

SCHEDULE

Amendments

Education Act 2002

6. In section 79 (duty to implement general requirements), for subsection (6) substitute—
 - “(6) In exercising any function which may affect the provision of sex education in maintained schools (whether or not as part of the education required to be provided under section 80(1)(d)), every local authority in England must have regard to relevant guidance issued by the Secretary of State under section 80A of this Act or section 403(1A) of the Education Act 1996.”.
