“Updating of information about or relating to a superintendent

5A.—(1) Where, in the case of a body corporate making an application for inclusion in a pharmaceutical list, there is a change to the superintendent of the body corporate before the applicant is included in a pharmaceutical list or the application cannot be further proceeded with, the applicant must update the application as soon as is reasonably practicable with—

- (a) the details about that superintendent that the applicant would have been required to submit under paragraph 3; and
- (b) the details about any other body corporate that the applicant would have been required to submit under paragraph 4 because of that superintendent being that other body corporate’s superintendent,

(2) If—

- (a) the application has been determined by NHS England but—
 - (i) there are proceedings relating to the application that have not yet reached their final outcome, or
