

SCHEDULE 4

Particulars to be included in a consequences report

PART 2

Recommendations

2. The operator must include the following recommendations in the consequences report—
 - (a) the proposed minimum geographical extent from the premises to be covered by the local authority's off-site emergency plan; and
 - (b) the minimum distances to which urgent protective action may need to be taken, marking against each distance the timescale for implementation of the relevant action.
3. In relation to a minimum geographical extent recommended under paragraph 2, the operator must also include within the consequences report—
 - (a) the recommended urgent protective actions to be taken within that zone, if any, together with timescales for the implementation of those actions; and
 - (b) details of the environmental pathways at risk in order to support the determination of food and water restrictions in the event of a radiation emergency.
