A full impact assessment has not been produced for these Regulations as no, or no significant, impact is foreseen on the private, voluntary or public sectors in the United Kingdom. A de minimis assessment has been prepared as this instrument is likely to entail some costs for businesses, but the net impact is estimated to be below £5 million per year. A full impact assessment was, however, produced for the Sanctions and Anti-Money Laundering Act 2018 and can be found at:
