

**EXPLANATORY MEMORANDUM TO**  
**THE FOOD AND FEED HYGIENE AND SAFETY (AMENDMENT NO. 2)**  
**(NORTHERN IRELAND) (EU EXIT) REGULATIONS 2019**

**2019 No. 1085**

**1. Introduction**

- 1.1 This explanatory memorandum has been prepared by the Department of Health and Social Care and is laid before Parliament by Command of Her Majesty.
- 1.2 This memorandum contains information for the Joint Committee on Statutory Instruments.

**2. Purpose of the instrument**

- 2.1 This Statutory Instrument (SI) will revoke The Food and Feed Hygiene and Safety (Amendment) (Northern Ireland) (EU Exit) Regulations 2019 and address the drafting errors identified in those regulations by the Joint Committee on Statutory Instruments (JCSI) in its report of 10 May 2019.
- 2.2 As a responsible government, we continue to proportionately prepare for all possible EU Exit scenarios. The purpose of this instrument is to ensure that there will continue to be a functioning statute book on exit day in a no deal scenario, thereby maintaining continuity in relation to food and feed hygiene and safety legislation in Northern Ireland.
- 2.3 The SI will correct deficiencies in current Northern Ireland legislation, arising from EU Exit and ensure that the following Northern Ireland legislation relating to food and feed hygiene and safety continues to operate effectively after the UK leaves the EU:
  - The General Food Regulations (Northern Ireland) 2004
  - The Food Hygiene Regulations (Northern Ireland) 2006
  - The Quick-frozen Foodstuffs (No. 2) Regulations (Northern Ireland) 2007
  - The Meat (Official Controls Charges) Regulations (Northern Ireland) 2009
  - The Official Feed and Food Controls Regulations (Northern Ireland) 2009
  - The Plastic Kitchenware (Conditions on Imports from China) Regulations (Northern Ireland) 2011
  - The Animal Feed (Composition, Marketing and Use) Regulations (Northern Ireland) 2016
- 2.4 The SI makes several minor and technical amendments to these regulations to deal with these deficiencies and does not contain any changes to current policy.

***Explanations***

***What did any relevant EU law do before exit day?***

- 2.5 Regulation (EC) No 178/2002 makes provision for general principles and requirements of food law, and as read with Commission Implementing Regulation (EU) No 931/2011 on the traceability requirements set by Regulation (EC) No

178/2002 and with Commission Implementing Regulations (EU) No 208/2013 on traceability requirements for sprouts and seeds intended for the production of sprouts. The General Food Regulations (Northern Ireland) 2004 makes provision for its execution and enforcement in Northern Ireland.

- 2.6 The Food Hygiene Regulations (Northern Ireland) 2006 provide for the execution and enforcement of a number of European instruments in Northern Ireland:
- (a) Regulation (EC) No 852/2004 makes provision for requirements on the hygiene of foodstuffs.
  - (b) Regulation (EC) No 853/2004 makes provision for specific hygiene rules for food of animal origin.
  - (c) Regulation (EC) No 854/2004 makes provision for specific rules for the organisation of official controls on products of animal origin intended for human consumption.
  - (d) Commission Regulation (EC) No 2073/2005 lays down the microbiological criteria for certain micro-organisms and the implementing rules to be complied with by food business operators.
  - (e) Commission Implementing Regulation (EC) No 2015/1375 makes provision for specific rules on official controls for *Trichinella* parasite in meat.
- 2.7 The Quick-frozen Foodstuff (No. 2) Regulations (Northern Ireland) 2007 provides for the implementation and enforcement of a number of European instruments in Northern Ireland:
- (a) Council Directive 89/108 makes provision on the approximation of the law of member states relating to quick-frozen foodstuffs intended for human consumption.
  - (b) Commission Directive 92/2/ECC makes provision for sampling procedure and the Community method of analysis for the official control of the temperatures of the quick-frozen foods intended for human consumption.
  - (c) Commission Regulation (EC) 37/2005 makes provision for the monitoring of temperatures during transport, warehousing and storage of quick-frozen foodstuffs intended for human consumption.
- 2.8 Regulation (EC) No 882/2004 makes provision on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules. The Meat (Official Controls Charges) Regulations (Northern Ireland) 2009 provides for the execution and enforcement of Articles 26 and 27 of Regulation (EC) No 882/2004 on the financing of official controls in Northern Ireland.
- 2.9 The Official Feed and Food Controls Regulations (Northern Ireland) 2009 provides for the execution and enforcement of a number of European instruments in Northern Ireland:
- (a) Regulation (EC) No 882/2004 makes provision for official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules.

The Plastic Kitchenware (Conditions on Imports from China) Regulations (Northern Ireland) 2011 provides for its execution and enforcement in Northern Ireland.

- (a) Regulation (EC) No 183/2005 makes provision for requirements for feed hygiene.
  - (b) Commission Regulation (EC) No 152/2009 makes provision for the methods of sampling and analysis for the official control of feed.
  - (c) Regulation (EC) No 882/2004 makes provision on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules.

Why is it being changed?

- 2.12 A review of the Northern Ireland Regulations relating to food and feed hygiene and safety identified a number of provisions which would not operate effectively or would be deficient (within the meaning of section 8 of the European Union (Withdrawal) Act 2018) arising from the UK's withdrawal from the EU. More information on the changes being made is provided at section 7. The instrument makes no substantive changes to the way the existing legislation operates. All changes make technical drafting fixes to maintain continuity of approach after exit.

What will it now do?

- 2.13 The amended Regulations will operate effectively following the withdrawal of the UK from the EU. More information on the changes being made is provided at section 7.

### **3. Matters of special interest to Parliament**

*Matters of special interest to the Joint Committee on Statutory Instruments*

- 3.1 This instrument was laid for sifting by the Sifting Committees on 11 June 2019. The Committees considered this instrument and recommended that the appropriate procedure is for it to be subject to annulment in pursuance of a resolution of either House of Parliament (i.e. the negative procedure).
- 3.2 This instrument will revoke The Food and Feed Hygiene and Safety (Amendment) (Northern Ireland) (EU Exit) Regulations 2019 following a report from the Joint Committee on Statutory Instruments (JCSI) on 10 May 2019, drawing special attention to whether the sifting requirements in paragraph 3 of Schedule 7 to the European Union (Withdrawal) Act 2018 had been fulfilled in relation to those regulations.
- 3.3 The JCSI reported that the regulations appeared to be of doubtful vires. The report also identified several minor drafting errors in the instrument. The Food Standards Agency (FSA) responded to the JCSI comments in a published memorandum on 2 May 2019. Considering the JCSI report (10 May 2019), FSA has decided to revoke

and replace the Food and Feed Hygiene and Safety (Amendment) (Northern Ireland) (EU Exit) Regulations 2019 with this instrument.

*Matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business (English Votes for English Laws)*

- 3.4 As the instrument is subject to negative resolution procedure there are no matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business at this stage.

#### **4. Extent and Territorial Application**

- 4.1 The territorial extent of this instrument is limited to Northern Ireland.  
4.2 The territorial application of this instrument is limited to Northern Ireland.

#### **5. European Convention on Human Rights**

- 5.1 As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

#### **6. Legislative Context**

- 6.1 The UK is leaving the European Union and the amendments made by The Food and Feed Hygiene and Safety (Amendment No 2) (Northern Ireland) (EU Exit) Regulations 2019 are needed to ensure the operability of the domestic legislation as referenced in section 2.2 once the UK has left the European Union. Section 8(1) of the European Union (Withdrawal) Act 2018 provides that a Minister of the Crown may by regulations make such provision as the Minister considers appropriate to prevent, remedy or mitigate any failure of retained EU law to operate effectively or any other deficiency in retained EU law arising from the withdrawal of the UK from the EU. The instrument is made in exercise of these powers.

#### **7. Policy background**

*What is being done and why?*

- 7.1 This instrument applies to the Northern Ireland Regulations dealing with food and feed hygiene and safety which is a transferred matter for Northern Ireland under the Northern Ireland Act 1998. Although the UK Government remains committed to restoring devolution in Northern Ireland, a functioning statute book is required across the UK, including in Northern Ireland, for exit day. UK Government Ministers have therefore decided that, in the interest of legal certainty in Northern Ireland, the UK Government will take through the necessary secondary legislation at Westminster for Northern Ireland, in close consultation with the Northern Ireland departments. This is one such instrument.
- 7.2 The amendments made by this instrument are being made to ensure the operability of the Northern Ireland Regulations once the UK has left the EU and can be broadly categorised as:
- Removing references to ‘Community’, ‘European Union’ and ‘member states’ to reflect the UK’s new status outside of the EU;
  - Removing redundant provisions to EU instruments; and
  - Fixing references.

- 7.3 The General Food Regulations (Northern Ireland) 2004 are amended to substitute the reference to “European Union” to “United Kingdom”.
- 7.4 The Food Hygiene Regulations (Northern Ireland) 2006; Schedule 2 is amended to remove and replace references to “Community legislation” or “national law” to “United Kingdom” law. Reference to “manufactured in the Community” is omitted from Schedule 2. Reference to “one or more Community languages” is replaced with “English, or in English and in Welsh” within Schedule 3.
- 7.5 The Quick-frozen Foodstuffs (No. 2) Regulations (Northern Ireland) 2007 are amended to remove and replace descriptions of the term ‘quick-frozen’ in other languages referenced in Article 8.1(a) of Council Directive 89/108. Reference to “European Union” is substituted with “United Kingdom”.
- 7.6 The Meat (Official Controls Charges) Regulations (Northern Ireland) 2009 are amended to remove an ambulatory reference to EU instruments.
- 7.7 The Official Feed and Food Controls Regulations (Northern Ireland) 2009 are amended to insert a definition of “third country” which means a country or state other than the United Kingdom.

The provisions and references relating to the following are also removed:

- Staff of competent authority of another member state;
  - Commission experts
  - Prohibition on disclosure of trade secrets
  - Relevant territories
  - Expenses arising in respect to co-ordinated assistance and follow-up by the Commission.
  - Member state languages
- 7.8 The Plastic Kitchenware (Conditions on Imports from China) Regulations (Northern Ireland) 2011 are amended to substitute references to “European Union” to “United Kingdom”.
- 7.9 The Animal Feed (Composition, Marketing and Use) Regulations (Northern Ireland) 2016 are amended to remove references to Commission requirements and a provision on the collaboration of competent authorities of member states. References to “Commission” are substituted to “appropriate authority”
- 7.10 These drafting fixes as outlined above, are the extent of this instrument’s purpose; the intention is to ensure the operability of the Northern Ireland Regulations once the UK has left the EU. As a result, there are not expected to be any significant impacts arising from this SI.

## **8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union**

- 8.1 The SI is being made using the power in section 8(1) of the European Union (Withdrawal) Act 2018 to prevent, remedy or mitigate any failure of retained EU law to operate effectively, or other deficiency in retained EU law, arising from the withdrawal of the UK from the EU. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this explanatory memorandum.

## **9. Consolidation**

- 9.1 The SI does not involve consolidation and there are no plans to consolidate the relevant legislation at this time.

## **10. Consultation outcome**

- 10.1 The policy areas covered, and the changes within this SI, were the subject of a four-week public consultation conducted in Northern Ireland, which closed on 20 December 2018. The consultation and summary of responses are published at the following link:

<https://www.food.gov.uk/news-alerts/consultations/proposed-approach-for-the-amendment-of-domestic-legislation-in-northern-ireland> .

- 10.2 The consultation sought comments on the proposed approach to the amendment of Northern Ireland domestic legislation relating to food and feed safety and hygiene, food compositional standards and food labelling.
- 10.3 Two responses were received in relation to food labelling and they did not concern the proposed changes being made in this SI.

## **11. Guidance**

- 11.1 There will be no guidance to accompany the changes in the Northern Ireland domestic legislation. There will be continued engagement with stakeholders and enforcement officers, in the event that a common approach is not agreed with the EU and the instrument therefore comes into force, to explain the changes and ensure the operability of the new rule book after EU Exit.

## **12. Impact**

- 12.1 There is no, or no significant, impact on business, charities or voluntary bodies.
- 12.2 There is no, or no significant, impact on the public sector.
- 12.3 An Impact Assessment has not been prepared for this instrument because no, or no significant, impact on the private or voluntary sector is foreseen.

## **13. Regulating small business**

- 13.1 The legislation is not expected to disproportionately affect the activities undertaken by small businesses, so no specific action is proposed.

## **14. Monitoring & review**

- 14.1 As this instrument is made under the European Union (Withdrawal) Act 2018, no review clause is required.

## **15. Contact**

- 15.1 Joy Cresswell at the Food Standards Agency can be contacted with any queries regarding the instrument: Telephone: 02890417759; or email: [joy.cresswell@food.gov.uk](mailto:joy.cresswell@food.gov.uk) .
- 15.2 Kirsten Dunbar, Head of EU Exit and Legal, at the Food Standards Agency can confirm that this explanatory memorandum meets the required standard.

15.3 Seema Kennedy MP, Parliamentary Under Secretary of State for Public Health and Primary Care can confirm that this explanatory memorandum meets the required standard.

## **Part 2**

### **Statements required when using enabling powers under the European Union (Withdrawal) 2018 Act**

#### **1. Appropriateness statement**

- 1.1 The Parliamentary Under Secretary of State for Public Health and Primary Care Seema Kennedy has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Food and Feed Hygiene and Safety (Amendment No 2) (Northern Ireland) (EU Exit) Regulations 2019 does no more than is appropriate.”

- 1.2 This is the case because this statutory instrument addresses only technical deficiencies in the relevant Northern Ireland legislation that will arise from withdrawal of the UK from the EU and will not introduce any new policy. Further details, including examples of all the changes included in the instrument, are detailed in Section 7 of the main body of this explanatory memorandum.

#### **2. Good reasons**

- 2.1 The Parliamentary Under Secretary of State for Public Health and Primary Care Seema Kennedy has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action”.

- 2.2 These are that failure to progress this legislation would result in Northern Ireland legislation relating to food and feed hygiene and safety failing to operate effectively after the UK leaves the EU. Further details, including examples of all the changes included in the instrument, are detailed in Section 7 of the main body of this explanatory memorandum.

#### **3. Equalities**

- 3.1 The Parliamentary Under Secretary of State for Public Health and Primary Care Seema Kennedy has made the following statement(s):

“The draft instrument does not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts”.

- 3.2 The Parliamentary Under Secretary of State for Public Health and Primary Care Seema Kennedy has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In relation to the draft instrument, I, Seema Kennedy, have had due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010. This Act does not extend to Northern Ireland. The Food and Feed Hygiene and Safety (Amendment No 2) (Northern Ireland) (EU Exit) Regulations 2019 extends only to Northern Ireland, I have given equivalent due regard to the implications for equality of opportunity in Northern Ireland.”

**4. Explanations**

- 4.1 The explanations statement has been made in section 2 of the main body of this explanatory memorandum.
