PROTECTIVE PROVISIONS

PART 5

FOR THE PROTECTION OF THE TRUST

52. Network Rail must not in the course of constructing any specified work or protective work or otherwise in connection with the works do or permit anything which may result in the pollution of the waterways or the deposit of materials in the waterways and must take such steps as the engineer may reasonably require to avoid or make good any breach of its obligations under this paragraph; but this provision does not prevent Network Rail from carrying out works within the waterways.
