16O.—(1) Where—

- (a) a claim for relief is granted in respect of goods; and

(4) The relevant date is—

(a) the date stated in the notification required to be made under regulation 16M(2) as the date on which the error first came to the attention of the person making the notification; or

(b) where—

(i) details of the error are not notified to HMRC as required; or

(ii) HMRC are not satisfied with the details notified,
the date the claim was granted.

“claim for remission” means a claim in respect of goods, made in accordance with Section 2, that a liability to duty incurred in respect of those goods be remitted;

“claim for repayment or remission” is to be read in accordance with these definitions;

“claimant” means a person who makes a claim for repayment or remission;

“eligibility criteria” means criteria described in the repayment and remission reference document which must be met in relation to a claim for repayment or remission;

“principal” has the meaning given in regulation 16U;

“repayment and remission reference document” means the document entitled “Duty incurred in Northern Ireland – repayment and remission on production of evidence: eligibility criteria and other conditions”, version 1.0 dated 6th June 2023 which—

- (a) describes the eligibility criteria which apply for the purposes of a claim for repayment or remission; and
- (b) describes cases expressed by reference to classes of goods in relation to which a claim for repayment or remission may be made.

Repayment and remission agents

16U.—(1) A person (a “principal”) may appoint any other person (a “repayment and remission agent”) to act on the principal’s behalf for the purposes of this Chapter.

(2) A person may not act as a repayment and remission agent unless the person—

- (3) A repayment and remission agent must disclose their appointment to HMRC in each claim for repayment or remission which is made as agent on behalf of a principal.
- (4) The effect of an appointment of a person as a repayment and remission agent is that anything done under, or otherwise for the purposes of, this Chapter by, or in relation to, the agent is regarded as done under, or otherwise for the purposes of, this Chapter by, or in relation to, the principal (and not by the agent).

SECTION 2

Application, claims and waivers

Repayment or remission – application of Chapter 6

- 16V.**—(1) Subject to paragraph (2), this Chapter applies—
- (a) in relation to goods—
 - (i) in respect of which a liability to duty chargeable under section 30A(3) of the Act has been incurred and which were not relevant goods for the purposes of Chapter 3 at the time the liability was incurred; or

 - (i) the duty referred to in paragraph (1)(a) has been paid; or

 - (b) the condition specified in Article 86(6) of the UCC does not apply.

Making a claim

- 16W.**—(1) A claim for repayment or remission may only be made if—
- (a) the eligibility criteria are met or have been waived under regulation 16Z2; and
 - (b) it relates to goods within a class described in the repayment and remission reference document.
- (2) A claim for repayment of duty may only be made by, or on behalf of, a person who has paid some or all of the duty to which the claim relates.

Time periods for claims

16X.—(1) A claim for repayment or remission may be made at any time before the expiry of the period of three years beginning with the later of—

- (a) the date on which notification is given, or treated as given, by HMRC of the liability to duty chargeable under section 30A(3) or 40A(1)(b) of the Act; and
- (b) the date on which this Chapter comes into force.

(2) Where an appeal was made in respect of the amount of duty to which the claim relates and the appeal has been determined, the period between the commencement and determination of the appeal is to be disregarded for the purposes of determining the period in paragraph (1).

(3) Where, by virtue of force majeure or unforeseeable circumstances, it would be unreasonable to expect a person to make a claim in time, HMRC may, on written request by the person which gives reasons for the request, allow the person to make the claim out of time.

Cases where a claim cannot be made

16Y. A claim for repayment or remission may not be made in respect of goods—

16Z.—(1) Paragraph (2) applies where—

- (a) a claim for remission of duty has been made which has not been withdrawn or determined; and

(2) Where—

- (a) the claimant makes the payment, the claim is to be treated as a claim for repayment of duty; or
- (b) a person other than the claimant makes the payment, the claim is to be treated as withdrawn,

and HMRC must notify the claimant of that fact as soon as practicable after the payment is made.

(3) Where a repayment and remission agent made the claim on behalf of a principal the references in paragraph (2)(a) and (b) to the claimant are to be read as referring to the principal.

Information and evidence in relation to claims

16Z1.—(1) A claim for repayment or remission must—

- (a) identify the case for repayment or remission described in the repayment and remission reference document relied upon;
- (b) identify the goods to which the claim relates;
- (c) identify how the eligibility criteria applicable to the claim are met or whether any eligibility criterion has been waived;
- (d) contain such information, be accompanied by such documents and evidence and include such declarations as may be specified in a notice published by HMRC.

(2) In such cases as may be specified in a notice published by HMRC, a requirement under paragraph (1)(d) for a claim to be accompanied by specified documents or evidence may be met by the person who has made the claim, or any other person—

- (a) making the documents or evidence available for inspection by an HMRC officer; or
- (b) making available to HMRC information of a description specified in the notice (whether electronically or otherwise).

(3) HMRC may publish a notice specifying the matters referred to in paragraphs (1)(d) and (2).

- (a) the criterion is described in the repayment and remission reference document as being subject to “exceptional waiver”; and
- (b) HMRC have published a notice permitting eligibility criteria to be waived.

(2) An HMRC officer may approve the waiver if the officer is of the opinion that it is appropriate to waive the criterion, taking into consideration such factors as may be specified in a notice published by HMRC.

(3) Regulations 85 to 91 (applications for approvals etc) of the import duty regulations apply in relation to an application under paragraph (2).

(4) Section 23(5) of the Act applies to approvals granted under this regulation, including where the approval relates to a claim for repayment or remission in relation to a liability to duty chargeable under section 40A(1) of the Act.

(5) HMRC may publish a notice specifying the matters referred to in paragraphs (1)(b) and (2).

Notifications of receipt and determination of a claim for repayment or remission

(3) HMRC must notify the claimant within the period of 120 days of any such extended period which HMRC need.

(4) Reasons for a refusal of a claim for repayment or remission must be given with the notification of the determination.

(5) Where HMRC fail to comply with paragraph (1) or (2), the claim is to be treated as refused.

Granting claims for repayment or remission

16Z4.—(1) A claim for repayment or remission may be granted by HMRC if—

- (a) HMRC are satisfied that the claim has been made in compliance with this Section; and
- (b) the amount to be repaid or remitted, as determined in accordance with paragraph (2) or (3), is a positive amount.

(2) In relation to a claim for repayment or remission of duty charged under section 30A(3) of the Act, the amount to be repaid or remitted is—

- (a) where, at the time the liability to duty was incurred, the goods would not have been chargeable to duty under regulation 5 if they were goods for the internal market, the amount of duty notified in relation to those goods that has been paid or deferred; and
- (b) in any other case, the difference between the amount of duty paid or deferred in relation to the goods and the amount of duty that would have been chargeable in accordance with regulation 8 if those goods were relevant goods for the purposes of Chapter 3.

(3) In relation to a claim for repayment or remission of duty charged under section 40A(1)(b) of the Act, the amount to be repaid or remitted is—

- (a) where the goods are chargeable to duty under section 40A(1)(a), the difference between the amount of duty paid or deferred in relation to those goods and the amount of duty that would have been chargeable in accordance with regulation 14 if those goods were relevant goods for the purposes of Chapter 4; and
- (b) in any other case, the amount of duty notified in relation to the goods that has been paid or deferred.

Time of repayment

- (a) beginning with the day after the date on which the period mentioned in paragraph (2)(a) expires; and
- (b) ending with the date on which the outstanding amount is paid in full.

- (4) In this regulation—
- (a) “the applicable rate” means the rate of interest provided by regulations for the purposes of section 197(2)(f) of the Finance Act 1996;
 - (b) “working day” means any day except—

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Regulations are made by the Treasury primarily under the Taxation (Cross-border Trade) Act 2018 (c. 22) (“the Act”) as amended by the Taxation (Post-transition Period) Act 2020 (c. 26: “the 2020 Act”). Part 1 (introductory provisions)

Part 1 provides for citation and commencement and definitions used in the Regulations. The Regulations will be brought into force by way of a separate statutory instrument made under section 52 of the Act.

Part 2 makes provision in relation to the duties of customs charged on non-Union goods imported into the United Kingdom as a result of their entry into Northern Ireland under section 30A(3) of the Act and on the removal of goods to Northern Ireland from Great Britain under section 40A of the Act. The provision made under Part 2 includes the goods not chargeable to duty, the description of goods chargeable to duty under section 40A, the application of provisions made by or under the Act to goods chargeable to duty under section 30A(3) or 40A, and relief.

Part 4 (goods exported on removal from Northern Ireland)

Part 4 makes provision for goods to retain domestic goods status in certain circumstances when they are exported on removal from Northern Ireland and the declarations that must be made in relation to certain of those goods on their arrival in Great Britain.
