Interpretation

2.—(1) In this Order—

"police area" means a police area listed in Schedule 1 to the Police Act 1996 (police areas outside London) M4;

"police area returning officer" means, in relation to a police area, the person for the time being designated by an order made under section 54(1)(b) of the Police Reform and Social Responsibility Act 2011 (returning officers etc) as the police area returning officer for that area, so far as such an order applies for the purposes of an election the poll for which is on or after 6th May 2021;

"Senedd Cymru general election" has the same meaning as in article 2(1) of the National Assembly for Wales (Representation of the People) Order 2007 M5 ("the 2007 Order").

- (2) Subject to paragraph (3), a reference in this Order to a voting area is a reference to a voting area within the meaning of article 2(2) of the Police and Crime Commissioner Elections Order 2012 M6 ("the 2012 Order").
- (3) When the poll at a police and crime commissioner election in Wales is required to be taken together with the poll at a Senedd Cymru general election by virtue of article 16A(1) of the 2007 Order, a reference in this Order to a voting area is a reference to a voting area within the meaning of article 2(2B)(a) of the 2012 Order ^{M7}.

F1 Words in Sch. 3 substituted (7.11.2022) by The Police and Crime Commissioner Elections (Designations etc.) (Amendment) Order 2022 (S.I. 2022/1079), regs. 1(1), 4(2)

EXPLANATORY NOTE

(This note is not part of the Order)

Under section 55 of the Police Reform and Social Responsibility Act 2011 (c. 13), a returning officer may recover charges in respect of services rendered, or expenses incurred, by the officer for or in connection with an election if the services were necessarily rendered, or the expenses necessarily incurred, for the efficient and effective conduct of a police and crime commissioner election ("PCC election"). Those charges may not however exceed the overall maximum recoverable amount specified by the Minister for the Cabinet Office, with the consent of Treasury, in an order. An order may also specify the maximum amount that may be recovered in respect of any specified services or expenses.

Articles 3 to 5 of, and Schedule 1 to, this Order specify the maximum amounts for specified services and specified expenses, and the overall maximum amount, that may be recovered by a local returning officer in respect of a voting area at the PCC election scheduled for 6 May 2021, some of which are combined with other elections. A voting area is a local authority area, except where an ordinary PCC election is combined with a general election for members of the Senedd Cymru, in which case a voting area is a Senedd Cymru constituency.

Articles 3 to 5, and Schedule 2, provide maximum recoverable amounts for PCC elections taken alone following 6th May 2021 to fill a vacancy in the office of PCC.

Articles 6 to 8 and Schedule 3 specify the overall maximum amount and the maximum amounts for specified services and specified expenses that may be recovered by a police area returning officer in respect of a police area at a PCC election.

Changes to legislation: There are currently no known outstanding effects for the The Police and Crime Commissioner Elections (Local Returning Officers' and Police Area Returning Officers' Charges) Order 2021. (See end of Document for details)

Article 9 specifies the maximum amounts that may be recovered (instead of the amounts referred to above) where an election is uncontested.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
