The Products of Animal Origin (Third Country Imports) (Wales) Regulations 2002 (revoked)

PART V

PRODUCTS INTENDED FOR IMPORT

Products transported under supervision

33.—(1) This regulation applies to products intended for import which are required by any directive, decision or regulation listed in Schedule 2 to be transported under veterinary supervision from the border inspection post at which they are first introduced into the relevant territories to their destination establishment.

(2) No person shall remove a product to which this regulation applies from a border inspection post unless it is contained in a leak-proof container or means of transport which has been sealed by an officer of the Commissioners or by the official veterinary surgeon at that border inspection post.

(3) The person responsible for a product to which this regulation applies and any carrier who has charge of it for the time being shall ensure that the product is transported without delay to its destination establishment, and that the certificate of veterinary clearance issued in respect of the product accompanies it until it reaches its destination establishment.

(4) Where a certificate of veterinary clearance has authorised import of a product to which this regulation applies for specific purposes as described in regulation 32(c)(ii), the person responsible for the product and any carrier who has charge of it for the time being shall ensure that it remains under the supervision of the Commissioners in accordance with the T5 procedure provided for in Articles 471 to 495 of Commission Regulation (EEC) No. 2454/93 laying down provisions for the implementation of Council Regulation (EEC) No. 2913/92 establishing the Community Customs Code ^{M1} until it reaches its destination establishment.

(5) An operator of a destination establishment or an intermediate storage warehouse shall give immediate written notification to the veterinary officer who is responsible on behalf of the National Assembly or the Agency for the destination establishment or intermediate storage warehouse, as the case may be, of the arrival there of any product to which this regulation applies.

(6) An operator of a destination establishment shall ensure that any such product undergoes at the destination premises the treatment prescribed for it by the relevant directive, decision or regulation listed in Schedule 2.
