2019 No. 1350

**EXITING THE EUROPEAN UNION
ENVIRONMENTAL PROTECTION
MARINE MANAGEMENT
PUBLIC SECTOR INFORMATION
WATER
WATER RESOURCES**

The Environment (Legislative Functions
from Directives) (EU Exit) Regulations 2019

Made - - - - 15th October 2019

Coming into force in accordance with regulation 1

**THE ENVIRONMENT (LEGISLATIVE FUNCTIONS
FROM DIRECTIVES) (EU EXIT) REGULATIONS 2019**

PART 1

Introductory

1. Citation and commencement
2. Interpretation

PART 2

Air quality

CHAPTER 1

Introductory

3. Interpretation of Part 2: general
4. Meaning of appropriate authority

Status: This is the original version (as it was originally made).

CHAPTER 2

Retention of functions from Directive 2004/42/CE

5. Power to specify format for monitoring data
6. Power to update in light of technical progress

CHAPTER 3

Retention of functions from Directive 2008/50/EC

7. Power to amend non-essential elements

CHAPTER 4

Retention of functions from Directive 2010/75/EU

8. Power to update in light of scientific and technical progress
9. Power to specify rules for determining start-up and shut-down periods
10. Power to specify reporting requirements

CHAPTER 5

Retention of functions from Directive 2015/2193/EU

11. Power to update in light of scientific and technical progress

CHAPTER 6

Retention of functions from Directive 2016/2284/EU

12. Power to specify detailed rules for the purposes of derogations and the format of the national air pollution control programmes
13. Power to update in light of scientific and technical progress
14. Procedure for regulations under Chapter 6

CHAPTER 7

Consultation

15. Consultation

PART 3

Environmental noise

16. Retention of function from Directive 2002/49/EC: power to update in light of scientific and technical progress

PART 4

Infrastructure for spatial information: INSPIRE

CHAPTER 1

Introductory

17. Interpretation of Part 4: general
18. Meaning of appropriate authority

CHAPTER 2

Retention of functions from Directive 2007/2/EC

19. Power to make provision in relation to metadata for spatial data sets and services
20. Power to make provision in relation to interoperability and harmonisation of spatial data sets and services
21. Power to make provision in relation to network services for spatial data sets and services
22. Power to make provision in relation to monitoring and reporting of infrastructures for spatial information

PART 5

Marine strategy

23. Retention of functions from Directive 2008/56/EC

PART 6

Water quality

CHAPTER 1

Introductory

24. Interpretation of Part 6: general
25. Meaning of appropriate authority
26. Meaning of appropriate agency

CHAPTER 2

Retention of functions from the Water Framework Directive

27. Power to make provision in relation to the economic analysis for river basin districts
28. Power to make provision in relation to monitoring of water quality

CHAPTER 3

Retention of functions from the Groundwater Directive

29. Power to make provision in relation to groundwater threshold values

Status: This is the original version (as it was originally made).

30. Power to make provision in relation to the procedure for assessing groundwater chemical status
31. Power to make provision in relation to upward trends in groundwater pollutants

CHAPTER 4

Retention of functions from the EQS Directive

32. Power to amend the watch list of substances
33. Power to make provision in relation to environmental quality standards for certain metals

CHAPTER 5

Retention of functions from the Bathing Water Directive

34. Power to specify symbols about bathing waters
35. Power to specify reference methods of analysis for microbiological methods
36. Power to make provision in relation to handling of samples

CHAPTER 6

Retention of functions from the Drinking Water Directive

37. Power to make provision in relation to monitoring of drinking water

CHAPTER 7

Retention of functions from the Urban Waste Water Treatment Directive

38. Interpretation of Chapter 7
39. Power to make provision in relation to requirements of collecting systems
40. Power to make provision in relation to requirements for discharges from urban waste water treatment plants
41. Power to make provision in relation to requirements for discharges of industrial waste water

CHAPTER 8

Retention of functions from the Nitrates Directive

42. Power to specify the criteria for identifying waters
43. Power to make provision about action programmes
44. Power to make provision in relation to reference methods of measurement for nitrate concentration

CHAPTER 9

Retention of functions from the Sewage Sludge Directive

45. Power to make provision about the criteria for testing of sludge and agricultural soil

CHAPTER 10

Consultation

46. Requirement to consult

PART 7

Regulations

47. Procedure
48. Power to make consequential etc. provision
Signature
Explanatory Note
