

SCHEDULE 9

Regulation 104(4)

Part IV

Savings of things done under the Specified Risk Material Regulations 1997(1)

1. Any approval issued by the National Assembly under regulation 6(1) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were a licence issued under regulation 56(1) of these Regulations.

2. Any authorisation by the Agency under regulation 6(2) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were a licence issued under regulation 56(1) of these Regulations.

3. Any authorisation by the Agency under regulation 15(7) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were a licence issued under regulation 56(1) of these Regulations.

4. Any designation by the Agency under regulation 15A(3) and (4) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were a licence issued under regulation 56(1) of these Regulations.

5. Any appointment by the Agency of a meat technician under regulation 16(4) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were an appointment of the meat technician under regulation 38(4) of these Regulations.

6. Any appointment by the Agency of a meat technician under regulation 18(5) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were an appointment of the meat technician under regulation 41(5) of these Regulations.

7. Any approval of the storage of specified risk material under regulation 28(2) of the Specified Risk Material Regulations 1997 having effect at the coming into force of these Regulations shall have effect as if it were an approval under regulation 53(2) of these Regulations.
