making a gas licence application. All applicants must also read our full guidance on licence applications which is available on the Ofgem website before completing this form.

<table>
<thead>
<tr>
<th>Type of Licence</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A gas supplier licence</strong></td>
<td>Allows the licensee to supply to any premises gas which has been conveyed to those premises through pipes. A supply licence may authorise the holder to supply gas to non-domestic premises or to domestic and non domestic premises.</td>
</tr>
<tr>
<td><strong>A gas shipper licence</strong></td>
<td>Allows the licensee to arrange with any gas transporter for gas to be introduced into, conveyed by means of or taken out of a pipe-line system operated by that transporter, either generally or for purposes connected with the supply of gas to any premises specified in the licence.</td>
</tr>
</tbody>
</table>
| **A gas transporter licence** | Allows the licensee to:  
- convey gas through pipes to any premises within an area specified in the licence held by the gas transporter, and  
- convey gas through pipes to any pipeline system operated by another gas transporter, or to any other pipeline system specified in the licence. |
| **A gas interconnector licence** | Allows the licensee to participate in the operation of a gas interconnector. Participating in the operation of a gas interconnector is defined as:  
- co-ordinating and directing the conveyance of gas into or through a gas interconnector, or  
- making such an interconnector available for use for the conveyance of gas. |

You may also use this form to make an application for the extension or restriction of an existing gas supply or gas transporter licence.

**Please note:** An application may not be made on the same form for more than one licence - use a separate form for each licence application.
Completing the application form

- Please ensure that you answer all relevant questions as fully as possible. The table below provides an overview of what sections need to be completed.

<table>
<thead>
<tr>
<th>Tier 1</th>
<th>All applicants must complete this section.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1 – Licence specific information</td>
<td>Applicants need only complete the parts relevant to the type of application being made.</td>
</tr>
<tr>
<td>Tier 2</td>
<td>Applicants only need to complete this section if and when requested by Ofgem. We may ask you to provide the additional information set out in Tier 2 if during: o our initial checks of your application for completeness; or o the course of processing your application, the overall risk assessment score for the application is equal to or above the minimum threshold in accordance with our full licence application guidance.</td>
</tr>
</tbody>
</table>

- All fields are mandatory unless indicated otherwise.
- Please enter N/A in response to any questions that you consider not applicable rather than leave blank.
- Where the required information is being provided in the form of a separate attachment – please check the relevant box on the application form to indicate that you are including attachments and ensure that the attachments accompany your application.
- Applicants should note that we will not commence processing an application until all relevant information/documents as set out in the application form have been provided and the relevant application fee has been received in cleared funds.

How to submit your application

The application may be submitted in one of the following ways

1. By post to the address given below; or
2. By email to the email address given below (hard copy may follow by post)

Paying the application fee

Payment details can be found in the application guidance published on the Ofgem website.

What happens next?

- We will contact you to confirm whether the application is complete and therefore ‘duly made’. Where incomplete or ‘not duly made’, we will advise you of what information is outstanding.
- Once the application is considered duly made – we will provide you with a template with suggested wording for your notice of application. You then have 10 working days to arrange for this to be published on the Ofgem website or your own website.

How long will the application process take?

Please refer to the application guidance published on the Ofgem website for details of processing time periods.

Our contact details

Should you have any general queries about your licence application, you can contact us at licensing@ofgem.gov.uk.

However, please note that Ofgem cannot provide legal advice. If you need advice on what to put in answer to a question, or whether documents are sufficient to answer a question, please seek independent legal advice.
EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations set out the information, and other documents that are required to be submitted with applications for supplier, shipper, transporter and interconnector licences (and for extensions or restrictions of supplier and transporter licences) under the Gas Act 1986, as amended by the Utilities Act 2000 and the Energy Act 2004. They specify the form and manner of such applications. These Regulations also set out the manner in which notices of applications are to be published.

These Regulations come into force on 5th July 2019.

Regulation 1 provides for the citation, commencement and revokes the previous Regulations.

Regulation 2 makes transitional provisions for applications made but not determined before the Regulations come into force.

Regulation 3 provides for general interpretation.

Regulation 4 deals with the manner of applications.

Regulation 5 concerns the form of applications, and incorporates the Schedule that specifies their form, and the information and documents to accompany them.

Regulation 6 specifies the additional information and documents to accompany applications.

Regulation 7 specifies the fees payable in respect of applications. The fees for licence applications have increased by the following amounts:
