**2001 No. 3901**

The Education (External Qualifications)  
(Description of Tests) (Wales) Regulations 2001

**Description of tests and tasks**

3. The tests and tasks which ACCAC may develop, set or administer are tests and tasks in English and Welsh mediums, that will form part of the assessment of competence in—

- (a) basic literacy and numeracy skills; and
- (b) communication, application of number and information technology key skills,

of those to whom the tests or tasks are administered.
