- (a) admitted to trading or dealt in on—
 - (i) a UK regulated market (within the meaning of Article 2(1)(13A) of Regulation (EU) 600/2014);
 - (ii) an EU regulated market (within the meaning of Article 2(1)(13B) of Regulation (EU) 600/2014 which operates regularly and is recognised and open to the public; or
 - (b) admitted to official listing on a stock exchange in a country other than the United Kingdom or a Member State;
 - (c) dealt in on a regulated market (within the meaning of Article 2(1)(13) of Regulation (EU) 600/2014) in a country other than the United Kingdom or a Member State which operates regularly and is recognised and open to the public provided that the choice of stock exchange or market has been approved by the FCA or is provided for in law or the fund rules or the instruments of incorporation of the investment company; or
 - (d) not admitted to trading.
3. An instrument satisfies one of the criteria in this paragraph if—
- (a) it has a maturity at issuance of up to and including 397 days;
 - (b) it has a residual maturity of up to and including 397 days;
 - (c) it undergoes regular yield adjustments in line with money market conditions at least every 397 days; or
 - (d) its risk profile, including credit and interest rate risks, corresponds to that of financial instruments which have a maturity referred to in point (a) or (b), or are subject to a yield adjustment referred to in point (c).
4. Instruments satisfy the conditions in this paragraph if—
- (a) the potential loss which a UCITS may incur with respect to holding those instruments is limited to the amount paid for them;
 - (b) their liquidity does not compromise the ability of a UCITS to comply with rule 6.2.16(3) of the Collective Investment Schemes sourcebook;
 - (c) reliable valuation is available for them—
 - (i) in the case of securities admitted to or dealt in on a regulated market as referred to in paragraph 2(a) or recently issued securities which satisfy the conditions in paragraph 5, in the form of accurate, reliable and regular prices which are either market prices or prices made available by valuation systems independent from issuers;
 - (ii) in the case of other securities as referred to in paragraph 6 in the form of regular and accurate information to the UCITS on the security or, where relevant, on the portfolio of the security;
 - (d) appropriate information is available for them as follows—
 - (i) in the case of securities admitted to or dealt in on a regulated market as referred to in paragraph 2(a) or recently issued securities which satisfy the conditions in paragraph 5, in the form of regular, accurate and comprehensive information to the market on the security or, where relevant, on the portfolio of the security;
 - (ii) in the case of other securities as referred to in paragraph 6, in the form of regular and accurate information to the UCITS on the security or, where relevant, on the portfolio of the security;
 - (e) they are negotiable;

- (f) their acquisition is consistent with the investment objectives or the investment policy, or both, of the UCITS pursuant to the law of the United Kingdom which was relied on by the United Kingdom immediately before exit day to implement [Directive 2009/65/EC](#);
 - (g) their risks are adequately captured by the risk management process of the UCITS.
5. A recently issued security satisfies the conditions in this paragraph if—
- (a) the terms of issue include an undertaking that an application will be made for admission to official listing on a stock exchange or to another regulated market (within the meaning of Article 2(1)(13) of Regulation (EU) 600/2014) which operates regularly and is recognised and open to the public, provided that the choice of stock exchange or market has been approved by the FCA or is provided for in law or the fund rules or the instruments of incorporation of the investment company; and
 - (b) the admission referred to in point (a) is secured within a year of issue.
6. The securities referred to in this paragraph are—
- (a) transferable securities or money market instruments which are not admitted to or dealt in on a regulated market as referred to in paragraph 2(a) or recently issued securities which satisfy the conditions in paragraph 5;
 - (b) precious metals or certificates representing them;
 - (c) ancillary liquid assets.”

Article 16

Eligible units or shares

1. An MMF which is a UCITS may acquire the units of UCITS or other collective investment undertakings referred to in paragraph 4, provided that no more than 20% of its assets are invested in units of a single UCITS or other collective investment undertaking.

2.—(1) Investments made in units of collective investment undertakings other than UCITS shall not exceed, in aggregate, 30% of the assets of the UCITS.

(2) The assets of the respective UCITS or other collective investment undertakings are not required to be combined for the purposes of the limits laid down in rule 5.2.11 of the Collective Investment Schemes sourcebook.

3.—(1) Where a UCITS invests in the units of other UCITS or collective investment undertakings that are managed, directly or by delegation, by the same management company or by any other company with which the management company is linked by common management or control, or by a substantial direct or indirect holding, that management company or other company shall not charge subscription or redemption fees on account of the UCITS’ investment in the units of such other UCITS or collective investment undertakings.

(2) A UCITS that invests a substantial proportion of its assets in other UCITS or collective investment undertakings shall disclose in its prospectus the maximum level of the management fees that may be charged both to the UCITS itself and to the other UCITS or collective investment undertakings in which it intends to invest. It shall indicate in its annual report the maximum proportion of management fees charged both to the UCITS itself and to the other UCITS or collective investment undertaking in which it invests.

4. Investments made by a UCITS may include units of UCITS or other collective investment schemes, whether or not established in the United Kingdom, provided that—

- (a) such other collective investment undertakings are authorised under laws which provide that they are subject to supervision considered by the FCA to be equivalent to that provided for by the law of the United Kingdom, and that cooperation between authorities is sufficiently ensured;
- (b) the level of protection for unit-holders in the other collective investment undertakings is equivalent to that provided for unit-holders in a UCITS, and in particular that the rules on asset segregation, borrowing, lending, and uncovered sales of transferable securities and money market instruments are equivalent to the requirements of the law of the United Kingdom relating to UCITS;
- (c) the business of the other collective investment undertakings is reported in half-yearly and annual reports to enable an assessment to be made of the assets and liabilities, income and operations over the reporting period; and
- (d) no more than 10% of the assets of the UCITS or of the other collective investment undertakings, whose acquisition is contemplated, can, according to their fund rules or instruments of incorporation, be invested in aggregate in units of other UCITS or other collective investment undertakings.”
